But there is a method that falls somewhere between the polar worlds of fight and flight. Mastering crucial confrontations allows you to deal with failed promises, disappointments and other performance gaps. Unless you step up to and master crucial confrontations, nothing will get bet-

ter.

"Crucial Confrontations" borrows from twenty years of research involving two groups. More than 25,000 people helped the authors identify those who were most influential during crucial confrontations. They spent 10,000 hours watching these people, documented what they saw, and then trained and tested with more than 300,000 people.
