Filled with useful definitions, First Children's Dictionary is an ideal first reference ebook for children eager to expand their vocabulary. With over 3,000 entries of updated, curriculum-linked content, First Children's Dictionary is an ideal starting place for young children wanting to describe the world around them. From using a dictionary to word histories that help develop an understanding of where words come from, this dictionary for kids is an essential first reference book. Perfect for homework, First Children's Dictionary is the ideal starting place for children aged 6 and up intrigued about where words come from.

This new 2007 edition of the Oxford Junior Illustrated Dictionary features over 10,000 entries in alphabetical order, in a clear and accessible design, with many new photographs and illustrations. Each page is colourful, clear and accessible: simple, easy-to-read numbered meanings, and word classes. There are also panels that focus on overused words, words belonging to the same family and key language features such as connectives or apostrophes. Another unique feature is the example sentences by well-known children's authors, such as Dick King-Smith, Jacqueline Wilson and Roald Dahl. These show the words actually in use to reinforce meaning but they also hook children in to using language effectively. Unique to Oxford, they take children beyond looking up a word for spelling or meaning - and into thinking about reading and writing independently. The full alphabet appears on every page with a coloured tab on the letter of the page - plus the dictionary quartiles are picked out in a vibrant colour. Together, these are invaluable navigation tools for the child practising their alphabet skills. Guidewords also appear on every page. Extra material at the back is accurately levelled for the curriculum at this age. It includes information for spelling success, punctuation, simple grammar, key overused words (with alternatives) as well as word origins, prefixes and suffixes.

Includes a wide range of activities to practise and consolidate skills in interpreting times, dates and lengths of time, in context. Compact and easy to pack in a bag, it's ideal for weekends and the school holidays for children to practise their skills. Supports the UK National Curriculum as part of the successful Usborne Key Skills series that gives children the opportunity to practise the basics of a variety of Maths and English topics, including spelling, adding, subtracting, multiplying and dividing.

Small in size yet big enough to have the answers to readers' word worries, this miniature reference contains over 35,000 words, with difficult plurals and parts of verbs spelled out in full.

A combined dictionary and thesaurus for school-aged children.
