This collection of Chris Samnee's Daredevil presents three verisons of the work. The first book presents Daredevil Issues 23 - 27 in original art. Additionally, all of Chris' beautiful layouts will be printed here, again, scanned from the original art. The second book is a horizontal softcover, print-

ing all Mark Waid's scripts. Lastly, Samnee's artistic technique involves drawing thumbnail breakdowns on the script pages themselves, so there is a third artistic version.

"Each page has been personally scanned by David Mazzucchelli from his own original art at the same size he drew it, and in color (to insure the best possible reproduction). While appearing to be in black and white, each page was scanned in color to mimic as closely as possible the experience of viewing the actual original art - for

instance, corrections, blue pencils, paste-overs, all the little nuances that make original art unique. Each page is printed the same size as drawn, and the paper selected is as close as possible to the original art board."--Publisher description.
