E1OM3B - LILLIANNA HOWARD

Andrew Belgrade, the Duke of Essex, has attempted for years to restore the Belgrade family name, after his mother ran off with the family butler ten years ago, and his father lost himself in drink and ladies of the theatre, before then dying of the former. To add to the scandal, five years ago Andrew's only sister, Elena, eloped with a man she had only known for a week. But at least she had chosen to remain in Scotland with her husband after the wedding, rather than bring that scandal back to London. As a result, Andrew holds himself aloof from all possibility of scandal. He does so by choosing his friends carefully and otherwise remaining aloof from Society and any romantic involvements. He is suitably saddened when he receives a letter from a Miss Catriona McGregor, informing him that his sister, and Miss McGregor's brother, have both been killed in a boating accident. He is shocked when Miss McGregor then adds that the custody of the couple's four-year-old son, Malcolm, now lies with him. Cat has no idea what to make of the aloof gentleman who arrives in Scotland claiming to be the brother of her now deceased sister-in-law, Elena. Oh Andrew Belgrade, the Duke of Essex is aristocratic enough to bear that title, but he is also cold and arrogant. To such a degree Cat resists relinquishing her nephew, Malcolm, into his guardianship. The last thing Cat expects is to feel attracted to this coldly distant gentleman. Or for him, albeit reluctantly, to return that attraction...

DERYK is the 2nd book in USA Today Bestselling and Amazon #1 author, Carole Mortimer, NEW paranormal series, DRAGON HEARTS. #Warriors, from the mists of time? #Dragons, of #myth and #legend? Or both? If Deryk doesn't find his mate soon, he will become pure dragon, and once he's done that, his brothers will have no choice but to hunt him down and destroy him. Arrogant, rude, and abrasive, Deryk is the original bad boy. Which is why he finds it highly amusing when his eldest brother asks him to go in his stead on a visit of diplomacy with the Romanov dragons in Russia. The moment Izabella Mikhailova's unique scent hits Deryk's senses, literally bringing him to his knees, he knows he's finally found the one woman meant only for him. Now all he has to do is convince Izabella she's his mate. All? This is one stubborn woman, and even more frustrating, she's human. Izzi's family has been the public face of the Romanov family for centuries. They are caretakers of the Mikhailov Palace, human servants to the Romanovs. Izzi grew up knowing and accepting that dragons exist. She's also aware they are the most arrogant creatures on earth, with an iron will that is not to be trusted. Which is why she knows to stay well away from Deryk Pendragon. Unfortunately, everything she's ever thought about dragons is confirmed when Deryk's actions trap her in the mating fever. She'll never forgive him for his cunning and deceit. Or will she? When dragon hunters endanger Deryk's life, Izzi knows she will do anything, anything at all, to ensure they don't succeed in hunting him down and killing him.

Midnight Alpha (ALPHA 4) is the 4th book in Amazon #1 and USA Today International Bestselling author Carole Mortimer's ALPHA series. Sizzling contemporary romance with an added dash of danger. Gregori Markovic recently became the head of the Russian family that rules London's criminal underworld. Aged in his mid-thirties some considered him too young for the position. Not anymore, he has already been tried and tested, and more than proved himself worthy. Gaia Miller is looking for the man responsible for the death of her sister, and she doesn't mind putting herself in danger if it means finding that man. Going to work at Utopia, one of the exclusive nightclubs and casinos owned by Gregori Markovic, gives her the perfect opportunity to find him and ensure that he pays for his crime. Even if that man should turn out to be Gregori Markovic himself. Cold and remote, Gregori finds the ice he keeps about his emotions begin to melt from his very first momentous meeting with Gaia Miller, as he is drawn to her warmth and passion in a way he never has been with any other woman. Suspicious of Gregori Markovic's involve-

ment in her sister's death, Gaia hadn't expected him to be quite as devastatingly handsome or so powerfully imposing. As different as night and day, and with so many secrets standing between them, the two nevertheless can't seem to stay away from each other, or to resist every opportunity to explore the depths of that attraction. Wherever that passion might take them. But Gregori has already made enemies, one powerful enemy in particular. A man who will stop at nothing to make Gregori suffer in the same way he's suffered, by taking someone from him that he cares about. He sees Gregori's deepening involvement with Gaia Miller as the perfect way to exact that revenge. Benedict's Challenge (Regency Club Venus 3) is the 3rd book in Amazon #1 & USA Today Bestselling Author, Carole Mortimer's, hot new historical romance series, Regency Club Venus. Lord Benedict Winter knows what those in Society think of him. Of their disapproval of his having studied and become a physician. They are even more shocked that he uses his skill, not just to treat the poor but also to care for the ladies of Club Venus, a house of ill-repute owned by one of his closest friends. Not disapproving enough to ban him from entering their homes of course, because he is, after all, one of the wealthiest gentleman in England. Having shunned all attempts to entice him into the Marriage Mart, many in Society also believe Benedict to be a cold and arrogant man, with no emotion to give. His close friends know better. As they also know of the secret he has kept for so long... In the circumstances, the very last thing Benedict needs or wants is to meet and instantly be attracted to Chloe, a young woman he discovers residing in another man's home. Chloe has lost everyone dear to her. Her parents. The brother she adored. All gone. And in their place she now lives in the home of a man who despises her and takes every opportunity to make those feelings known to her. Lord Benedict Winter sweeps in like a breath of fresh air into the stultifying life Chloe is now forced to lead. But he blows hot and cold, one moment making his desire for her known and the next putting her at arms' length and insisting he is not the man for her to build her dreams upon. But dreams, Chloe quickly discovers, have a will and determination of their own.

LOGAN (Steele Protectors 1) is the 1st book in USA Today and Amazon #1 Bestselling Author, Carole Mortimer's, BRAND NEW Contemporary Romantic Suspense series. Author's Note: Beware of

the very sexy & very alpha Steele brothers. These books are HOT! LOGAN Steele is having a bad day. Well...after being shot, and almost dying, he's having a bad month. Being forced to recuperate by manning the offices at Steele Protectors, the family security company, is not improving his already short temper. Which might be one explanation as to why Logan, after having a particularly difficult weekend, is so rude to the beautiful August Harvey when she is shown into his office one wet Monday afternoon. The other reason could be that Logan is just naturally rude and impatient. Nor is his mood improved by what August Harvey has to tell him. August had thought she was doing the right thing by coming to see one of the Steele brothers when her friend Jenna disappears. But after only two minutes in the company of Logan Steele, August is seriously rethinking that decision. Logan might be one of the most dangerous and handsome men she has ever seen, and hotter than hell, but he's also arrogant, rude, and just all-round impossible. But there's no denying that Jenna is missing, and the Steele brothers are the ones that need to find her. Being treated as if she might have had something to do with Jenna's disappearances is the last thing August expected. Until it's revealed that she does...

DYLAN is the 4th book in USA Today Bestselling and Amazon #1 Bestselling Indie Author, Carole Mortimer's, paranormal series, DRAGON HEARTS. Author's Note: Beware of very sexy alpha dragon shifters on the hunt for their fates mates! Waking up in a curtained cubicle in a human hospital wasn't the worst experience Dylan had ever had in his centuries-long existence, but it was certainly not something he would ever have expected to happen. As a dragon shifter, human ailments didn't bother him, and if he was ever injured then transforming into his dragon would heal him. Besides, he and his brothers had always avoided human hospitals because the doctors there had a habit of carrying out tests and asking for X-rays that would clearly tell them the Pendragon brothers weren't human. Opening his eyes to find his fated mate bending over him, his human fated mate, was even more of a shock. Yes, three of his brothers had found their fated mates in the past year, and they had all been human, but Dylan had never thought it would happen to him too. Holly Barnes wasn't only human, the name tag attached to her white coat said she was also a doctor. And the singular most beautiful woman Dylan had ever seen, with her glossy auburn hair, dark green eyes, and voluptuous body. A & E doctor, Holly Wilson, didn't know what to make of her newest patient. Apart from the fact he was the most gorgeous and sexy man she had ever set eyes on. He was also extremely tall, over six and a half feet of dark and dangerous bad boy, if her assessment was correct. But she hadn't been able to find any visible injuries on him when she examined that ripped and toned body, no head injury or anything else to explain why he had been unconscious when he was brought in to A&E. He looked perfectly normal to her, almost as if he was sleeping, rather than injured. Having him suddenly raise his eyelids and look at her with glittering blue eyes, that didn't appear fevered or pained, but gazed up at her as if she was Christmas, birthdays, and every other holiday celebration combined, was more than a little unnerving. Even more so was having his fingers curl like steel bands about her wrist and have him call her his fated mate. Holly had enough problems in her life right now without some crazy man telling her she now belonged to him. Even if he did look like a Greek or Roman god and made her knees go weak. Until Dylan knew what had happened to put him in the human hospital in the first place, he knows he shouldn't even think about claiming Holly as his mate. Staying away from his fated mate altogether proves impossible, but is Dylan putting Holly's life in danger by continuing to seek her out at every opportunity?

SURRENDER (Regency Lovers 5) is the 5th book in Amazon #1 & USA Today Bestselling Author, Carole Mortimer's, historical romance series, Regency Lovers. Author's note: This book is a #MayDecember steaming HOT Regency romance A month after being kidnapped, rescued, and returned to her family, eighteen-year-old Miss Clara Catchpole is still recovering from her terrifying ordeal. No longer the young and frivolous Miss she once was, there is now only one person Clara wishes to

see and be with, and that is Lord Ezra Stone, her rescuer and a man twenty years her senior. Unfortunately, for Clara, that gentleman's company proves to be as elusive as he is taciturn. Ezra is aware of Miss Clara Catchpole in a way he has not been with any other woman, but his age and the events of his past make it impossible for him to pursue her, even when he knows he is hurting Clara with his seeming disinterest. She is young, he decides, and will recover from what can only be her infatuation with him. He is able to maintain that distance between them until those events from his past once again intrude on the quiet life he has made for himself. Faced with the dilemma of ensuring Clara's safety or protecting his own heart, Ezra knows there is only one choice he can make. Keeping Clara safe is all that matters to him. Will these two mismatched people find happiness together or will Ezra's past tear them apart?

Single, charming, sophisticated and wealthy, Rourke Steele has zero interest in falling in love or having a relationship. He'd decided that long before the young and beautiful Sophie Hammond walked into his life three years ago. He has the perfect life, working for the security company owned by all six of the Steele brothers, and dating and bedding as many beautiful women as he wants. Why ruin that by settling for one woman? What does it matter if every time he sees Sophie Hammond he wants to drag her off to his bed and do wicked things to that delectable body? It just means he's a normal red-blooded man, right? Wrong. Because when Sophie is attacked at a wedding they are both attending Rourke doesn't hesitate to step in and defend her. To hell with his usual charm and sophistication, Sophie is his, damn it. His! Falling instantly and irrevocably in love with one of her six bosses probably wasn't the wisest thing Sophie had ever done. It wasn't the worst thing she had ever done either. No, that prize went to trying to sort out her father's mess without alerting any of the Steele brothers, but most especially Rourke, to what was going on. Something that is no longer an option when she's attacked while attending the wedding of Logan Steele, Rourke's twin brother, and Rourke is the one who comes to her rescue. Grateful as she is for that intervention Sophie has no intention of allowing Rourke to just step in and try to take over her life. Never mind that his kisses make her head spin and her knees weak. She's a big girl and can take care of her own mess, thank you very much. Fireworks will ignite the sky and inanimate objects fly before these two stubborn people admit to their feelings for each other. Author's Note: Beware of the very sexy & very alpha Steele brothers. These books are HOT!

Bryn is the 3rd book in USA Today Bestselling and Amazon #1 author, Carole Mortimer's, NEW paranormal series, DRAGON HEARTS. Author's Note: Beware of very sexy alpha dragon shifters on the hunt for their fates mates! To say Bryn is reluctant when his sister-in-law, Chloe, asks him to act as bodyguard to her friend, is an understatement. As a fifteen-hundred-year-old dragon shifter, very close to becoming feral, he prefers to stay as far away from humans as possible. But none of the Pendragon brothers can resist Chloe when she looks at them with those big blue eyes. Including Bryn. Tegan doesn't know what to make of the taciturn grouch her friend Chloe has asked to accompany her to New York as her bodyguard. Yes, Tegan's ex-boyfriend is being a creepy stalker, and she appreciates Chloe's concern. But that doesn't change the fact Chloe's brother-in-law, Bryn, is rude, arrogant, and totally overbearing. He's also hot as hell, and just being around him makes Tegan's panties wet! Bryn can't seem to resist her either, and it isn't long before the passion between the two of them blazes hot and strong. Even so, Tegan senses he's hiding something, she just has no idea what that something is. Can Bryn keep Tegan safe from her ex-boyfriend? More importantly, should Tegan really allow herself to fall in love with Bryn, a man so intensely sexual neither she nor her heart have any defences against him?

Author's Note: Beware of the very sexy & very alpha Steele brothers. These books are HOT! Eight years ago Rachel Ford was put into the Witness Protection programme after her parents were killed and her sister later died in a car crash. Her name isn't her own. England isn't her birthplace. The only people she has in her life even remotely close to calling family is the couple, friends of her mother, who fostered her until she was eighteen. At least, that's what Rachel has always believed... When Lucan Steele is tasked with protecting Rachel Ford, an art historian working in a London museum, he decides the best way to do that is to take her to a safe house until the danger has passed. Instead she's beautiful, fiery and sensual, and exactly the sort of unpredictable woman Lucan doesn't need in his life after his years in the military left him scarred, both inside and out. So much so that Lucan doesn't believe any woman could ever accept the things he did in his past. But as Lucan quickly discovers, Rachel isn't like other women, and the heated attraction between the two of them becomes too in-

That seems straightforward enough, it's what Dair does, after all. Only trouble is, Dair hasn't seen Kat for years, and his affectionate memories of her as a coltish fifteen-year-old in no way prepare him for the beautiful woman Kat has become. Kat has given up hope of being rescued from the hell in which she's been incarcerated for weeks. The arrival of Dair Grayson changes all that. The Russian Dragon series you've all been asking for! VLADIMIR (Russian Dragon Heat 1) is the first book in the much requested Russian Dragon Heat series. It has passion and excitement, with visits from several characters from my previous dragon shifter series, Dragon Hearts. At a thousand years old, Vladimir is the eldest of the seven remaining dragon-shifter Romanov brothers. Having lived all those years with the hope of one day meeting his fated mate, he can't believe it when he realises his mate is the female dragon hunter who tried to kill his brother, Vaughn. Not only can't Vladimir believe it, he fights against accepting it. Tanya holds all of the Romanov brothers responsible, not only for the deaths of her parents ten years ago, but because she and her brother were afterwards sent to one of the notorious Russian orphanages to survive as best they could. After months and years of planning, Tanya is devastated when her attempt to kill one of the fierce Ro-

manov dragon-shifter brothers is unsuccessful. Instead, she once again finds herself incarcerated against her will, this time at the Romanovs' winter palace, as she waits to learn her fate. Tanya knows nothing of a dragon-shifter's fated mate, but she certainly has no intention of ever becoming that to the arrogant and cold Vladimir Romanov.

That all changes the moment he meets Billie Rider and recognises her as his fated mate. Except his beautiful mate has been sentenced to die, for having attempted to kill Gayle, his brother Grigor's fated mate, and stealing from the Russian bratva. Both under instruction from the Romanian mafia, who are also now anxious to eliminate her. Cristina doesn't know who she can trust when she finds herself alone and unprotected in London after her father's disappearance. She doesn't accept the help of Aeran and Rhys Pendragon when they suddenly appear in her life. Unfortunately she doesn't have any choice but to accept Aeran and Rhys's protection after an attempt is made on her life. Finding herself suddenly alone with these two handsome and totally different men, Cristina quickly realizes she's attracted to both of them. DRAGON REUNION is the 8th and last book in USA Today and Amazon #1 Bestselling Author, Carole Mortimer's, paranormal dragon shifter series, DRAGON HEARTS. When billionaire Maddox Wilder's helicopter develops engine problems it forces the pilot to make an emergency landing in North Wales. With a heavy layer of snow on the ground, and a temperature approaching zero, Maddox seeks shelter in the local inn after his pilot volunteers to wait for the arrival of an engineer needed to make the necessary repairs. But Maddox doesn't remain at the inn for long, somehow feeling himself drawn toward Pendragon Castle perched high up on a nearby snow-covered mountain. Which is odd in itself, because the castle isn't shown in any of the maps for the area Maddox brings up on line. But the innkeeper assures him that Pendragon Castle exists and has been the property of the Pendragon family for centuries. Within minutes Maddox finds himself standing at the bottom of that mountain, staring up at the medieval fortress, unable to resist that almost magnetic pull drawing him closer and closer. Carys Evans is acting as temporary housekeeper for the

Pendragon family while her mother recovers from having an operation and Carys can find a full-time job of her own. It's as well the job at the castle is only temporary because Carys is a disaster at it. She's too young, too trusting, too outgoing, too everything for the very private Pendragon family. When the very tall, very dark, and extremely handsome Maddox Wilder comes calling Carys is instantly aware of the fierce and immediate attraction burning between the two of them, her whole body suddenly feeling alive and responsive in a way it never has before. The Pendragon brothers are less impressed with their visitor but refuse to allow Maddox Wilder to leave until he has explained exactly what he's doing visiting their castle. There is no way Maddox is going to confide in the arrogant Pendragon brothers that the 'voice in his head' told him to come here. Just as that same voice is now telling him that Carys Evans is the woman he has waited his whole life to meet and that she belongs to him. Maddox quickly realizes the Pendragon brothers are hiding a secret that is even more shocking than his own. A secret that totally rocks Maddox's world and draws him relentlessly toward the truth of who and what he really is.

Nathaniel is the 1st book in USA Today Bestselling and Amazon #1 author, Carole Mortimer's, NEW paranormal series, DRAGON HEARTS. Warriors, from the mists of time? Dragons, of myth and legend? Or both? Taking a much-needed holiday in North Wales, journalist Chloe Evans discovers a castle not listed on any of the dozen or so maps she has of the area. The nearest thing she can find is the remains of a castle that used to be there but crumbled into ruin many centuries before. Her curiosity getting the better of her, Chloe decides to find out more about this imposing grey stone castle and anyone who might live there. The locals, she discovers, call it Pendragon Castle. When Chloe asks them more probing questions some say there are half a dozen male members of the original family still in residence, and that they're brothers. Others claim there to be more, or less, than that number. But all, without fail, describe those men as being big and muscular, more handsome than any man has a right to be, with eyes capable of mesmerizing and seducing any woman who falls under their spell. Some of those people add a knowing wink, others a warning not to venture too near the castle, and to certainly keep her distance from the men living there. Visitors staying at the same small hotel as Chloe talk of seeing bright lights and helicopters landing on the mountain late at night, and of hearing strange noises that sound like the roars of wild animals. There was a story here, Chloe is certain of it. Whatever the story is regarding Pendragon Castle and the men who lived there, Chloe decides she isn't leaving Wales until she's discovered exactly what's going on. While exploring the area around the castle, Chloe is challenged by the dark and taciturn Nathaniel. A man who fits the description of the castle's inhabitants exactly: well over six feet tall, handsome as sin, with shoulders wide enough to fill a doorway, and eyes the colour of the clearest emerald. The moment she gazes into those mesmerizing green eyes Chloe realises she should have run while she still could.

He believes travelling to Suffolk with James to be the perfect diversion from his own ennui. But he's even more concerned once he realises exactly who she is. Because Sinclair has been keeping a secret from his family since his wife was kidnapped and murdered five years ago, and this young woman could destroy everything he's put in place to protect that secret. Remy Mitchell hasn't seen Sinclair

Kingston since the day of his wife's funeral. She's shocked at the obvious changes in him. He no longer looks like the vibrant dark-haired man with the laughing blue eyes she remembers. Instead, Sinclair's hair is now as much salt as pepper, his eyes are as cold as ice, and his expression is hard and uncompromising. Which makes Remy question whether he's the right person to ask for help or if she should walk away now. Sinclair's cold and compelling gaze tells her it's far too late for that. He wants answers from her, and he wants them now.

The only thing that will stop Grigor's last and fatal shift is meeting and claiming his fated mate, the one woman meant just for him. Gayle Wilson is independent and outspoken, a computer geek, and she has no idea her sister, Holly, is now the mate of a dragon shifter, or that Dylan's seven brothers are also dragon shifters. What she does know is that she's being kept a virtual prisoner at Pendragon Castle, the family's home in North Wales, until her sister comes back from her trip away with Dylan. Gayle isn't at all impressed when Grigor, the eldest Pendragon brother, announces she belongs to him now, and then expects her to do exactly what he tells her to do. The first opportunity she gets she's getting out of there and going back to London, and to hell with the whole of the Pendragon family. But when danger starts stalking her, Grigor is the only one she can turn to for help.

Having previously been the most laid-back of the Romanov brothers the attack has changed him. He's no longer the easy-going charmer he used to be but has become introspective and taciturn. It's this newfound impatience which makes Vaughn reluctant to travel to London to act as bodyguard to one of Russia's principal ballet dancers. Who does Lily go to for help when a fan's admiration turns to a dangerous obsession? Her four older brothers are the obvious choice, especially when they own and run Knight Security. But Lily has fought long and hard for her independence from her family, and for her career as an actress. But as the fan's obsession becomes darker, the "gifts" more bizarre, Lily knows she has no choice. The last thing Jonas Grayfeather wants is to accept a job protecting the spoilt sister of the Knight brothers. But Gabriel, the eldest brother, and the man who once saved Jonas's life, is calling in that favor, and so leaving Jonas with no choice but to at least check into whether or not Lily Knight really is being stalked. A single meeting with Lily, and Jonas knows she's going to be even more of a pain in his ass than any of her four overbearing brothers has ever been. She's outspoken, annoying, and so stubborn Jonas's first instinct is to put her over his knee, and give her the spanking she obviously should have received as a child. She's also wild and beautiful, sexy as hell, and arouses him with just a glance of those sexy green eyes.

Whether they like it or not, the attraction is mutual, and the desire quickly blazes out of control between the two of them. But Lily's reckless disregard for Jonas's efforts to protect her, may result in one or both of them ending up dead. If they don't kill each other with passion first. But that warning is a temptation in itself for someone who has always lived by the rules. Ultimately, it proves to be a danger Grace can't resist. But no one crosses Luca Brunelli and lives. Not even Matteo Zalotti. KINGSTON'S CAPTIVE (Kingston Security 2) is the second book in USA Today and Amazon International #1 Bestselling Author, Carole Mortimer's, Contemporary Romantic Suspense series. Adam is learning the hard way that having feelings for a certain woman doesn't necessarily mean she's ever going to return those feelings. Especially if that woman is the beautiful but stubbornly infuriating Cara Ferrari-Smythe. But Adam is only too happy to ignore Cara's objections to having his presence in her life when he knows she's once again in danger. When Cara first saw the dark and brooding Adam Kingston again a year ago, at an art exhibition where some of her paintings were being shown, it had felt as if she had been waiting forever for him to come back into her life. That Adam didn't feel the same way about her became obvious, when he didn't so much as speak one word to her that night before leaving, let alone acknowledge the two of them had ever met before. Then a week later Cara saw him again, walking past her London home. And again a few days later, outside

a restaurant, where she was having lunch with friends. She saw him again, and again, until Cara knew the 'coincidence' of them suddenly being in the same place at the same time wasn't coincidence at all but was being deliberately engineered by Adam Kingston. Why he was doing it, Cara still had no idea. Asking him for help when it seems she's once again in danger is definitely not on her list of things to do. Adam doesn't agree, and Cara soon discovers he's one very stubborn and determined man.
