Decision Making in Clinical Practice | British Journal of ...

The most recent addition to the clinical decision making is a theoretical, multidimensional model which was developed through an evaluation of current literature and the assessment of a limited number of research studies

that focused on the clinical decision-making skills of inexperienced nurses in pseudoclinical settings.

A review of clinical decision making: models and current ...

The theories and models underpinning strategic decision-making (SDM) are somewhat eclectic that demand multidisciplinary approach and appears non-differential from decision-making (DM) theories.

Strategic Decision Making: Process, Models, and Theories

The criteria may be intangible, and have no measurements to serve as a guide to rank the alternatives, and creating priorities for the criteria themselves in order to weigh the priorities of the alternatives and add over all the criteria to obtain the desired overall ranks of the alternatives is a challenging task.

Decision making with the analytic hierarchy process

Aims and objectives: The aim of this paper was to review the current literature clinical decision-making models and the educational application of models to clinical practice. This was achieved by exploring the function and related research of the three available models of clinical decision making: information-processing model, the intuitive-humanist model and the clinical decision-making model.

Ethical decision-making (EDM) descriptive theoretical models often conflict with each other and typically lack comprehensiveness. To address this deficiency, a revised EDM model is proposed that consolidates and attempts to bridge together the varying and sometimes directly conflicting propositions and perspectives that have been advanced. To do so, the paper is organized as follows.

Ethical Decision-Making Theory: An Integrated Approach ...

Rather, this is only a recommendation for the specific question at hand. Whether his wife should continue in the role as his proxy, though, is a separate question. For this particular decision an argument could be made to partially honor Mr. Thompson's wishes.
