SIUTZ6 - MILLER JONATHAN

A business proposal is a written document form that is sent to a prospective client or buyer. Its purpose is for the proponent company to be able to obtain a job or to at least strike a deal with the potential client. One sentence business overview At the top of the page, right under your business name, include a one-sentence overview of your business that sums up the essence of what you are doing. This can be a tagline, but is often more effective if the sentence describes what your company actually does. This is also known as your value proposition.
