It also provides maintenance, repair, and safety advice, as well as tips on how to maximize energy efficiency.

Includes summaries of proceedings and addresses of annual meetings of various gas associations. L.C. set includes an index to these proceedings, 1884-1902, issued as a supplement to Progressive age, Feb. 15, 1910.

Contains specific recommendations for various household products and car repair records.

Planning; Techniques; Strategies; Issues.

From the author of Power from the Sun, the complete guide to switching to clean, affordable, renewable energy resources. Energy bills have skyrocketed in the United States, and traditional energy sources can be as damaging to the environment as they are to your pocketbook. The Homeowner's Guide to Renewable Energy will show you how to slash your home energy costs while dramatically reducing your carbon footprint. Completely revised and updated, this new edition describes the most practical and affordable methods for significantly improving in-home energy efficiency and tapping into clean, affordable, renewable energy resources. If implemented, these measures will save the average homeowner tens of thousands of dollars over the coming decades. Focusing on the latest technological advances in residential renewable energy, this guide examines each alternative energy option available including: · Solar hot water and solar hot air systems · Passive and active solar retrofits for heating and cooling · Electricity from so-

lar, wind, and microhydro · Hydrogen, fuel cells, methane digesters, and biodiesel This well-illustrated and accessible guide is an essential resource for those wanting to enter the renewable energy field. Packed with practical tips and guidelines, it gives readers sufficient knowledge to hire and communicate effectively with contractors and is a must-read for anyone interested in saving money and achieving en-

ergy independence. "If you're thinking about investing in a renewable energy system for your home . . . The Homeowner's Guide to Renewable Resources helps clarify the decision-making process . . . Dan guides you through everything you need to choose which renewable options to integrate into your lifestyle. A great addition to my bookshelf!" —Mick Sagrillo, Sagrillo Power & Light
