A Kirkus Best of Science Fiction and Fantasy pick for 2019! A Library Journal Best Book of 2019! An NPR Favorite Book of 2019! "Everything epic fantasy should be: rich, cruel, gorgeous, brilliant, enthralling and deeply, deeply satisfying. I loved it."—Lev Grossman, author of *The Magicians* When destiny calls, there's no fighting back. Kihrin grew up in the slums of Quur, a thief and a minstrel's son raised on tales of long-lost princes and magnificent quests. When he is claimed against his will as the missing son of a treasonous prince, Kihrin finds himself at the mercy of his new family's ruthless power plays and political ambitions. Practically a prisoner, Kihrin discovers that being a long-lost prince is nothing like what the storybooks promised. The storybooks have lied about a lot of other things, too: dragons, demons, gods, prophecies, and how the hero always wins. Then again, maybe he isn't the hero after all. For Kihrin is not destined to save the world. He's destined to destroy it. Jenn Lyons begins the Chorus of Dragons series with *The Ruin of Kings*, an epic fantasy novel about a

man who discovers his fate is tied to the future of an empire. "It's impossible not to be impressed with the ambition of it all . . . a larger-than-life adventure story about thieves, wizards, assassins and kings to dwell in for a good long while."—*The New York Times* A Chorus of Dragons 1: *The Ruin of Kings* 2: *The Name of All Things* 3: *The Memory of Souls* 4: *The House of Always* Desperate times call for desperate magic . . . Magic rules the city of Creije Capital and Tavia Syn knows just how many tricks she needs up her sleeve to survive. But then, one day, with her freedom in sight, Tavia uncovers a sinister plot that threatens to destroy the realm she calls home. Desperate to put an end to her kingpin's plan, Tavia forms an unlikely alliance with three crooks even more deadly than her: Wesley, the kingpin's prodigy and most renewed criminal in the realm Karam, an underground fighter with a penchant for killing first and forgetting to ask questions And Saxony, a Crafter in hiding who will stop at nothing to avenge her family With the reluctant

saviours assembled, they embark on a quest to put an end to the dark magic before it's too late. But even if they can take down the kingpin and save the realm, the one thing they can't do is trust each other.

She doesn't just desire his body; she wants his heart and soul—but that's something the enigmatic demon can't promise her. When a high-ranking member of House Greed is assassinated, damning evidence somehow points to Vittoria as the murderer. Now, Emilia will do anything to get to the bottom of these accusations against the sister she thought she knew.
