~~Common Core and Speech Therapy: How to Guide Your SLP ...~~

Barbara Ehren, EdD, CCC-SLP, on the language requirements of the Common Core State Standards, and how they can provide a context for SLPs to step forward as the "go-to people" in schools. Read more...

Common Core Standards and SLP July 2, 2012 I'm sure you all have at least heard about the Common Core State Standards (CCSS), especially if they have been adopted by your state...which, let's face it, most states have. As a school based SLP and as a parent, I am a fan of the CCSS.

I am school-based SLP who loves learning about different cultures, history, the English language, and ways to save money. I earned my M.S. in SLP from Appalachian State University. I have a B.A. in English and History from Salem College. This will be my fifth year as an SLP and my fourth year as a full-fledged CCC-SLP.

~~Core Words — Rachel Madel M.A., CCC-SLP~~

Core words comprise 75 - 80% of the words in our day-to-day speech. Core words are useful in a variety of situations. They aren't just nouns; they can be adjectives, verbs, prepositions... words that are high frequency, easy to combined into sentences and they can be used all the time across lots of different routines and settings.

Language skills are at the "core" of the Common Core, including narratives, comprehension, phonological awareness, and conversation/discourse - so it is crucial that SLPs understand their contribution to the development of these oral language skills.

With Common Core's emphasis on pervasive language approach to instruction, speech-language pathologists are uniquely qualified to help students meet the new standards. SLPs may have more opportunities to collaborate with teachers and specialists on developing these skills .
