"Car Park Designers' Handbook" has been written by consultants at Hill Cannon (UK) LLP with over 35 years experience in design, repair, improvement and alteration of structured and surface car parks. Customer reviews. 3.0 out of 5 stars. 3 out of 5. 1 customer rating. 5 star 0% (0%)

Buy Car Park Designers' Handbook 2nd Revised edition by J.D. Hill, Glynn Rhodes, Steve Vollar (ISBN: 9780727758149) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.

A Six-Step Guide to Park-

ing Lot Design Access to quality parking is one of the foundational needs of commercial America. Thanks to the services that well-constructed parking lots provide, businesses can strive for goals while giving vehicular access to employees and customers — without the added obstacle and stress that poorly designed parking facilities tend to cause.

The newly released parking design handbook outlines the best practices in sustainable parking. Here are a few of the most innovative examples from across the globe
