In the book LeDuff discusses the present state of Detroit and its economic, social, crime, and political issues.

Detroit: An American Autopsy is an unbelievable story of a hard town in a

rough time filled with some of the strangest and strongest people our country has to offer.

In *Detroit: An American Autopsy*, Charlie LeDuff presents a street-level view of Detroit. The book is less a history of the causes of Detroit's decline than it is an anecdotal look at what the decline means for
