This book connects you with Heaven's help to fill in the gaps of manifestation teaching. We all think we know what we want, but we don't know that what we want will actually bring us happiness. This book encourages us to step back from whatever it is we are dreaming about, recheck our priorities, work on potential karmic and past-life blocks we may not have known about, and then move forward with a more open mind that is less prone to attracting disappointment. Once you take more responsibility for your thoughts and energy/emotions, you'll be able to fine-tune your life and use your God-given power of manifestation to attract benefits rather than obstacles. You'll learn how to:

- Work with Divine Timing and the Power of Prayer with Archangel Sandalphon
- Frame Your Desires through Visualization and Affirmations with Archangel Gabriel
- Harness the Power of Your Inner Passion with Archangel Nathaniel
- Clear Your Fears of Happiness with Archangel Michael
- Release Karmic Attachments and Cut Past-Life Cords with Archangel Raziel
- Heal from Past Pain with Archangel Raphael

Messages from Your Angels is a sequel to the bestselling Angel Therapy, 75,000 sold! This is a channeled book that contains uplifting and fresh information from the angelic realm. The angels, including Archangel Michael, provide healing messages that help readers to heal from emotional pain, find their life's purpose, understand their love life, and make decisions about important life areas. Doreen receives many letters from people who find Angel Therapy a steady source of comfort and guidance. Many people keep Angel Therapy next to their bed, and open it randomly, like an oracle. Messages from Your Angels will offer new levels of comfort, inspiration, and guidance, and will function as a divination tool as well.

On history of communication

This 44-card deck offers comforting and uplifting messages, to set a positive and healing tone for the day. It also functions

as a divination tool, as you can ask a question and find the message that gives you guidance and answers. This work is designed to help you stay centered in peacefulness throughout the day, and to remember that your angels are always beside you, ready to help you with every area of your life.

SOLOMON'S ANGELS King Solomon knew how to harness universal energies to build his temple, tap into wisdom, and enjoy all of life's riches. The only thing he was missing was true love. Makeda, the Queen of Sheba, was young and filled with exuberant curiosity about the world. On her journey to meet King Solomon, Makeda learned about the Jinn elemental realm and how to work with the sun and moon's magical light, but she still wasn't sure how to take charge of her own life. In Solomon's Angels, Doreen Virtue's first novel - which is culturally accurate, based on thoroughly researched historical, biblical, and archaeological information - you'll see how Solomon and Makeda's meeting changed both of their lives forever. You'll peek over the Queen of Sheba's shoulder and discover the ancient secrets behind how Solomon's temple was built without hammers and saws, and the role that the archangels and sacred geometry played in manifestation and Divine magic. Solomon and Makeda's magically romantic story will inspire you in many ways ... long after you've finished reading it!

This provocative book undertakes a new and challenging reading of recent semiotic and structuralist theory, arguing that films, novels, and poems cannot be studied in isolation from their viewers and readers.

Awaken to your potential, connect with the callings your soul and light up the world with your presence. Your inner light is your soul and it is guiding you every moment of every day. Light Is the New Black is a guidebook for those who agreed to be here at this time in history to answer the call of their soul and work their light. This soulful, encouraging book will guide you to hear the callings of your soul, so you can

light up the world with your presence. Rebecca Campbell had her first awakening when she was a teenager, but without anyone to guide her, she ignored her soul's callings and dimmed her light in order to fit in. Then, just before her 30th birthday, the life she had so consciously created began to crumble around her. It was as if the Universe had turned off all the lights, so she had no choice but to rediscover her own. In this book, Rebecca shares her own journey, alongside practical tools to help you reconnect with the core of your being and channelled messages from the Universe. Once you rediscover what you already know at soul level, you can create a life that is in alignment, discover your soul gifts and offer the world something that only you can give.

The "Three Initiates" who authored The Kybalion chose to remain anonymous. As a result, a great deal of speculation has been made about who actually wrote the book. The most common proposal is that The Kybalion was authored by William Walker Atkinson (1862 -1932), either alone or with others, such as Paul Foster Case (1884 -1954) and Elias Gewurz . The Kybalion is based on the extensive research and study of the world-old Hermetic Teachings. The book has dedicated to everyone interested in Secret Doctrines. There has been so little written upon this subject, notwithstanding the countless references to the Teachings in the many works upon occultism, that the many earnest searchers after the Arcane Truths will doubtless welcome the appearance of this present volume. The purpose of this work is not the enunciation of any special philosophy or doctrine, but rather is to give to the students a statement of the Truth that will serve to reconcile the many bits of occult knowledge that they may have acquired, but which are apparently opposed to each other and which often serve to discourage and disgust the beginner in the study. Our intent is not to erect a new Temple of Knowledge, but rather to place in the hands of the student a Master-Key with which he may open the many

inner doors in the Temple of Mystery through the main portals he has already entered. (Three Initiates, The Kybalion)

An entertaining reference on English folklore features 1250 entries that shed new light on the colorful history behind the holidays, legends, superstitions, traditions, contemporary urban legends, and customs of England, discussing such topics as Mother Goose, Robin Hood, folk cures, wishbone wishes, festivals, and more.

A force of nature that calls all life into being, the Goddess is the divine feminine awakened to the greatest magic held within. She is a maiden of creativity, mother of love, and crone of sacred wisdom. Take her hand through the Goddess Dream Oracle, reconnect to your own intuition, and remember who you really are. By working with this oracle in your daily life you will delve into the divine dream world of the Goddess in all her forms and meet her allies. She will reveal herself through her dark mysteries in the depths of the forest to her splendor as the waves of the sea and guide you in your search for your inner truth, your life purpose, and your higher self. Artist and author Wendy Andrew illustrates the divine embodiments of the Goddess, channeling sacred feminine energy. Her work is inspired by the ancient mysteries that are wrapped in the turning of the seasons and the voice of Goddess

whispering through the mythical realms. Legions of loving and trustworthy archangels watch over us, and you can develop an even closer relationship with them by learning their names and specialties. In this uplifting nondenominational book, Doreen Virtue guides you in connecting with her 15 favorite archangels; and you'll read true stories from people who received protection, miraculous healings, and amazing guidance from these beloved heavenly beings. Archangels want to help each and every one of you live healthier and happier lives. As unlimited beings, archangels can assist everyone simultaneously, and this fascinating book will teach you which archangels to call upon for various situations. Whether you're new to working with angels, or someone who has believed in angels all your life, you'll want to refer to *Archangels 101* again and again.

*Rise Sister Rise* is for the women who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the return of the mother and the rise of the feminine. It is essentially a call to arms for women to rise up, tell their truth, and lead. Most women have spent much of their working lives "making it" in a man's world, leaning on patriarchal methods of survival in order to succeed, dulling down their intuition, and ignoring the fierce power of their feminine. They have ignored the cycles of the feminine in order to survive in a patriarchal linear system – but now the world has changed. *Rise Sister Rise* is a transmission that calls the innate feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop women trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to fit into a certain archetype of woman. It's about co-creating a whole new archetype of woman – a woman who does not keep herself small in order to make others feel more comfortable. A woman who knows like she knows like she knows that she is not her body weight, her sexual partners, or her career. A woman who deeply respects the wise woman in her life and cultivates her own wisdom every single day. Full of tools, calls to action, contemplative questions, rituals, and confrontational exercises, this book teaches women that it is safe to let Shakti rise, safe to trust their intuition, and safe to take leaps of faith – because in healing ourselves we are healing the world.

Learn about the archangels who work with

your birth chart in Doreen Virtue's *Angel Astrology 101*. Co-authored by the widely published astrologist and Angel Therapist Yasmin Boland, this is the first book to combine angelology and astrology. The 12 beautifully illustrated and easy-to-understand chapters describe the personality characteristics of each of the Sun, Moon, Mercury, Venus, Mars, and Rising (Ascendant) signs, as well as which archangels to call upon in association with them. *Angel Astrology 101* is perfect for anyone who is new to these subjects—but it also offers plenty of fresh insights and material for those who have long worked with either astrology or the angels.

A comprehensive illustrated reference guide with more than 400 entries on the subjects of magic and alchemy.

This is a story of a girl's construction of her identity, and of her family's search for a place in the world, for the Heimat that is so resonant for those of German background. We follow Helga through an adventurous childhood in Iran, whose vast open spaces her mother called 'my spiritual home'. Her engineer father worked on a grand scale, designing and laying roads and railways, and tunnelling through mountain ranges. Then came the invasions of World War II, and the family, half-German, half-Austrian, found themselves on a long voyage to Australia, designated enemy aliens. They were interned for nearly five years in the dusty Victorian countryside. On their release at the end of the War, stranded in Melbourne, they sought another home. The children were dispatched to convents, and at the Academy of Mary Immaculate, Helga found a temporary homeland, in faith. Everyday life in the Australia of the late 1940s and early 1950s is freshly seen by this feisty, loving migrant family. Through their eyes, we encounter a strange place, Australia, as if for the first time. Helga's development from a thoughtful, sensitive child to a self-possessed young woman, wrestling with her faith and with how to live a decent life, is vividly recounted.

From the authors of *The Book of Faery Magic* comes an enchanting new adventure into the power and beauty of water and the oceanic realm. Brimming with sea magic, inner journeys, fun recipes and rich research, *Mermaid Magic* will help you develop your own deep connection to the element of water. Work with the ocean and its creatures, learn about tides and lunar phases, divine your future with sea oracles, absorb the healing energies of sacred wells and springs, become an eco warrior, and discover the beauty of mermaid lore and legends - and how to call on the mer-

maids for love and transformation. Whether you believe mermaids are living beings or a beautiful myth, they have long reflected our greatest hopes and embodied our deepest fears. They have been cast as helpful sea beings, innocents prepared to sacrifice all for a human soul, and sirens intent on luring men into temptation. Today they are stronger, kinder and more powerful than ever - and are inspiring a new wave of ocean guardians to care for our fragile planet and its sacred bodies of water. Within the pages of *Mermaid Magic* you will:

- \* Invoke mermaids and sea goddesses for health and happiness.
- \* Dive in with dolphins, whales, dugongs and sea turtles.
- \* Slip back in time to the golden age of Lemuria, Atlantis and Ys.
- \* Study the charms, spells and secrets of the sea witches.
- \* Connect with your inner mermaid and transform your life.
- \* Discover your mermaid archetype and tap in to your watery muse.
- \* Work with the element of water in rituals and meditations.
- \* Unlock the messages of the mermaids from literature and legend.
- \* Visit the planet's most sacred healing wells and springs.
- \* Hear from marine conservationists, dolphin advocates and free-spirited surfers.
- \* Meet real-life mermaids, artists, writers and healers, and much, much more... Including interviews with professional surfer and environmentalist Dave Rastovich, artists Jessica Galbreth and Jasmine Beckett-Griffith, real-life mermaid Hannah Mermaid, healer and ocean-lover Doreen Virtue, British druidess and teacher Cassandra Eason, dolphin researcher Dr Olivia De Bergerac, manatee expert Professor Caryn Self-Sullivan, sea turtle rehabilitator Lesley Baird, magical authors Michelle Lovric and Liz Kessler and more, this book is a magical journey into the enchanted oceanic realm as and your own heart and soul.

*How to Hear Your Angels* is a step-by-step manual on how to clearly receive messages from your angels and guides. The material was culled from Doreen Virtue's best-selling book *Messages from Your Angels* and from her workshops. Doreen has been assigning this reading material to her Angel Therapy Practitioner™ students for many years, and at their request has

compiled the information in this handy book. Within these pages, you'll discover your communication "style" so that you can more easily recognize the visions, words, thoughts, and feelings you receive as Divine guidance. The book is filled with charts to help you discern the difference between true Divine guidance and the voice of the ego, and it will help you engage in clear and understandable conversations with Heaven.

In a crucial shift within posthumanistic media studies, Bernhard Siegert dissolves the concept of media into a network of operations that reproduce, displace, process, and reflect the distinctions fundamental for a given culture. *Cultural Techniques* aims to forget our traditional understanding of media so as to redefine the concept through something more fundamental than the empiricist study of a medium's individual or collective uses or of its cultural semantics or aesthetics. Rather, Siegert seeks to relocate media and culture on a level where the distinctions between object and performance, matter and form, human and nonhuman, sign and channel, the symbolic and the real are still in the process of becoming. The result is to turn ontology into a domain of all that is meant in German by the word *Kultur*. Cultural techniques comprise not only self-referential symbolic practices like reading, writing, counting, or image-making. The analysis of artifacts as cultural techniques emphasizes their ontological status as "in-between," shifting from firstorder to second-order techniques, from the technical to the artistic, from object to sign, from the natural to the cultural, from the operational to the representational. *Cultural Techniques* ranges from seafaring, drafting, and eating to the production of the sign-signal distinction in old and new media, to the reproduction of anthropological difference, to the study of *trompe-l'oeils*, grids, registers, and doors. Throughout, Siegert addresses fundamental questions of how ontological distinctions can be replaced by chains of operations that process those alleged ontological distinctions within the ontic. Grounding posthumanist theory both historically and technically, this book opens up a crucial dialogue between new German media theory and American postcybernetic discourses.

A new edition of an occult classic, which includes a new introduction by Mary K. Greer, author of *Women of the Golden Dawn*, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the 1930s,

famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the twentieth century. This Weiser Classics edition of Dion Fortune's *Psychic Self-Defense* includes a new forward by Mary K. Greer, author of numerous books including *Tarot for Your Self*, and a new afterword by Christian Gilson that chronicles the original context surrounding Dion Fortune's writing of the book. Mr. Gibson is the editor of *The Inner Light*, the journal published by the Society of Inner Light.

The spiritual life in Islam begins with *riyadat al-nafs*, the inner warfare against the ego. Distracted and polluted by worldliness, the lower self has a tendency to drag the human creature down into arrogance and vice. Only by a powerful effort of will can the sincere worshipper achieve the purity of soul which enables him to attain God's proximity. This translation of two chapters from *The Revival of the Religious Sciences (Ihya' 'Ulum al-Din)* details the sophisticated spiritual techniques adopted by classical Islam. In the first step, *On Disciplining the Soul*, which cites copious anecdotes from the Islamic scriptures and biographies of the saints, Ghazali explains how to acquire good character traits, and goes on to describe how the sickness of the heart may be cured. In the second part, *Breaking the Two Desires*, he focusses on the question of gluttony and sexual desire, concluding, in the words of the Prophet, that 'the best of all matters is the middle way'. The translator has added an introduction and notes which explore Ghazali's ability to make use of Greek as well as Islamic ethics. The work will prove of special interest to those interested in Sufi mysticism, comparative ethics, and the question of sexuality in Islam.

Bestselling author, Doreen Virtue, brings you this enlightening book on connecting with your inner calling; recognition of your higher purpose; and spiritual power for healing. Doreen describes her innate spiritual gifts, such as psychic communication and spiritual healing abilities. She tells us how we all have these innate gifts, and provides *The Lightworker's Way* as a guidebook on how to bring these abilities to fruit-

tion. The Lightworker's Way will help you to set your spirit free, teaching you how to have miracles in your life as an everyday experience. It tells you how to divinely plan your life, heighten your psychic receptivity, open your third eye, make peace with God, and much, much, more.

An unique guide offers basic tips and techniques for communication with God and the angels by exploring The Four Clairs---Clairaudience or clear hearing, Clairvoyance or clear seeing, Claircognizance or clear knowing, and Clairsentience or clear feelings--the portals needed for obtaining divine counsel. Original.

This easy-to-use deck is appropriate for beginners as well as those experienced with divination cards. Angel Therapy is a powerful healing and guidance process that involves working with your guardian angels and the archangels (particularly Michael and Raphael). These oracle cards and the enclosed guidebook give you action steps to take that will initiate healing; help you release fears and emotional blocks; and give you messages about your life purpose, relationships, manifestations, and more. Each card features a gorgeous painting of angels and a message or answer for you, and is suitable for both children and adults. The guidebook walks you through the steps for giving an oracle reading for yourself or others, and outlines the extended meanings behind each card.

These beautifully illustrated cards can help you swim into the ocean of your unconscious mind, where profound thoughts and feelings can create, or block, your heart's desire.

Jacques Derrida's revolutionary theories about deconstruction, phenomenology, psychoanalysis, and structuralism, first voiced in the 1960s, forever changed the face of European and American criticism. The ideas in *De la grammatologie* sparked lively debates in intellectual circles that included students of literature, philosophy, and the humanities, inspiring these students to ask questions of their disciplines that had previously been considered improper. Thirty years later, the immense influence of Derrida's work is still igniting controversy, thanks in part to Gayatri Spivak's translation, which captures the richness and complexity of the original. This corrected edition adds a new index of the critics and philosophers cited in the text and makes one of contemporary criticism's most indispensable works even more accessible and usable.

WHO WERE YOU IN A PAST LIFE? Your eternal soul has lived other lifetimes that affect your current career, health, relationships, family, and life lessons. Doreen

Virtue and Brian Weiss, M.D., have teamed up to create an easy-to-use, safe, and gentle tool to uncover messages from and about your past lives. This beautiful 44-card deck and accompanying guidebook will help you understand your own patterns and behaviors so that you can overcome negative blocks and enjoy greater happiness, well-being, and love.

In the same way that "The Indigo Children" was a phenomenon that was much talked-about, before the book came out and explained it, "Earth Angels" is a topic of much discussion among spiritually minded people world-wide. Four years ago, Doreen Virtue wrote an article on the topic, and then a chapter in her book, "Healing with the Angels," and then more information in "Healing with the Fairies." Since that time, Doreen has been flooded with letters from people who resonate with the idea, requesting more information. "Earth Angels" will be the first book devoted to the topic. Doreen will describe the five different types of lightworkers: Incarnated Angels (those who had previous lives as angels, but who are now here as humans); Incarnated Elementals (those whose previous lives were in the elemental kingdom, as fairies, elves, etc.); Starpeople (those who have lived the majority of their past lives on other planets); Walk-In's (those who came from a high spiritual realm and walked-in to another person's life, as that soul gladly exited their body); and Reincarnated Sorcerers, Sorceresses, and Wizards (those whose most recent past life was during Arthurian or Atlantian times, when they practiced high magic). The book will include dozens of case studies; a fascinating analysis of an extensive survey that Doreen has conducted among people who identify with the five types of Earth Angels; and guidance to help readers to feel happier about their lives, their own idiosyncrasies, and their missions.

A review of the original edition of *The Burdens of Disease* that appeared in *ISIS* stated, "Hays has written a remarkable book. He too has a message: That epidemics are primarily dependent on poverty and that the West has consistently refused to accept this." This revised edition confirms the book's timely value and provides a sweeping approach to the history of disease. In this updated volume, with revisions and additions to the original content, including the evolution of drug-resistant diseases and expanded coverage of HIV/AIDS, along with recent data on mortality figures and other relevant statistics, J. N. Hays chronicles perceptions and responses to plague and pestilence over two thousand years of western history. Disease is framed as a multidimensional con-

struct, situated at the intersection of history, politics, culture, and medicine, and rooted in mentalities and social relations as much as in biological conditions of pathology. This revised edition of *The Burdens of Disease* also studies the victims of epidemics, paying close attention to the relationships among poverty, power, and disease.

When Doreen Virtue visited Santorini Island in Greece recently, she was contacted by a powerful group of angels calling themselves the "angels of Atlantis." Doreen was then taken on an amazing spiritual adventure, where she uncovered the ancient secrets of the healing temples of the lost civilizations of Atlantis. Doreen found that her previous healing work with the angels, as well as the thousands of case studies of angelic healing that she'd amassed over the years, dovetailed perfectly with the messages from the angels of Atlantis. Part spiritual adventure story and part reference book, *Angel Medicine* is a three-part work that relates the exciting story of Doreen's recovery of memories of Atlantean healing methods along with messages from the Egyptian and Greek prophet and deity Hermes and the angels. The second and third parts of the book reveal the scientific studies, case studies, methods, and charts supporting the importance of love and light in healing. Whether you want to heal yourself or someone else, you're sure to gain additional faith and understanding from reading *Angel Medicine*.

For over two decades, Donald Michael Kraig's *Modern Magick* has been the world's most popular step-by-step guide to working real magick. Filmmaker Alejandro Jodorowsky's insights into the Tarot as a spiritual path • Works with the original Marseille Tarot to reveal the roots of Western wisdom • Provides the key to the symbolic language of the Tarot's "nomadic cathedral" • Transforms a simple divination tool into a vehicle for self-realization and healing Alejandro Jodorowsky's profound study of the Tarot, which began in the early 1950s, reveals it to be far more than a simple divination device. The Tarot is first and foremost a powerful

instrument of self-knowledge and a representation of the structure of the soul. The Way of Tarot shows that the entire deck is structured like a temple, or a mandala, which is both an image of the world and a representation of the divine. The authors use the sacred art of the original Marseille Tarot--created during a time of religious tolerance in the 11th century--to reconnect with the roots of the Tarot's Western esoteric wisdom. They explain that the Tarot is a "nomadic cathedral" whose parts--the 78 cards or "arcana"--should always be viewed with an awareness of the whole structure. This understanding is essential to fully grasp the Tarot's hermetic symbolism. The authors explore the secret associations behind the hierarchy of the cards and the correspondences between the suits and energies within human beings. Each description of the Major Arcana includes key word summaries, symbolic meanings, traditional interpretations, and a section where the card speaks for itself. Jodorowsky and Costa then take the art of reading the Tarot to a depth never before possible. Using their work with Tarology, a new psychological approach that uses the symbolism and optical language of the Tarot to create a mirror image of the personality, they offer a powerful tool for self-realization, creativity, and healing.

The Ancient Hermetic Secrets to Alchemy and Divine Magic Revealed! You have natural magical abilities that can elevate your life to a whole new level, as well as heal and help your loved ones and clients. The original teacher of this Divine magic was an Egyptian sage named Hermes Trismegistus. His teachings, called "Hermetics," were only taught verbally or in very cryptic writings. In 1908, three Hermetic students recorded them in a book called *The Kybalion*. Yet this work was still difficult to understand because of its archaic and confusing language. Now, in *Divine Magic*, Doreen Virtue presents a clear, edited version of *The Kybalion*, written in understandable and modern language while retaining all of the original teachings. She gives comments and practical suggestions based upon her own success in using Hermetic teachings for healing and manifestation. With *Divine Magic*, you can master your moods, release negativity, manifest new levels of abundance, and attract wonderful opportunities in all areas of your life.
