www.schoolnotes.com

Education is Everywhere. At Carson Dellosa Education, we believe that children learn everywhere—sometimes in the most unexpected ways. Whether on-the-go, in the classroom, or at the kitchen table, our high-quality and affordable solutions are all about capturing life's many learning moments. Dilution of Solutions. Dilution is the process whereby the concentration of a solution is lessened by the addition of solvent. For example, we might say that a glass of iced tea becomes increasingly diluted as the ice melts. The water from the melting ice increases the volume of the solvent (water) and the overall volume of the solution (iced tea), thereby reducing the relative concentrations ...
