The Divided Mind: The Epidemic of Mindbody Disorders ...

The Divided Mind outlines the history of psychosomatic medicine, including Freud's crucial role and describes the psychology responsible for the broad range of psychosomatic illness. Arguing that knowledge and awareness of psychosomatic phenomena clearly have healing powers, Dr Sarno reveals how and why thousands of people have become pain-free simply by following his revolutionary advice.

The divided mind : the epidemic of mindbody disorders Sarno , John E. The book that will change the way we think about health and illness, The Divided Mind is the crowning achievement of Dr. John Sarno's distinguished career as a groundbreaking medical pioneer, going beyond pain to address the entire spectrum of psychosomatic (mindbody) disorders.

"The Divided Mind" traces the history of psychosomatic medicine, including Freud's crucial role, and describes the psychology responsible for the broad range of psychosomatic illness. The failure of medicine's practitioners to recognize and appropriately treat mindbody disorders has produced public health and economic problems of major proportions in the United States.
