Horus Heresy: Deathfire (Book Review) If ever there was a Black Library release which can be judged by its title alone, it would be Deathfire. Really, the very word itself is all you need to know, cringe-worthy, almost juvenile and written with a mishandled intent to produce something meaningfully epic.

End of an Era: The Horus Heresy marks the end of

the Imperium's first era of atheist enlightenment and trust in Humanity and its future. The treachery of the Emperor's most beloved son, the exposure to Chaos at the same time as the beginning of the rise of the Imperial Faith will turn the Imperium into a fundamentally distrustful state who doesn't believe anymore that humanity will prevail, or any inherent belief in the good of man.
