"Exciting and engaging vocabulary instruction can set students on the path to a lifelong fascination with words. This book provides a research-based framework and practical strategies for vocabulary development with children from the earliest grades through high school. The authors emphasize instruction that offers rich information about words and their uses and enhances students' language comprehension and production. Teachers are guided in selecting words for instruction; developing student-friendly explanations of new words; creating meaningful learning activities; and getting students involved in thinking about, using, and noticing new words both within and outside the classroom. Many concrete examples, sample classroom dialogues, and exercises for teachers bring the material to life. Helpful appendices include suggestions for trade books that help children enlarge their vocabulary and/or have fun with different aspects of words"--

"Give me a dollar or I'll spit on you." That's Bradley Chalker for you. He is the oldest child in the class. He tells enormous lies. He picks fights with girls, and the teachers say he has 'serious behaviour problems'. No one likes him - except Carla, the new school counsellor. She thinks Bradley is sensitive and generous, and she even enjoys his far-fetched stories. Carla knows that Bradley could change, if only he weren't afraid to try. Sometimes the hardest thing in the world is believing in yourself.

TEACHING READING IN TODAY'S ELEMENTARY SCHOOLS sets the standard for reading instruction to ensure that aspiring teachers are able to help students learn the mechanics of word recognition, how to comprehend what they read -- and enjoy the process. The book advocates a balanced approach to reading, presenting newer approaches with more traditional approaches that have proven value, such as phonics, vocabulary instruction, and strategies for literal and higher-order comprehension. Practices are featured, such as use of recent technologies for literacy learning, varying approaches with attention to dealing with the many types of diverse learners in today's classrooms, and use of close reading techniques with appropriate materials to enhance the learning experience. New chapters are devoted to diversity and fluency. Praxis, CCSS, and edTPA assistance is also incorporated.
