Curious George gets curious about words in this illustrated dictionary designed for children from preschool through kindergarten. In an illustrated introduction to this unique dictionary, Curious George learns how to look up words before embarking on an educational adventure through a vocabulary list chosen specifically for children ages four to six. The dictionary itself presents approximately 600 words, with six words to a page. Each entry is illustrated with a full-color drawing, and more than half of the illustrations include a sample sentence that puts the word in context. At the end of the book, eight full-page features present groups of thematically related words such as colors, shapes, and numbers.

In 1940, Hans and Margret Rey fled their Paris home as the German army advanced. They began their harrowing journey on bicycles, pedaling to Southern France with children's book manuscripts among their few possessions. Louise Borden combed primary resources, including Hans Rey's pocket diaries, to tell this dramatic true story. Archival materials introduce readers to the world of Hans and Margret Rey while Allan Drummond dramatically and colorfully illustrates their wartime trek to a new home. Follow the Rey's amazing story in this unique large format book that resembles a travel journal and includes full-color illustrations, original photos, actual ticket stubs and more. A perfect book for Curious George fans of all ages.
