Decisive: How to Make Better Choices in Life and Work ...

Overconfidence can easily make your judgment go awry. 1 Studies consistently show people tend to overestimate their performance as well as the accuracy of their knowledge. Perhaps you are 90% sure you know where the office is that you're visiting. Or maybe you're 80% certain you can convince your boss to give you a promotion.

In Decisive, Chip Heath and Dan Heath, the bestselling authors of Made to Stick and Switch, tackle the thorny problem of how to overcome our natural biases and irrational thinking to make better decisions. The four principles that can help us to overcome our brains' natural biases to make better, more informed decisions -- in our lives, careers, families and organizations.

Outline the issue. Before you can make a good decision, you need to clearly outline the issues. This will help you focus on the decision you are making and not be distracted by unrelated things. It may help if you write down a simple sentence or two that says "The decision I need to make is..."

Decisive: How to Make Better Choices in Life and Work Summary

The first thing to do when looking to become a better decision maker is to widen your options. If you are tasked with making a decision, it is important to think about all of the possibilities, rather than be closed minded. When looking to make a decision, people should consider more than one option, and adopt a "this and that"

mindset.

Shauna Shapiro The way that mindfulness helps in decision-making is that it allows for this kind of process of personal inquiry, as opposed to a purely top-down hierarchical and moralistic process of being told what is right and what is wrong. It teaches people how to listen deeply and stay connected with their values and then gives them this kind of courage and these attitudes of kindness and compassion to make choices that are aligned with that, even when they're difficult.
