### J090F0 - AMIR CLINTON

---

Late summer, 1940. Hitler has conquered France. Now he intends to cross the Channel and defeat Britain before winter arrives. A group of young refugees led by British spy Charles Henderson faces a stark choice. To head south into the safety of neutral Spain, or go north on a risky mission to sabotage the German invasion plans. For official purposes, these children do not exist.

Over the years, CHERUB has put plenty of criminals behind bars. Now, for the first time ever, they've got to break one out ... Under American law, kids convicted of serious crimes can be sentenced as adults. Two hundred and eighty of these child criminals live in the sunbaked desert prison of Arizona Max. In one of the most dangerous CHERUB missions ever, James Adams has to go undercover inside Arizona Max, befriend an inmate and then bust him out. CHERUB kids are trained professionals, working in everyday situations. Their essential advantage: adults never suspect that children are spying on them. For official purposes, these children do not exist.

Would she ever find a real-life husband? Would she even find a partner to dance with at tonight's ball? She just didn't know. Anna Austen has always been told she must marry rich. Her future depends upon it. While her dear cousin Fanny has a little more choice, she too is under pressure to find a suitor. But how can either girl know what she wants? Is finding love even an option? The only person who seems to have answers is their Aunt Jane. She has never married. In fact, she's perfectly happy, so surely being single can't be such a bad thing? The time will come for each of the Austen girls to become the heroines of their own stories. Will they follow in Jane's footsteps? In this witty, sparkling novel of choices, popular historian LUCY WORSLEY brings alive the delightful life of Jane Austen as you've never seen it before.

When an M15 operation goes wrong, James Adams needs to use all of his skills to get out of Russia alive, while his sister Lauren is on her first solo mission to uncover a brutal human trafficking operation.

CHERUB agents are all seventeen and under. They wear skate tees and hemp, and look like regular kids. But they're not. They are trained professionals who are sent out on missions to spy on terrorists and international drug dealers. CHERUB agents hack into computers, bug entire houses, and download crucial documents. It is a highly dangerous job. For their safety, these agents DO NOT EXIST. Leona is a small-time crook with big money. When the cops call in CHERUB, James's mission looks entirely routine: make nice with Leon's kids, dig up some leads, and infiltrate his home. But when James suddenly unravels a much larger plot, the mission becomes anything but ordinary. Unfortunately, the only person who might know the truth is a reclusive eighteen-year-old boy -- who happens to have died more than a year ago.

The fifteenth title in the number one bestselling CHERUB series! Ryan is about to board a plane, knowing that the next twenty-four hours will change everything. His mission is to stop the

biggest terrorist attack America's ever seen. Ryan works for CHERUB, a secret organisation with one key advantage: even a trained terrorist won't suspect that a teenager is spying on them. For official purposes, these children do not exist.

When James is recently orphaned, he is recruited by a secret agency for his math skills and must undergo one hundred days of grueling training.

The thirteenth title in the number one bestselling CHERUB series! Ryan is on his first mission, and it's as big as they get ... Twelve-year-old Ryan is CHERUB's newest recruit. He's got his first mission: infiltrating the billion-dollar Aramov criminal empire. But he's got no idea that this routine job will lead him into an explosive adventure involving drug smugglers, illegal immigrants and human trafficking, or that his first mission will turn into one of the biggest in CHERUB's history. For official purposes, these children do not exist.

Join Robin and Marion fighting for the desperate and destitute again in the fourth action-packed adventure from international bestseller Robert Muchamore. 'Strikes the bullseye.' - The Times Children's Book of the Week (Robin Hood: Hacking Heists & Flaming Arrows) As conditions in Sherwood Forest grow more precarious, time is running out for inhabitants of the abandoned shopping mall. With constant pressure on them from Sheriff Marjorie and gangster Guy Gisborne, Robin decides to engage his brother Little John as undercover spy. And John strikes gold when he discovers his mother's plan for the ailing Sherwood Castle resort. Robin and Marion join in an audacious plan to scupper their oppressors, but the the Sheriff has her response prepared - and it's ferocious. Have they bitten off more they can chew this time?

In this action-packed CHERUB novel, two siblings on separate special agent missions both end up in deadly danger. CHERUB agents are all seventeen and under. They wear skate tees and hemp, and look like regular kids. But they're not. They are trained professionals who are sent out on missions to spy on terrorists and international drug dealers. CHERUB agents hack into computers, bug entire houses, and download crucial documents. It is a highly dangerous job. For their safety, these agents DO NOT EXIST. James is the latest CHERUB recruit. He and his sister were recently orphaned, and James has been in a lot of trouble. But he is brilliant in math. And CHERUB needs him. After one hundred days, the grueling training period is over. But the adventure has just begun.

Robin and Marion are taking on the authorities again in the third action-packed adventure from international bestseller Robert Muchamore. 'Strikes the bullseye.' - The Times Children's Book of the Week (Robin Hood: Hacking Heists and Flaming Arrows) There's a price on Robin's head, one that has attracted a gang of ruthless mercenaries determined to track him down and hand him over to Guy Gisborne. So Robin is hiding out by the sea, but trouble has a way of finding him. Before long he is helping out rescuing refugees and trying to avoid the attentions of Customs and

Immigration officials. Then he and Marion discover a people-smuggling operation: desperate people brought into the country to work in slave-like conditions making cheap goods. It's only a matter of time before the two of them are trying to find out who is behind it - and Robin is again making the headlines with spectacular raids on the rich and powerful.

Teen special agents investigate a deadly plane crash in the ninth book of the CHERUB series, which Rick Riordan says has "plenty of action." CHERUB agents are highly trained, extremely talented—and all under the age of seventeen. For official purposes, these agents do not exist. They are sent out on missions to spy on terrorists, hack into crucial documents, and gather intel on global threats—all without gadgets or weapons. It is an extremely dangerous job, but these agents have one crucial advantage: Adults never suspect that teens are spying on them. In *The Sleepwalker*, a commercial plane explodes over the Atlantic Ocean leaving 345 people dead. Crash investigators suspect terrorism, but they aren't getting anywhere. But when a distressed twelve-year-old calls a police hotline and blames his father for the explosion, James Adams and his sister Lauren are assigned to befriend the boy to find out the shocking truth...

Terrifying. Romantic. Huge in scope. A story for our times. Harry and Charlie are teenagers whose lives are shaped by a society that's shifting around them. He is a lonely Brit in his first term at a Las Vegas high school. She is an unlikely friend, who gets accused of mixing a batch of explosives that blew up a football player. The two of them are drawn together at a time when gene editing technology is starting to explode. With a lab in the garage anyone can beat cancer, enhance their brain to pass exams, or tweak a few genes for that year-round tan and perfect beach body. But in the wrong hands, cheap gene editing is the most deadly weapon in history. Killer T is a synthetic virus with a ninety per-cent mortality rate, and the terrorists who created it want a billion dollars before they'll release a vaccine. Fast-paced, compelling and frighteningly close to reality, this is the first standalone novel from the internationally bestselling author of CHERUB.

They are trained professionals who are sent out on missions to spy on terrorists and international drug dealers. CHERUB agents hack into computers, bug entire houses, and download crucial documents. It is a highly dangerous job. For their safety, these agents DO NOT EXIST. When CHERUB uncovers a link between eco-terrorist group Help Earth and a wealthy religious cult known as The Survivors, James is sent to their isolated outback headquarters on an infiltration mission. It's a thousand kilometers to the closest town, and James is under massive pressure from the cult's brainwashing techniques. This time he's not just fighting terrorists.... He's got to battle for his own mind.

Ryan has saved Ethan's life more than once. Ethan thinks he must be a guardian angel. But Ryan works for CHERUB, a secret organisation with one key advantage: even experienced criminals never suspect that children are spying on them. Ethan's family runs a billion-dollar criminal empire and Ryan's job is to destroy it. Can Ryan complete his mission without destroying Ethan as well? For official purposes, these children do not exist.

Books 4, 5 and 6 in Robert Muchamore's bestselling CHERUB series. *The Killing* (Book 4): Leon is a small-time crook who's ridden his luck for three decades. When he starts splashing big money around, the cops are desperate to know where it came from. So they call in CHERUB. James Adams' latest mission looks routine, but the plot he begins to unravel isn't what anyone expected. And the only person who might know the truth is a reclusive eigh-

teen-year-old boy. There's just one problem. The boy fell to his death thirteen months earlier. *Divine Madness* (Book 5): When CHERUB uncovers a link between eco-terrorist group Help Earth and a wealthy religious cult known as The Survivors, James Adams is sent to Australia on an infiltration mission. It's his toughest job so far. The Survivors' outback headquarters are completely isolated, and the cult's brainwashing techniques mean James is under massive pressure to conform. This time he's not just fighting terrorists. He's got to battle to keep control of his own mind. *Man vs Beast* (Book 6): Every day thousands of animals die in laboratory experiments. Some say these experiments provide essential scientific knowledge, while others will do anything to prevent them. As CHERUB agents, James and Lauren Adams are stuck in the middle. Praise for the CHERUB series: 'Punchy, exciting, glamorous and, what's more, you'll completely wish it was true' - Sunday Express 'Crackling tension and high-octane drama' - Daily Mail 'A really good book that you could re-read over and over again' - Guardian 'Pacy writing, punchy dialogue and a gripping plot, it's got it all' - Daily Express 'Fast-moving action ... and cool gadgets!' - The Times Visit [cherubcampus.com](http://cherubcampus.com) - the essential internet destination, packed with exclusive content and with in-depth biographies of CHERUB characters, out-takes and bonus stories.

The second book in the sweeping epic fantasy series *Whispers of the Gods*, perfect for fans of the *Summoner* trilogy by Taran Matharu and *Shadow and Bone* by Leigh Bardugo *WHEN DESTINIES COLLIDE, WHO WILL EMERGE VICTORIOUS?* Lann is hunting monsters. It's his destiny as bearer of the Dreadblade. But Lann would rather hunt down Kelewulf, the young necromancer who released them into the world. Consumed by his aunt's death, he can think of nothing but revenge. Across a dark sea, Kelewulf is mastering magic. He has persuaded the High Priestess of Hasz to tutor him. But he's hiding a more dangerous goal: finding the heart of a god. With this terrible object in hand, he'll return darkness to the world forever ... Lann and Kelewulf know their fates are entwined. When they finally meet, what will prevail? Spells or steel? Vengeance or mercy? Only the gods can guess.

This action-packed debut thriller introduces genetically engineered superkid, Jimmy Coates. Jimmy has just found out he's no ordinary kid, but the secret police are after him and he doesn't know why.

A town. A forest. A hero. You can't go far without a quick brain and some rule-bending in a place like Locksley. After its vast car plants shut down, the prosperous town has become a wasteland of empty homes, toxic land and families on the brink. And it doesn't help that the authorities are in the clutches of profit-obsessed Sheriff of Nottingham, in cahoots with underworld boss Guy Gisborne. When his dad is framed for a robbery, Robin and his brother Little John are hounded out of Locksley and must learn to survive in the Sherwood forest, stretching three hundred kilometres and sheltering the free spirits and outlaws. But Robin is determined to do more than survive. Small, fast and deadly with a bow, he hatches a plan to join forces with Marion Maid, harness his inimitable tech skills and strike a blow against Gisborne and the Sheriff.
