Best Books on Bullying for Kids - Red Tricycle

The book, Olivia the Bully is meant to teach children, at an early age, the importance of friendship, understanding, and love. I asked Angelic why this book was so important to write, "I decided to write Olivia the Bully because I know that bullying is a serious topic that needs to be heard."

Local artist writes children's book about bullying

by BIRD WATCH creator Christie Matheson. My children and I love birds — seeing them on the feeder in our little backyard in San Francisco, identifying them whenever we are hiking, and especially trying to spot the pair of great-horned owls that lives in a certain grove of trees in the Presidio, a national park where we sometimes take owling walks at dusk.

With the school year beginning, books about bullying can be a great resource for children dealing with bullying, or for parents trying to help their kids. Whether they explore strategies for dealing with bullies, show victims how to regain their confidence, or simply help them feel less alone, the following books about bullying are a great starting point for anyone dealing with bullying.

Bullying is a serious issue, and reading children's books on the topic can help kids understand it better and have healthier relationships with their peers. Whether your child has been a victim of bullying or a participant in bullying or he just needs to learn more about empathy, these emotionally enlightening books for all ages can help.
