gua Inglesa en Primaria y Secundaria, por lo que resulta muy práctico para utilizar en la diplomatura de Magisterio (Especialidad Lengua Extranjera), así como los cursos de capacitación pedagógica y especialización didáctica para profesores de Enseñanza Secundaria.

Word puzzles are fun, but just as important, they also have a hidden educational benefit. They help students of a new language learn vocabulary and word meanings easily and efficiently. Spanish speakers who are learning English as a second language will find this book's puzzles challenging, fun to solve, and ideal for expanding and developing their English language vocabulary. It presents several different kinds of word puzzles: crosswords; word crosses in which readers match words to pictures; scrambled letter puzzles with appropriate clues; and cryptograms, in which diagrams filled with letters contain hidden words arranged vertically, horizontally, or diagonally. All questions and clues are printed in Spanish, but all answers must be in English. Puzzles are arranged in order of difficulty, beginning with Easy crosswords, word crosses, scrambled letters, and cryptograms, then progressing in the same order of puzzle types to Moderate Level, then to Tough Puzzles, and finally to Challenging Puzzles. The back of this intriguing book contains answers to all puzzles, as well as grammar notes and an alphabetical word finder list. There are 100 challenging puzzles in total.

An intermediate Spanish course designed for students with a working knowledge of the language and studying without the support of a classroom teacher.

This book and CD package is similar in design to other books in the Paso a Paso Series for Health Care Professionals. This package is specifically for mental health workers attempting to break through language and cultural barriers between English- and Spanish- speaking participants. The suggested application is a small group setting in the workplace in which a fluent Spanish speaker

serves as a facilitator at one hour sessions held once a week. The learner is expected to work daily on exercises and practice listening and responding to the CD. The premise is that the beginning learner will not be alone in a situation where a conversation is beyond their ability; the novice speaker will be part of a team and will acquire greater competency through active, on-the-job speaking and listening. All too often non-English-speaking newcomers are isolated, separated from the family support systems they once enjoyed in their native countries. They are overwhelmed and don't realize assistance is available to address the depression, anger, and frustration they are feeling. This handbook and CD set will help mental health and social workers reach across the language barriers to help their clients.

Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.
