TJAYDH - EVIE JOURNEY

Amazon.com: Classifying the Universe: The Ancient Indian ...

Presenting a revisionist overview of the way the religion of the Veda is to be understood, *Classifying the Universe* demonstrates that social classes were systematically reduplicated in taxonomies that organized the universe as a whole. The classification of society, in which some groups were accorded rights and privileges withheld from others, could thus be represented as part of a primordial and universally applicable order of things.
