Funding For Impact — Playing for Impact

By Roger Martin The opinions expressed are his own. Part one of this essay was published Thursday. This is part two. As the power of the scientific method has encroached further than its applicability warrants into fields such as economics and business, its predictions of the future become ever more erroneous.

BY ROGER MARTIN In 1975 the soul band War released a song that pleaded "Why can't we be friends?" for 47 of the song's total 61 lines. It became a Grammy Award nominee and a timeless cult classic from a tumultuous era. Over three decades later, it feels like the right theme song for designers and business executives.

Martin may either be a given name or surname.Martin is a common male given and family name in many languages and cultures. It comes from the Latin name Martinus, which is a late derived form of the name of the Roman god Mars, the protective godhead of the Latins, and therefore the god of war. The meaning is usually rendered in reference to the god as "of Mars", or "of war/warlike" ("martial").

Martin (name) - Wikipedia

These questions were popularised by North American strategy academic Roger Martin (2012). ... We have found that a two-part framework derived from the work of Harvard academics David Collis and Mike Rukstad (2008) and Michael Porter (1996) can be helpful.
