Diary of a Very Bad Year Quotes Showing 1-1 of 1 "HFM: Well, what does it mean to have an enormous mound of cash sitting around? Diary of a Very Bad Year Well, I wasn't expecting this to be a topical book when I picked it up in February, but here we are. This is a series of interviews with a hedge fund manager about the financial crisis -- so it's partly a readable and contemporaneous-ish history of the financial crisis, partly an introduction to the actual differences between parties in the sometimes monolithic world of "finance", and partly a rather entertaining lesson in how a hedge fund manager looks at the world.
