#### **Chapter 6: How Cells Harvest Chemical Energy**

Oftentimes, that book is a bit too dense for a gen bio course. Many of the details in it aren't really important until later courses. So while I agree the OP should read the book as well as attend lecture, ultimately studying off the slides would probably be much higher yield when it comes test time (as well as MCAT studying time, although that's why most people just use an MCAT review book ...
