Cambridge Secondary 1 (Grade 7 to 9) is typically for learners aged 11 to 14 years and sets clear learning objectives for the first three years of secondary education. It has been developed to link seamlessly with Cambridge Primary and continues to focus on developing learner skills and knowledge in English, English as a second Language, Mathematics and Science.

Written by well-respected authors, the Cambridge Checkpoint Mathematics suite provides a comprehensive structured resource which covers the full Cambridge Secondary 1 Mathematics frame-

work in three stages. This Checkpoint Mathematics Challenge Workbook 8 provides further materials for students to develop deeper knowledge of mathematics.

The Cambridge Secondary 1 Mathematics curriculum framework continues the journey from the Cambridge Primary Mathematics framework and provides a solid foundation upon which the later stages of education can be built. The Cambridge Curriculum is founded on the values of the University of Cambridge and best practice in schools.

Cambridge Secondary 1 develops skills and understanding in English (including English as a Second Language), Mathematics and Science for learners typically aged 11–14. The chapters in this course have been arranged to match the Cambridge Secondary 1 Mathematics Curriculum Framework as follows:
