Epic adventures, sexy ladies, and awesome Dinosaurs! Nate is the hardworking CEO of SouthernCool, an AC company in Florida. After years of toiling to get rich, he finally takes a well-deserved vacation to Australia. A chance encounter ties him to a gorgeous gal named Senna. Right as things between the two are heating up on the Great Barrier Reef, pesky aliens intervene. Humanity is doomed, they tell him, destined to become extinct in the not-too-distant future. Nate and Senna are forced to compete for a spot on a human preserve. The competition turns out to be similar to a Real Time Strategy (RTS) 4x game. That means, in order to score points, you have to eXpand your empire, eXterminate your foes, and eXplore & eXploit your environment. Warning: contains nontraditional relationships, adult interactions that would steam up the windows of an old pickup truck, and violent action. 18+ recommended. Note: This book includes interior art by FIFTEAN - images are SFW and PG13.

ROOOAARRR! Harry and his dinosaur friends are enjoying a very noisy game pretending to be jungle animals. But when they explore the Dino World Jungle, they meet something even LOUDER than them . . .

A collection of original dinosaur stories by such authors as Gene Wolfe, Melanie Rawn, Jennifer Roberson, Kristine Kathryn Rusch, Michelle West, Jane Yolen, and Mike Resnick includes an explanation of what really happened to the dinosaurs. Original.

On Earth the dinosaurs died out 70 million years ago. On Ireta they rule in all their bizarre splendour. The expedition sent to explore becomes trapped in its toils. What is worse is that half the

personnel revert to type, becoming predatory carnivores, systematically hunting down their colleagues.

Control dinosaurs. Tame women. Rule the world. Victor and his tribe of beautiful women prepare to leave their fort and journey to their new base, but as usual with Dinosaurland, things never go according to plan. Now Victor must protect all of his tribe without the aid of walls, and an old enemy gathers an army to give chase. Victor will have to use every power at his disposal to protect his women, and the journey will uncover new secrets of this strange world.

Bobby wakes up in the middle of the night to see an enormous dinosaur sneaking past his window. He goes out into the night and finds lots of dinosaurs playing in the city square. At first they threaten Bobby, then they all end up playing hide and seek. Brimming with details of a world before our time, Age of Dinosaurs is the perfect book for anyone interested in the evolution of dinosaurs over millions of years. Beautiful illustrations transport readers to the distant past and show what these creatures may have been like all those millennia ago.

When Jamie moves to Dinosaur Cove with his father he's looking forward to doing some fossil hunting on the beach. But when he and his friend, Tom, discover a forgotten cave with fossilised dinosaur footprints, it takes them to another world . . . a world of dinosaurs. In this secret place the boys meet a small, friendly Wannanosaurus, who leads them further into the prehistoric landscape, past mysterious fungi and strange fruits (which smell like sick!). But when the ground starts to shudder and the Wannanosaurus runs off at lightning speed, the boys know they're in serious danger. The Tyrannosaurus Rex has spotted them and he's coming their way . . . Can the boys outwit the T-Rex? Will they be able to find their way back to the cave? And can they make it to their own world before the tide comes in?

Out of print for more than ten years, this volume of more than 25 stories of the most terrifying and fascinating creatures to ever inhabit the earth includes tales from such gifted writers as Mercedes Lackey, David Gerrold, Robert Sheckley, and Katherine Kerr.

Victor Milan's *The Dinosaur Princess* is a thrilling epic fantasy adventure set in an alternative world of intrigue, beauty, brutality...and dinosaurs. WELCOME TO PARADISE: A primordial world with every species of dinosaur, large and small. And humans, who were brought to this world on the whim of the gods. Knights ride into battle on Triceratops; their heroes lead them on T-Rexes. Karyl Bogomirskiy is one such hero. Once, he held power. Betrayed by those closest to him, he was resurrected by the Fae, magical beings native to the world, who seek to use him in their eternal battle against alien gods. Karyl just wants to be left in peace, reluctant to be anyone's tool, much less a savior. But the gods have returned to judge their human experiment and to finally rid the planet of the Fae. And while Karyl doesn't feel like a hero, he's humanity's last best hope. *The Dinosaur Princess* is the newest epic fantasy adventure set in a world where knights ride armored dinosaurs into battle, hailed by George R. R. Martin as "A cross between Jurassic Park and Game of Thrones." *The Dinosaur Lords Series #1 The Dinosaur Lords #2 The Dinosaur Knights #3 The Dinosaur Princess*

"Few are better at mixing elements of high fantasy and hard science fiction."—*The New York Times Book Review* The crew of ship-bred technicians sent to the planet Ireta were prepared for a routine mission to catalog flora and fauna and search for new energy sources. Kai and his beautiful co-leader, Varian, the best xenobvet in the business, followed all the standard procedures, but the result of their investigations was totally unexpected. When their rescue ship mysteriously disappears, they suddenly find themselves surrounded by giant swamp creatures, deadly predators, and terrifying dinosaurs. And a curious change begins to come over many of the crew members—a mutinous change that will lead all of them, in one way or another, into the primitive darkness of a future world that holds many mysteries yet to be revealed. . . .
