Basic Commands [edit | edit source]. NOTE: On a single player server most commands need to be prefixed with the word cheat.The VERY old admincheat is no longer needed. In fact, it has never been required for Dark and Light Command Description - cheat god - Enables invincibility mode so no enemy can kill you. You can still die of dehydration etc.

This is a touchy subject, I know. There is a lot of debate about whether or not Snail is actually working on the announced "rework" update at all (they are.) But this thread isn't to argue or be dramatic.. This thread is to ask you, as a DnL player, what your #1 requested feature/rework for Dark and Light is.
