## XJ9IL9 - BURCH SEMAJ

---

You CAN dictate your book to empower your writing. Voice recognition software is better than ever and you can leverage it to make your thoughts tangible. Speech recognition software is not magic, even though it seems that way sometimes. Voice writing offers the creative quality and speed you have dreamed about. TAKE A LOOK - FREE LESSON.

You can dictate most numbers and punctuation by saying the number or punctuation character. To dictate letters and symbols, say "start spelling." Then say the symbol or letter, or use the ICAO phonetic alphabet. To dictate an uppercase letter, say "uppercase" before the letter. For example, "uppercase A" or "uppercase alpha."

If your dictation is wordy or disorganized, you will spend more time than usual editing your writing. Because speaking and keyboarding involve different neural pathways, and may engage different areas of the brain, your writing and speaking styles may differ.

Dictation software has improved. It eases the strain on your wrists. You can get words down faster than with typing. It can se-

parate writing from editing, which can do wonders for procrastination and writer's block. It gets you away from your desk, and out for a walk if you have a dictation set-up to support that.

### Dictation Dictate Your Writing Write

Sounds a little crazy when you say it out loud. However, this is easier to accomplish than you'd think. Especially when using dictation for all your writing. Dictation has the power to transform your life whether you're writing a novel, short story, blog post, or paper. Whatever the outlet, dictation can help you increase your productivity levels.

That subject is dictation. Using dictation to write either part or all of your books. Today's guest, Scott Baker is the author of The Writer's Guide to Training Your Dragon: Using Speech Recognition Software to Dictate Your Book and Supercharge Your Writing Workflow. He's also written dozens of other books under various pen names and spent most of the last decade working as a freelance writer for different publications in the UK.
