### **Cinderella Undone - Kindle edition by Snow, Nicole ...**

Cinderella Undone by Nicole Snow a fairy-tale five-star read. I adored this book, it was so sweet, but not sickly so. There was a great story and plot and you cant help but get sucked into the story. Knox Carlisle is a gruff and harsh man, but the thing is he has good reason to be gruff. He has a past that would curl the toes of many.

### **Cinderella Undone by Nicole Snow - Goodreads**

Cinderella Undone by Nicole Snow is a romance about Knox who needs a wife to save his daughter. Luckily, he knows exactly who's going to help him. Kendra is his sister's best friend and cares for Lizzie a lot. The fake relationship and the hidden feelings drive them both crazy.

Cinderella Undone Well this was a first for me by this author and these narrators. I enjoyed the story over all I found some parts of it to be over the top. Like the first half what I like more was the last half when things felt more real and less fairy tale

like.
