Co-Author and Lecturer, "Child Support and Interstate Issues," Practical Family Law Desk Book 1996 - Wake Forest University School of Law Continuing Legal Education. Co-Author, "Divorce," North Carolina General Practice Handbook 1997, Wake Forest University School of Law Continuing Legal Education.

The condition before the law, or the social status, of a child whose parents were not married to each other at the time of his or her birth. The term nonmarital child is also used interchangeably with illegitimate child. English Common Law placed harsh penalties on an illegitimate child, denying the child inheritance and property rights. Modern law has given the nonmarital child more rights but still differentiates between the marital and non-marital status.

The legal rights and duties of a person born of married parents could be ascertained more accurately than those of a child with an unknown or disputed father. Public policy in favor of maintaining solid family relationships contributed significantly to the preference for a legitimate child. Modern Law

Illegitimate children legal definition of Illegitimate ...

Traditionally, a child is considered legally an adult at 21, but each state is free to legislate that limit to be 18 or some other number, and free to set it differently for different things. In this day and age, where children are often more technologically savvy than their parents, such laws may seem an anachronism.

The Child-Parent Security Act is a law in New York state that legalizes gestational surrogacy and provides a simple path to establish legal parental rights for parents who rely on assisted reproductive technology (ART) to have children. The Child-Parent Security Act was signed into law by Governor Andrew Cuomo on April 3, 2020. In modern law, the power of the father has yielded to the principle that the welfare of the child is paramount; but this relaxation has raised important and difficult questions. The prevailing view is that the courts should take jurisdiction and intervene in family decision making when injustice, oppression, or cruelty might result if they did not.

ACS - What is Child Abuse/Neglect?

An illegitimate child's status may be changed by a legal action called legitimation, granting him all the rights of legitimate children—except that property or money already given to a naturally legitimate child cannot be transferred to a legitimated one who would otherwise have been entitled to part of it. In some places, legitimation automatically occurs if the parents subsequently marry, if the mother marries someone else, or if the father publicly acknowledges and supports the child.
