The Scriptures are an essential aspect of the Christian faith. But we have often equated them with the living Word Himself, even elevating them above the One to whom they point. In doing so, we have distorted their central message--and our view of God. Tragically, this has caused multitudes of people unnecessary doubt,

confusion, and pain in their encounters with the Scriptures. Many people understand God as being truly loving and good. Yet, they struggle with depictions of God in Scripture as wrathful, violent, and genocidal. These "toxic texts" have caused some to set aside their Bibles as R-rated and unreliable. They have led others to completely reject their faith. Author and theologian Bradley Jersak has wrestled deeply with such passages over many years. He has experienced the same questions, doubt, and pain. In *A More Christlike Word*, he offers a clarifying and freeing path forward, whether you consider yourself a believer, a doubter, or a skeptic, inviting you to a better and more ancient way to read the Scriptures. He calls this path the "Emmaus Way" because it focuses on Jesus Christ as the final Word on God. It demonstrates how all Scripture, by design, points to Jesus, revealing the true nature of the Father. After deconstructing the modern biblicist/literalist approaches to Scripture interpretation that have failed us, Brad turns to the early church for a hermeneutic of prefigurement, treating the Bible as the grand narrative of redemption, told through a polyphony of voices and worldviews, culminating in the arrival of Christ as the eternal Word of God--what God has to say about himself. The interpretive system of the church fathers and mothers who gathered the New Testament and preached the gospel from the Old Testament has largely been ignored or dismissed by both evangelical and liberal movements, the twin children of modernity. The patristics explain and model the apostles' Christ-centered interpretation of the Scriptures. Brad applies their approach to "unwrath" sample passages from each genre of the Bible, showing how even the cringe-worthy texts have

an important place in the christotelic saga of divine love. Your journey on the Emmaus Way will open up to you the fullness of the Scriptures, and, most important, lead you to the God who deeply loves and welcomes you.

Throughout history, inspiring leaders have stepped out in faith, stirring many to renewed strength and purpose. With sparkling writing and fascinating detail, Dean Merrill captures the bold, often surprising stories of notable Pentecostal, charismatic, and Spirit-empowered leaders. As Dean trains his journalist's eye on the lives of Smith Wigglesworth, David du Plessis, William J. Seymour, Aimee Semple McPherson, and many more, these engaging narratives challenge readers to follow in the footsteps of these extraordinary individuals and obey the Holy Spirit.

Have you ever asked yourself what changed when you were "born again?" You look in the mirror and see the same reflection - your body hasn't changed. You find yourself acting the same and yielding to those same old temptations - that didn't seem to change either. So you wonder, Has anything really changed? The correct answer to that question is foundational for receiving from God. If you lack this basic understanding, you'll forever ask yourself doubt-filled questions like: "How could God love somebody like me?" and "How can I possibly expect to receive anything from the Lord? I don't deserve it, I'm not good enough!" Spirit, Soul, and Body will help you eliminate those and other doubt-filled questions that destroy your faith. If you have trouble receiving from God, this is a must-read!

This is the 1930 version of T. J. McCrossan's Bodily Healing And The Atonement (not to be confused with the revised version released by Kenneth Hagin). THIS book proves conclusively from the Hebrew and Greek Scriptures, that Christ died for our sicknesses, as He died for our sins, and meets fully from the Word every reasonable objection. In response to one reader, the Kindle version has been reformatted to link to each chapter from the table of contents and the places in the book where a section is referenced. See Contents. TABLE OF CONTENTS INTRODUCTORY REMARKS Satan the real originator and propagator of sin, sickness and death. How he propagates sickness. DIVISION I Six Great Biblical Reasons Why All Christians Should Take Christ As the Healer of Their Bodies. Reason I Because God healed the sick in Old Testament and New Testament times and He is an unchangeable God. Reason II Because the Lord Jesus Christ died to atone for our sicknesses just as He died

to atone for our sins. This truth clearly taught by Isaiah, Matthew, Peter and Paul. The true teaching of Matt. 8:17, "That it might be fulfilled." Delitzsch's exposition of Isaiah 53:4. This great truth taught by Old Testament types. Reason III Because all sickness is the result of Satan's work, and Christ was manifested to destroy (annul the power of) Satan's work Reason IV Because the very same Holy Spirit, Who did all of Christ's miracles, and raised Him from the dead, Who did all of Paul's miracles, is still in the Church, and has all His old time, life giving power. The true teaching of Rom. 8:11. Reason V Because of Christ's last great commission in Mark 16:17, and because of God's direct command in James 5:14. Whose faith is here meant by "the prayer of faith shall save the sick"? Reason VI Because of God's marvelous promises, the fulfillment of which depends altogether upon the exercise of our own faith. Since faith is a gift of God, why is faith for "Bodily Healing" not always imparted instantaneously as in the case of "Salvation?" DIVISION II - Was Divine Healing Only Meant for the Church of the Apostolic Days? Genuine Miracles of Healing Just As Common Today As in Apostolic Times. Names, addresses and diseases here recorded. DIVISION III Objections Answered DIVISION IV Why So Many True Saints of God Are not Healed Appendix How to explain, "Falling Under the Power." Is it Hypnotism, Devil-power, or the power of God? ADDENDA NOTES

tion. I saw these truths, I have 'handled' them as I have 'kneaded' them into the every day of my own life and this book is my 'witness' to you of the profit these truths have brought to me. This study is my invitation to you to 'come and fellowship with me' in the fellowship and excitement I have received from letting the Holy Spirit guide and teach me in HOW TO live out the New Creation as a woman.

In this revolutionary book, you will discov-

er solid Biblical truth that demonstrates beyond all doubt that God doesn't cause birth defects- He HEALS them! You will also read firsthand testimonies written by parents from around the world who are seeing God heal their children from diagnoses such as cerebral palsy, autism, and down syndrome. You will read of: Doctors amazed by disappearing defects Children moved to normal classes because they no longer qualify as "special needs" Organs, bones, facial features, and muscles restored to normal function Families restored to joy and peace by the truth of God's grace. If you are looking for hope and practical Biblical answers that will empower you to minister healing to those afflicted with birth defects, then this is the book is for you! This book is not written for the unbeliever, naysayers, and critics. This book is written for the parents who have a child diagnosed with birth defect and know that God offers the hope of healing and need encouragement for their faith. Genetic birth defects such as down syndrome are by medical definition a disease and Jesus heals diseases. This book is a solid reminder to each of us who claim to be followers of Jesus Christ that Jesus is who he said he is. Now He lives inside of those who truly believe in Him to do His same mighty works. This is not just about healing birth defects. It's about rediscovering who you truly are, Christian, now that you've been born again. The Word of God says, "But he who is joined to the Lord becomes one spirit with him." Jesus said, "Truly, truly, I say to you, whoever believes in me will also do the works that I do; and greater works than these will he do, because I am going to the Father. Whatever you ask in my name, this I will do, that the Father may be glorified in the Son. If you ask me anything in my name, I will do

it." When the church realizes that she is not without power against birth defects, she will arise out of her subdued apathy. It starts by believing the gospel above your experience and above your circumstances. In addition to solid Biblical teaching, this book is filled with testimonies from parents from around the world with whom were are personally in contact who have discovered these truths and have begun to act on them. Yet they are only a glimpse of the testimonies from parents who are ministering healing to their own children and each other's children diagnosed with birth defects. This book is merely "first fruits," evidence of a much greater harvest that is ripe and still to come. God is raising up a worldwide army that is rallying together for a simple reason- that the Lamb of God receive the reward for which He suffered at the whipping post in the lives of every person, especially those who were born with birth defects. An avalanche of miracles is beginning to rumble through the earth as children diagnosed with down syndrome, autism, cerebral palsy, and other birth defects are being healed before our eyes. We want to give parents and grandparents the book that we wish someone would have given to us the moment our child was born diagnosed with a birth defect. We want the church to wake up and realize that what Jesus' suffering at the whipping post applies to children born with defect. We have written this book to inspire, challenge, and empower you to see your child healed through the power, love, and authority of Jesus Christ. This book represents the first fruits of real, present day experiences of divine healing of birth defects. We offer it as an encouragement to those who are courageous enough to believe that Jesus Christ wants to work through you to free the captives and to

liberate those oppressed with birth defects.

"John G. Lake's five year tenure as a missionary in South Africa has long been shrouded in mystery and conjecture, with only a few testimonies coming from Lake's sermons as he ministered healing to hundreds of thousands later in life. In this exciting volume, you will find details concerning the death of Lake's first wife after only a few months in South Africa, the beginnings of the unprecedented revival that began within days of the arrival of Lake and fellow missionaries, the astounding miracles and healings that

were the hallmark of the fledgling Pentecostal Movement, and a complete transcription of Lake's own African diary."-- Provided by the publisher

Lester Sumrall discusses eleven of these names, with a full chapter devoted to each one, first giving a brief translation and analysis of the Hebrew root (s) and then expanding the concept with biblical references and contemporary analogies.

Lake was originally from Ontario, Canada. He was from a large family, which was continually affected with illness. At the age of twenty-one, he became a Methodist minister; however, he chose to enter the business world instead of accepting a church ministry. Lake was a very industrious businessman and started two newspapers before beginning a very successful career in real estate. Early in his career, Lake's wife, whom he deeply loved, fell ill with a life threatening illness. Having a lifetime of suffering and bereavement behind him, he refused to accept this. He took the radical step of taking 'his brother who had been an invalid for 22 years to Chicago see John Alexander Dowie . In a matter of just moments after healing ministers laid their hands on him, he was healed -- he got up and walked out! Next, the Lakes took their 34-year-old sister who was dying from breast cancer. She had been operated on five times and had to be carried on a stretcher. She too was healed! So where are your family and friends going to spend eternity - heaven or hell? You can make the difference. I hear many Christians say, "I want to witness, but what do I say?" Many times the hardest part in witnessing is just getting started. When fear grips or they get tongue tied Christians often wonder: "How do I segue this conversation onto the Gospel track?" This is a huge problem because if

a Christian does not know how to transition a conversation onto the Gospel track, then they will not be witnessing at all. This book is the solution that contains over 400 Icebreakers to help get you started. These icebreakers are friendly and easy to use and they are listed by location so that you can witness to the lost wherever you go. Many Christians wait to share the Gospel until Christmas or Easter. Many times that is too late because so many young people are killed instantly through car wrecks, drug overdoses or drive by shootings and even middle-aged people die suddenly of heart attacks or some other illness. No one ever knows when their last day on earth will be. It will stir your compassion and give you the needed courage to witness to the lost wherever you go Please be kind, use loving boldness and remember that God is love. All 400 icebreakers Icebreakers are organized in sections under headings: I Want to Witness, But What Do I Say - Around: Entertainment; Financial Affairs; Food; Healthcare; Holidays and Special Times; the Great Outdoors; Shopping or Doing Errands; Sports, Work and Traveling. There is a handy INDEX in the back! Each section contains 7 to 9 different "object evangelism icebreakers." God gave the ideas for these icebreakers when He revealed to me that Jesus taught using objects in his environment in Matthew 13 using parables. Christians can witness like Jesus did through taking an object and making a comment that relates to the Gospel in some way, which makes a great transition or segue into the topic of the Gospel. For e.g.: WATER - "This water reminds me of the living water. Have you ever had any of that water?" Or DOOR - "This door reminds me of what Jesus said (John 10:9) that He is the DOOR to eternal life. Have you ever walked through

that door?" Or DOWNLOAD - "Downloading this file or picture reminds me of the time I downloaded Jesus into my heart. Have you ever done that download?" SALT & PEPPER - "These salt and pepper shakers remind me of the Kingdom of Light and the Kingdom of darkness." Or BREAD - This bread reminds me of what Jesus said: "I Am the Bread of Life. He who comes to Me will never go hungry," (John 6:35). Or SUGAR - This sugar reminds me of how sweet it is to trust in Jesus. After you say the icebreaker, you LISTEN to what they say in response and then be led by the spirit in what you say next. It is a "no fail" way to witness to the lost because, even if they do not accept Jesus at that moment, the object is still there to continue to remind them of what you said long after you are gone. After you say the icebreaker, the chapter "Truth to Say to 13 False Religions" will help you even more to witness to: Atheists & Evolutionists, Buddhists, Hindus, Jehovah Witnesses, Jewish people, Mormons, Muslims, New Agers, Scientologists, Unitarian Universalists and Homosexuals and Lesbians. There is also a chapter called Prophetic Evangelism that teaches you how to witness using a word of knowledge that God gives you to deliver a prophetic word to witness to the lost. There are several testimonies that show you, "Yes, it works!" About Rev. Susan Nazarewicz: Susan graduated from the UNC at Chapel Hill (B.A.); RHEMA Bible Training College, Victory World Missions Training Center, Church On the Move School of Ministry and Prophetic Age Ministries Institute and is ordained by John G. Lake Ministries. She works as a prayer partner at Oral Roberts Ministries at the Abundant Life Prayer Group and is a member at RHEMA Bible Church in Tulsa, OK where she sings in the choir. An inspiring look at Ephesians, opening

our eyes to the process of Christian living and maturity in three words: Sit our position in Christ; Walk our life in the world; Stand our attitude toward the Enemy. New! Study guide included. An invaluable tool for the growing disciple.

The Reopening of the John G. Lake Healing Rooms in Spokane, Washington By Cal Pierce When God restored divine healing to His people at the beginning of the past century, John G. Lake was among the key people God used. Time managed to hide away the work done by this man of God, but the spiritual foundations of what he started still lives and is now being restored. Read how the healing rooms established by Lake have been reopened and how others are taking up Lake's mantle to carry the gift of healing around the world.

This book, which tells Lakes's life story through an authorized biography and his sermons, shows--perhaps more than any other--how bold faith like John G. Lake's can come alive in any believer who will receive.

Though your circumstances seem impossible, now is not the time to quit. You have within you the God of the universe, and He is more powerful than any enemy that opposes you. Awake to righteousness! Understanding your righteousness in Jesus Christ is key to everything. This teaching will help you understand: * At your new birth you were appointed a son of God * You are one with Jesus Christ; joint heir with Him, * You are complete in Jesus Christ and lack nothing, * Your authority in Jesus Christ, * God gives you His Holy Spirit to use for Him, * God's will for your life, * The degree to which your mind is renewed to the truth of the Word of God, is the degree to which your life is transformed.

The infilling of the New Testament believers with the Holy Ghost should be our pattern today. I propose that we look at the Acts of the Apostles, see how they did it, and follow their example in getting people filled with the Holy Ghost.

I've tried to be the perfect person God expects me to be, but I just can't, I give up." "I know God loves me, but it seems like He never answers my prayers." "I do everything the Bible says I should, so why hasn't God blessed me like He promised?" "Is God schizophrenic? The Bible is full of nothing but contradictions." Questions and comments like these compelled Andrew Wommack to introduce the profoundly simple concepts found in this book. Often, human perspective and the mechanics of Christianity eclipse The True Nature of God - the God who wants nothing more than to share an intimate friendship with His children. If you're wondering who God is or if He cares, let Andrew show you The True Nature of God.

The sermons in this volume were preached by Dr. John G. Lake during the height of his ministry. Many believe he had the greatest healing ministry of his time, first as a missionary to South Africa, and later in Spokane, Washington, where 100,000 healings were recorded in five years. Compiled and edited by Gordon Lindsay.

Can God really use me? Amazement! That is the reaction of many who have experienced the power of God while praying for healing for the sick. Charles and Frances Hunter discovered the keys to healing found in the Bible and through the innovations of medical science. You will find that God can use you to bring healing and help to family, friends, and literally everyone you come in contact with. No longer will you have to stand by, helpless, when people are hurting.
