## **EU7R9G - MARLEY BROCK**

---

Research evidence suggests that summer breaks contribute to income-based achievement and opportunity gaps for children and youth. However, summertime can also be used to provide programs that support an array of goals for children and youth, including improved academic achievement, physical health, mental health, social and emotional well-being, the acquisition of skills, and the development of interests. This report is intended to provide practitioners, policymakers, and funders current information about the effectiveness of summer programs de-

signed for children and youth entering grades K-12. Policymakers increasingly expect that the creation of and investment in summer programs will be based on research evidence. Notably, the 2015 Every Student Succeeds Act (ESSA) directs schools and districts to adopt programs that are supported by research evidence if those programs are funded by specific federal streams. Although summer programs can benefit children and youth who attend, not all programs result in improved outcomes. RAND researchers identified 43 summer programs with positive outcomes that met the top three tiers of ESSA's evi-

dence standards. These programs were identified through an initial literature search of 3,671 citations and a full-text review of 1,360 documents and address academic learning, learning at home, social and emotional well-being, and employment and career outcomes. The authors summarize the evidence and provide detailed information on each of the 43 programs, focusing on the evidence linking summer programs with outcomes and classifying the programs according to the top three evidence tiers (strong, moderate, or promising evidence) consistent with ESSA and subsequent federal regulatory gui-

dance.

1926/28- contains statistical tabulations relative to the public schools of the state (Division of Research and Statistics).

1926/28- contains statistical tabulations relative to the public schools of the state (Division of Research and Statistics).

The Youth Alternatives and Youth Awareness Press tabloid newspapers were published in Tucson, Arizona through the Tucson YWCA, under the direction of Robert E. Zucker from 1978-1981. The newspaper was staffed by high school students and adult advisors and published through various local, state and federal grants and funding sources.

Synopsis High School Memoirs: A Journey in Surrealism is a tear-jerking, hilarious ride for a less-than-ordinary High School student who battles bullies and librarians to become King of the Classroom. Set in a small Catholic High School on the north side of Chicago, author Sean Cusack takes us on a surrealistic journey through four fun-filled years of triumph and tragedy in this unique epic. The journey begins with Sean Cusack entering St. Bernadin High School in August of 1995 as a very young

and innocent Freshman student. He focuses on several life changing experiences in his infant days of High School that change him forever. Innocence Lost traces the steps Sean Cusack took that ultimately lead him on a path toward frequent battles with students and the school faculty and Administration. As a Sophomore, The Ride most certainly takes us on a ride through fights, vandalism, and verbal debacles that continued to steer the vengeful ship that Sean Cusack had been building since a Freshman. He now had become the ship's Captain as it set sail. The Ride takes us through many strange and mysterious encounters that add more of a surrealist element to this budding melodrama and comedic satire. Sean Cusack's roses bud Junior Year in Forever Remembered, when he becomes a charismatic hero and leader of a rebellious group of students that pillage and plunder the school and faculty in wild and zany antics. Forever Remembered embodies the humorous and more imaginative side of Sean Cusack as the journey through High School becomes more surreal. Senior Year wraps up the trials and tribulations that Sean Cusack had endured thus far in his High School ex-

perience culminating into one person after years of battling the Defunct Administration. He is molded by evil as the rebellious youth becomes totally hellbent on crippling the school. In the end, he loses friends, respect from teachers, but most of all, he loses faith in his cause, yet ends his High School experience with a fantastical and triumphant bow. Sean Cusack proves that not all High School stories are the same in this turbulent and chaotic autobiography. High School Memoirs: A Journey in Surrealism chronicles a strange and unique history that is truly a step above the rest.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY RT BOOK REVIEWS Sure to thrill readers of Susan Mallery and Rachel Gibson, Molly O'Keefe's sizzling series cranks up the tension as a bad boy rides into town on his motorcycle—and teaches the girl next door to lose control when it comes to desire. After years of running, Wyatt Svenson has now parked himself in Bishop, Arkansas, trying to do the right thing and parent a son he didn't even know he had until recently. Over six feet tall and packed with muscles and power,

Ty likes to get his hands dirty, fixing his motorcycle at night and keeping his mind away from the mistakes he's made. Then his pretty neighbor shows up on his driveway, doesn't bother to introduce herself, and complains about the noise. First impression? She should loosen up. Funny that she turns out to be his son's elementary school art teacher—and the only one willing to help his troubled boy. Ty needs her. In more ways than one. Though Shelby Monroe is safe in her structured life, she is drawn to Ty's bad-boy edge and rugged sexuality. What if she just lets it all go: her worries about her mother, her fear of heartbreak, and her tight self control? What if she grabs Ty and takes a ride on the wild side? "What if" becomes reali-

ty—intense, exhilarating . . . and addictive. But Ty wants more than a secret affair. He wants it all with Shelby. But will she take a chance and open her heart? Ty is determined to convince Shelby to take the biggest risk of her life: on him. Praise for *Between the Sheets* "Phenomenal . . . The story is deep, complex, and rich, with emotional tones of hope, loss, regret, pain, and so many flavors of love."—Publishers Weekly (starred review) "The characters are genuine, their stories are authentic and there is a rawness of emotion that is completely unexpected. The chemistry Ty and Shelby share is electric and their sex scenes are sizzling on a whole new level. This is a fantastic read that surprises and thoroughly delights."—RT Book Reviews

(4-1/2 stars, Top Pick) "Dark, edgy, and emotionally turbulent, *Between the Sheets* is a . . . modern-day romance that speaks of second chances, love, heartbreak, redemption, and hope."—Smexy Books "Once again, Molly O'Keefe explodes the traditional trope and creates characters that breathe. . . . *Between the Sheets* did what great books should do and let me live beside these people of Bishop and come to care about them. A lot."—The Best Reviews "An intense, heartbreaking and poignant novel that is also insanely hot and incredibly passionate . . . another powerful novel of love and healing by Molly O'Keefe that old and new fans of the *Boys of Bishop* series do not want to miss."—Book Reviews & More by Kathy
