XNJ4PB - RAYMOND NATALIE

Mayhem runs rampant as battle lines are drawn between rival lands in the fifth novel of the #1 New York Times bestselling author's epic fantasy series. Richard Rahl has finally married his true love, Kahlan, and are enjoying their wedding night in the Village of the Mud People. But their newlywed bliss is cut short as unexplainable deaths begin to occur. Richard realizes that when Kahlan called forth the Chimes in order to save him, they remained free—and now they're causing havoc. Richard's mentor Zedd sends him and Kahlan off to the Wizard's Keep in Aydindril to retrieve a magic spell that will stop the threat. But they are soon sidetracked by the people of Anderith, who wield a powerful weapon known as the Dominie Dirtch. The leadership of Anderith is making a bid to align with the evil Imperial Order. And as Richard tries to persuade them to change their minds, the Chimes continue their dangerous mischief.

'Wow this book was amazing... totally thrilling and had me hanging on to every word... Leaves you wanting more... Well worth 5 stars, in fact I wish I could give it more.' Bonnie's Book Talk, 5 stars Her bare arms are scratched and bleeding as she runs through the forest. The light fades behind her but she must keep running. She knows what will happen to her if she stops... The body of Amos Price lies in a pool of blood on the polished floor of an otherwise empty house in the small town of Black Rock Falls. With no signs of a break in, and no clues left at the scene, Detective Jenna Alton is at a loss. But as the team begins to unpick the life of the reclusive victim, they discover a disturbing link between Amos and the disappearance of several young girls in the county going back years. Days later, Ely Dorsey's body is found in a remote motel on the outskirts of town. Jenna fears not only that the murders are connected to the missing girls, but that the killer hasn't finished yet. As Jenna tries to work out who will be next, the killer suddenly sends her deputy, David Kane, messages. Is she being taunted? Or does the murderer want to be caught? And will Jenna discover who's behind these killing before more people die? An absolutely nail-biting thriller with plenty of twists, Follow Me Home is perfect for fans of Robert Dugoni, Karin Slaughter and Rachel Abbott. **Each Kane and Alton book can be read as part of the series or as a standalone** What readers are saying about Follow Me Home: 'I absolutely love D.K. Hood... an amazing author!!... a book that I absolutely devoured! From cover to cover you're gripped. I can't wait for the next one!!' Goodreads Reviewer, 5 stars 'A huge five star rating for a fantastic book... kept me gripped throughout and I loved it.' Goodreads Reviewer, 5 stars 'Wowzers... a cracking thriller... a tantalising read... thrilling and sometimes chilling... on the hook from start to finish.' Jen Med's Book Reviews 'Five massive stars, a phenomenal read which will certainly have me coming back for more.' Sweet Little Book Blog, 5 stars 'I absolutely, totally, utterly flipping well LOVED this book... one of those stories that really does grab you by the throat and keeps your attention until the last word.' Ginger Book Geek, 5 stars 'I was completely addicted to the story. I flew through the pages and read the book in an evening - I would have struggled to put it down!!' Donna's Book Blog, 5 stars 'The thrill of the investigation mixed with the intensity of the storyline was just phenomenal, I honestly couldn't have asked for more in a book... A cracking novel which packs more than one punch.' The Writing Garnet 'It's dark undertones and thrilling twists make for a compulsive read... If you love taut crime thrillers that keep you guessing then I recommend reading this gripping book.' Dash Fan Book Reviews 'I loved this book... had me gripped from the start... didn't want it to end.' Goodreads Reviewer, 5 stars 'The best novel from this genre that I have read in a long time.' Waggy Tales Dog Blog 'Great addition to a great series. I loved the first two books in this series and number three does not disappoint... I never guessed who the culprit was!... Already looking forward to book four.' Goodreads Reviewer, 5 stars 'Held me breathless to the very end.' Goodreads Reviewer 'Until the last chapter the author succeeded in keeping the killer a secret and

I kept racking my brain, but I would never have guessed who it was.' B for Bookreview

A powerful and spiritually satisfying novel from a compelling new voice about three courageous women who must confront the harsh realities of their lives through faith and prayer. Pam Lyons has a husband who places more trust in money and marijuana than in God. Yvonne Hastings is a minister's wife whose husband's infidelity and physical abuse brings their marriage to a crossroads. Taylor Johnson is a single mother who is looking for a good Christian man to help raise her son, but is unable to rid herself of the guilt left over from her promiscuous past. The secret of Taylor's child's paternity is the catalyst for the tumultuous relationship between the three women. Together, they will learn unforgettable lessons about love, forgiveness, prayer, and sisterhood.

Celebrating 25 years of The Notebook - the classic novel which became the heart-wrenching film. * Once again, just as I do every day, I begin to read the notebook aloud... Noah Calhoun has returned from war and, in an attempt to escape the ghosts of battle, he sets his mind and his body to restoring an old plantation home to its former beauty. But he is haunted by memories of the beautiful girl he met there years before. A girl who stole his heart at the funfair, whose parents didn't approve, a girl he wrote to every day for a year. When Allie Hamilton shows up on his doorstep, exactly as he has held her in his memory for all these years, Noah has one last chance to win her back. Only this time, it's not just her parents in the way - Allie is engaged and she's not a woman to go back on her promises. The Notebook is the love story to end all love stories - it will break your heart, heal it back up and break it all over again. Praise for Nicholas Sparks: 'A fiercely romantic and touching tale' Heat 'An A-grade romantic read' OK! 'Pulls at the heartstrings' Sunday Times 'An absorbing page-turner' Daily Mail 'This one won't leave a dry eye' Daily Mirror

Robert Lanza is one of the most respected scientists in the world — a US News & World Report cover story called him a “genius” and a “renegade thinker,” even likening him to Einstein. Lanza has teamed with Bob Berman, the most widely read astronomer in the world, to produce Biocentrism, a revolutionary new view of the universe. Every now and then a simple yet radical idea shakes the very foundations of knowledge. The startling discovery that the world was not flat challenged and ultimately changed the way people perceived themselves and their relationship with the world. For most humans of the 15th century, the notion of Earth as ball of rock was nonsense. The whole of Western, natural philosophy is undergoing a sea change again, increasingly being forced upon us by the experimental findings of quantum theory, and at the same time, towards doubt and uncertainty in the physical explanations of the universe's genesis and structure. Biocentrism completes this shift in worldview, turning the planet upside down again with the revolutionary view that life creates the universe instead of the other way around. In this paradigm, life is not an accidental byproduct of the laws of physics. Biocentrism takes the reader on a seemingly improbable but ultimately inescapable journey through a foreign universe—our own—from the viewpoints of an acclaimed biologist and a leading astronomer. Switching perspective from physics to biology unlocks the cages in which Western science has unwittingly managed to confine itself. Biocentrism will shatter the reader's ideas of life--time and space, and even death. At the same time it will release us from the dull worldview of life being merely the activity of an admixture of carbon and a few other elements; it suggests the exhilarating possibility that life is fundamentally immortal. The 21st century is predicted to be the Century of Biology, a shift from the previous century dominated by physics. It seems fitting, then, to begin the century by turning the universe outside-in and unifying the foundations of science with a simple idea discovered by one of the leading life-scientists of our age. Biocentrism awakens in readers a new sense of possibility, and is full of so many shocking new perspectives that the reader will never see reality the same way again.

Inspired by the great mystery writers of all time, Don't Tell a Soul answers the question: can a group of retired successful friends conspire to commit a murder correcting a wrong that happened

when they were young? Set in Cleveland, Ohio, as well as on a cruise ship with six thousand people aboard, the friends plan the perfect murder, trusting that each one of them will do their part and keep their silence. Will they do it? Will they be caught? Filled with twists and turns, the first novel by Jim and Connie is a genuine page-turner.

Inside A Lover's Heart There's Another World, And Yet Another Rumi's masterpieces have inspired countless people throughout the centuries, and Coleman Barks's exquisite renderings of the thirteenth-century Persian mystic are widely considered the definitive versions for our time. Barks's translations capture the inward exploration and intensity that characterize Rumi's poetry, making this unique voice of mysticism and desire contemporary while remaining true to the original poems. In this volume readers will encounter the essence of Sufism's insights into the experience of divine love, wisdom, and the nature of both humanity and God. While Barks's stamp on this collection is clear, it is Rumi's voice that leaps off these pages with a rapturous power that leaves readers breathless. These poems express our deepest yearning for the transcendent connection with the source of the divine: there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union; stories of sexual adventures and of loss; poems of love and fury, sadness and joy; and quiet truths about the beauty and variety of human emotion. For Rumi, soul and body and emotion are not separate but are rather part of the great mystery of mortal life, a riddle whose solution is love. Above all else, Rumi's poetry exposes us to the delight that comes from being fully alive, urging us always to put aside our fears and take the risk of discovering our core self: No one knows what makes the soul wake up so happy! Maybe a dawn breeze has blown the veil from the face of God. These fresh, original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring, focusing on the ecstatic experience of the inseparability of human and divine love. The match between Rumi's sublime poetry and Coleman Barks's poetic art are unequalled, and here this artistic union is raised to new heights.

Fintan O'Toole was born in the year the revolution began. It was 1958, and the Irish government—in despair, because all the young people were leaving—opened the country to foreign investment and popular culture. So began a decades-long, ongoing experiment with Irish national identity. In We Don't Know Ourselves, O'Toole, one of the Anglophone world's most consummate stylists, weaves his own experiences into Irish social, cultural, and economic change, showing how Ireland, in just one lifetime, has gone from a reactionary “backwater” to an almost totally open society—perhaps the most astonishing national transformation in modern history. Born to a working--class family in the Dublin suburbs, O'Toole served as an altar boy and attended a Christian Brothers school, much as his forebears did. He was enthralled by American Westerns suddenly appearing on Irish television, which were not that far from his own experience, given that Ireland's main export was beef and it was still not unknown for herds of cattle to clatter down Dublin's streets. Yet the Westerns were a sign of what was to come. O'Toole narrates the once unthinkable collapse of the all-powerful Catholic Church, brought down by scandal and by the activism of ordinary Irish, women in particular. He relates the horrific violence of the Troubles in Northern Ireland, which led most Irish to reject violent nationalism. In O'Toole's telling, America became a lodestar, from John F. Kennedy's 1963 visit, when the soon-to-be martyred American president was welcomed as a native son, to the emergence of the Irish technology sector in the late 1990s, driven by American corporations, which set Ireland on the path toward particular disaster during the 2008 financial crisis. A remarkably compassionate yet exacting observer, O'Toole in coruscating prose captures the peculiar Irish habit of “deliberate unknowing,” which allowed myths of national greatness to persist even as the foundations were crumbling. Forty years in the making, We Don't Know Ourselves is a landmark work, a memoir and a national history that ultimately reveals how the two

modes are entwined for all of us.

"Merry Christmas to all, and to all a good fright..." The Quarrel of Sword and Bone was a death sentence for anyone who stepped into the arena with the deranged Queen, whose soul had crisped to frost in an age long since past. What if St. Nicholas was really a young, mad trickster and you had the one thing he wanted? What if the only person who agreed to protect you from him had a dark past of letting those he's meant to protect die? What if one day you're walking in the city and suddenly you can see a whole other world tucked into the cracks of your own? Sixteen-year-old Helen Bell understood tragedy better than most kids growing up. She knew what it was like to wear clothes from donation bins and be mocked in school. She thought those brutal experiences made her ready for anything, but when an encounter leaves her able to see a species of invisible people walking among us, and a young, handsome Winter guardian appears to aid her in a crisis, all the holiday legends she heard as a child begin to haunt her. After magical happenings infiltrate her daily life, and a train horn begins calling to her from across the city, she finds herself in the middle of a war of good versus evil. A Soul as Cold as Frost is Jennifer Kropf's debut novel, ideal for fans of *The Lion, the Witch, and the Wardrobe* by C.S. Lewis, *Harry Potter* by J. K. Rowling, and *The Nutcracker and the Four Realms* by Meredith Rusu and Ashleigh Powell. "Wow, I loved this book! I've not read anything quite like it before, and the author pulls it off wonderfully. This book was a magical twist between Narnia, Alice in Wonderland, and Spirited Away, yet somehow read as effortlessly original. The descriptions are vivid and really make you feel like you're freezing, trudging through snow, or drinking the best hot chocolate of your life. It was gripping, fast paced and full of action, yet not lacking in heart. Highly recommended for young YA readers upwards." - USA Today Bestselling author Alice Ivinya "It's the Chronicles of Narnia meets Harry Potter. This fantastic winter tale is the perfect blend of classic portal fantasy and the magic world co-existing with our own. It's a beautiful reminder of what is truly important in life." - USA Today Bestselling author Astrid V. J.

The unexplained, the unreal, the unusual, the unthinkable, the undead - now in paperback. Let your child in on some incredible truths about mind-boggling confidential secrets and conspiracy theories 'they' don't want anyone to know about. From where the Bermuda Triangle is, whether alien abductions actually happen, and the truth about crop circles your child will explore lost worlds, unravel secret codes, marvel at mysterious places and meet spooks, spies, secret keepers and scandal makers of the world. A behind-the-scenes, full-disclosure investigation into all the most intriguing mysteries that have made history. But ssh! Don't tell a soul.

#1 New York Times bestseller What would it be like to free yourself from limitations and soar beyond your boundaries? What can you do each day to discover inner peace and serenity? The Untethered Soul offers simple yet profound answers to these questions. Whether this is your first exploration of inner space, or you've devoted your life to the inward journey, this book will transform your relationship with yourself and the world around you. You'll discover what you can do to put an end to the habitual thoughts and emotions that limit your consciousness. By tapping into traditions of meditation and mindfulness, author and spiritual teacher Michael A. Singer shows how the development of consciousness can enable us all to dwell in the present moment and let go of painful thoughts and memories that keep us from achieving happiness and self-realization. Copublished with the Institute of Noetic Sciences (IONS) The Untethered Soul begins by walking you through your relationship with your thoughts and emotions, helping you uncover the source and fluctuations of your inner energy. It then delves into what you can do to free yourself from the habitual thoughts, emotions, and energy patterns that limit your consciousness. Finally, with perfect clarity, this book opens the door to a life lived in the freedom of your innermost being. The Untethered Soul has already touched the lives of more than a million readers, and is available in a special hardcover gift edition with ribbon bookmark—the perfect gift for yourself, a loved one, or anyone who wants a keepsake edition of this remarkable book. Visit www.untetheredsoul.com for more information.

Augustine, the man with upturned eye, with pen in the left hand, and a burning heart in the right (as he is usually represented), is a philosophical and theological genius of the first order, towering like a pyramid above his age, and looking down commandingly upon succeeding centuries. He had a mind uncommonly fertile and deep, bold and soaring; and with it, what is better, a heart full of Christian love and humility. He stands of right by the side of the greatest philosophers of antiquity and of modern times. We meet him alike on the broad highways and the narrow footpaths, on the giddy Alpine heights and in the awful depths of speculation, wherever philosophical thinkers before him or after him have trod. As a theologian he is facile princeps, at least surpassed by no church father, schoolman, or reformer. With royal munificence he scattered ideas in passing, which have set

in mighty motion other lands and later times. He combined the creative power of Tertullian with the churchly spirit of Cyprian, the speculative intellect of the Greek church with the practical tact of the Latin. He was a Christian philosopher and a philosophical theologian to the full.

Leon I earned my reputation among magicians for a reason: one wrong move and you're dead. Killer, they called me, and killing is what I'm best at. Except her. The one I was supposed to take, the one I should have killed - I didn't. The cult that once controlled me wants her, and I'm not about to lose my new toy to them. Rae I've always believed in the supernatural. Hunting for ghosts is my passion, but summoning a demon was never part of the plan. Monsters are roaming the woods, and something ancient - something evil - is waking up and calling my name. I don't know who I can trust, or how deep this darkness goes. All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body - he wants my soul. Her Soul to Take is book 1 in the Souls Trilogy. Although all the books are interconnected, they are stand-alone and can be read in any order. Content Note This book contains sexual scenes, kink/fetish content, horror elements, drug use, and depictions of hard kink/edgeplay. Reader discretion is advised.

When reincarnating, do we have a short spell in a disembodied phase? Hypnosis reveals what goes on.

The popular author of six Andy Carpenter mysteries, including the recent hit "Play Dead," delivers his first stand alone with this gripping suspense novel.

A celebrity couple. Tabloid darlings. He's been missing for six months. Did she kill him? Why can't she remember? David Ash, an indie rock star, has been missing for six months. Everyone in New York assumes his wife, former reality TV star Louisa Mantalos, has killed him. A popular true crime podcast is covering the case, and asking intrusive questions about Louisa's past. Louisa is struggling to hold her life together and protect her two young sons from the news. Worst of all, an illness is changing her memories, and she can't recall what happened on the night David disappeared. Did she kill him? Did he leave her? She doesn't know. Running out of options, she hires Constantin McGarry, an ex-con private eye from Queens. He's down on his luck and buries his heart beneath layers of irony and jokes, but he's the only person left in town willing to take Louisa's case. And it doesn't take long for Con to realise Louisa's story doesn't add up. Gone Girl meets The Rockford Files in this dark, funny, and sexy thriller. Also available in a Dyslexic Reader paperback edition, formatted for reluctant readers. 'Slick, sexy and suffused with cool, a psychological thriller cut up with the keenest of edges.' - Eva Dolan. 'One of the best books I've read this year, a great PI novel.' - James Oswald. 'Jay Stringer is a crime writer at the top of his game, I loved every page of this book.' - Jess Lourey.

Modern Man in Search of a Soul is the perfect introduction to the theories and concepts of one of the most original and influential religious thinkers of the twentieth century. Lively and insightful, it covers all of his most significant themes, including man's need for a God and the mechanics of dream analysis. One of his most famous books, it perfectly captures the feelings of confusion that many sense today. Generation X might be a recent concept, but Jung spotted its forerunner over half a century ago. For anyone seeking meaning in today's world, Modern Man in Search of a Soul is a must.

The wise, warm, defiant new book from literary legend Isabel Allende - a meditation on power, feminism and what it means to be a woman An Independent, Guardian and Grazia Highlight for 2021 When I say that I was a feminist in kindergarten, I am not exaggerating. As a child, Isabel Allende watched her mother, abandoned by her husband, provide for her three small children. As a young woman coming of age in the late 1960s, she rode the first wave of feminism. She has seen what has been accomplished by the movement in the course of her lifetime. And over the course of three marriages, she has learned how to grow as a woman while having a partner, when to step away, and the rewards of embracing one's sexuality. So what do women want? To be safe, to be valued, to live in peace, to have their own resources, to be connected, to have control over their bodies and lives, and above all, to be loved. On all these fronts, there is much work to be done, and this book, Allende hopes, will 'light the torch of our daughters and granddaughters with mine. They will have to live for us, as we lived for our mothers, and carry on with the work still left to be finished.'

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of

some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

A radically new view of the nature and purpose of consciousness How is consciousness possible? What biological purpose does it serve? And why do we value it so highly? In *Soul Dust*, the psychologist Nicholas Humphrey, a leading figure in consciousness research, proposes a startling new theory. Consciousness, he argues, is nothing less than a magical-mystery show that we stage for ourselves inside our own heads. This self-made show lights up the world for us and makes us feel special and transcendent. Thus consciousness paves the way for spirituality, and allows us, as human beings, to reap the rewards, and anxieties, of living in what Humphrey calls the "soul niche." Tightly argued, intellectually gripping, and a joy to read, *Soul Dust* provides answers to the deepest questions. It shows how the problem of consciousness merges with questions that obsess us all—how life should be lived and the fear of death. Resting firmly on neuroscience and evolutionary theory, and drawing a wealth of insights from philosophy and literature, *Soul Dust* is an uncompromising yet life-affirming work—one that never loses sight of the majesty and wonder of consciousness.

"Inspirational fiction done right." --ReShonda Tate Billingsley The trio of faithful friends from Tiffany L. Warren's inspirational bestseller *What a Sista Should Do* are older--but are they wiser?. . . Pam Lyon's husband has blown their fortune. Now he's hustling to make a comeback. But his business partner is more interested in connecting with Pam--and soon crosses a line that will challenge Pam's marriage. . . Taylor Oldman's ex is out of prison and wants a relationship with their eleven-year-old son. Newly remarried Taylor doesn't want him in her life, but the boy is acting out--and his father is the only one who can reach him. . . Recently divorced and lonely, Yvonne Hastings finds solace by befriending new church member Eva Logan. But Eva has a scandalous past, and when it starts to affect Yvonne, she'll have to reflect on what it means to be a good friend in and out of church. . . As their personal lives test them like never before, can these three women find a way to keep the faith--and their friendship?. . . Praise for Tiffany L. Warren "Yvonne, Taylor, and Pam are Christian women who struggle with forgiveness, trust, love and everyday drama. Don't Tell a Soul is a must-have." --RT Book Reviews

She runs her trembling fingers over the dark, damp walls surrounding her. Above her head, she hears heavy footsteps. She knows she has nowhere to hide and as the door to the cellar is flung open, she finally sees his face. It's winter in Black Rock Falls and, as tourists flock to the small town to take in the snowy mountain peaks, one visitor makes a sickening discovery. The frozen body of a young woman hangs from a tree on the outskirts of town. Detective Jenna Alton is called in to investigate. Jenna's stomach turns as she surveys the ice-cold remains, and she's soon alerted to similar burial sites nearby. With no missing persons reported, Jenna and her deputy, David Kane, fear Black Rock Falls is being used as a dumping ground for bodies. As the body count mounts up, Jenna is more determined than ever to find the person responsible. But as she tries to catch the killer out, he outsmarts her once again and Jenna begins to wonder if he knows her next move. Could he be closer to her than she thinks? When the investigation takes Jenna to a homeless shelter right in the heart of the community, she fears for the life of a woman who hasn't been seen for a few days. It's clear the killer is beginning to escalate, so Jenna ramps up the investigation and puts herself in unthinkable danger. Can she catch the murderer off guard, or does he already know she's on her way? Has Jenna finally met a killer she can't catch? If you like Lisa Regan, Melinda

Leigh and Kendra Elliot, you will love this thrilling new book from bestselling crime author D.K. Hood. What readers are saying about Her Shallow Grave: “Another suspense filled thriller... This author knows how to write a book which will grab your attention at the turn of the first page and not let you go until the finish! With an ending you won’t see coming, you will be blown away by this story line!’ Stardust Book Reviews, 5 stars “D.K. Hood has outdone herself with this one. The best one yet!!! Superb!!!!!’ Goodreads reviewer, 5 stars “Edge of your seat thrill ride of a book. I couldn’t put it down and I finished it in a day. I couldn’t read fast enough.’ Goodreads reviewer, 5 stars “Brilliant series – a page turner every time.’ NetGalley, 5 stars “A very well written and plotted novel... Interesting and engaging.’ Goodreads reviewer, 5 stars What readers are saying about D.K. Hood: “Oh my, oh my God... This is another cracking story!!!!... This author really deserves the title of Queen of Suspense... She had chills running down my spine and I just couldn’t stop reading. Incredibly, mind-blowingly brilliant!” B for Bookreview, 5 stars “What a fantastic book it is. Totally addictive. I couldn’t turn the pages fast enough.” Goodreads reviewer, 5 stars “An excellent read... Had me captivated the whole way though... I had a couple of wow moments that took my breath away. All in all a bloody brilliant book that totally deserves 5 stars.” Bonnie’s Book Talk, 5 stars “Hold on to your hats for the surprise ending!” Goodreads reviewer, 5 stars “Absolutely terrific read.” Goodreads reviewer, 5 stars “Another phenomenal instalment to this series. I love the new characters... Some scenes had my heart threatening to burst out of my chest.” NetGalley reviewer, 5 stars “Whew!... Thanks for the twist. I never saw it coming!” Goodreads reviewer, 5 stars “They just keep getting better. I love this series.” NetGalley reviewer, 5 stars “This one ups the ante on pulse-pounding suspense... Full of action and surprising twists that the reader won’t see coming.” Goodreads reviewer, 5 stars

Large format paper back for easy reading. Bizarre and amusing story which stands amongst the classics of Russian Literature

Kazuo Ishiguro's new novel Klara and the Sun is now available to preorder One of the most acclaimed novels of the 21st Century, from the Nobel Prize-winning author Shortlisted for the Man Booker Prize Kazuo Ishiguro imagines the lives of a group of students growing up in a darkly skewed version of contemporary England. Narrated by Kathy, now thirty-one, Never Let Me Go dramatises her attempts to come to terms with her childhood at the seemingly idyllic Hailsham School and with the fate that has always awaited her and her closest friends in the wider world. A story of love, friendship and memory, Never Let Me Go is charged throughout with a sense of the fragility of life. 'Exquisite.' Guardian 'A feat of imaginative sympathy.' New York Times What readers are saying: 'A book I will return to again and again, and one that keeps me thinking even after finishing it. 5/5 stars' 'I loved it, every single word of it.' 'It took me wholly by surprise.' 'Utterly beautiful.' 'Essentially perfect.'

The International Bestseller 'With clarity and compassion, DiAngelo allows us to understand racism as a practice not restricted to "bad people." In doing so, she moves our national discussions forward. This is a necessary book for all people invested in societal change' Claudia Rankine Anger. Fear. Guilt. Denial. Silence. These are the ways in which ordinary white people react when it is pointed out to them that they have done or said something that has - unintentionally - caused racial offence or hurt. After, all, a racist is the worst thing a person can be, right? But these reactions only serve to silence people of colour, who cannot give honest feedback to 'liberal' white people lest they provoke a dangerous emotional reaction. Robin DiAngelo coined the term 'White Fragility' in 2011 to describe this process and is here to show us how it serves to uphold the system of white supremacy. Using knowledge and insight gained over decades of running racial awareness workshops and working on this idea as a Professor of Whiteness Studies, she shows us how we can start having more honest conversations, listen to each other better and react to feedback with grace and humility. It is not enough to simply hold abstract progressive views and condemn the obvious racists on social media - change starts with us all at a practical, granular level, and it is time for all white people to take responsibility for relinquishing their own racial supremacy. 'By turns mordant and then inspirational, an argument that powerful forces and tragic histories stack the deck fully

against racial justice alongside one that we need only to be clearer, try harder, and do better' David Roediger, Los Angeles Review of Books 'The value in White Fragility lies in its methodical, irrefutable exposure of racism in thought and action, and its call for humility and vigilance' Katy Waldman, New Yorker 'A vital, necessary, and beautiful book' Michael Eric Dyson

An aviator whose plane is forced down in the Sahara Desert encounters a little prince from a small planet who relates his adventures in seeking the secret of what is important in life.

The New York Times bestselling author of If You Only Knew shares the true-crime story of a babysitter murdered to hide a mother's dark secret. Cherry Walker was a devoted, trusting, uncommonly innocent young woman who loved caring for a neighbor's little boy. But when she was asked to testify in court against his abusive mother, Cherry never got the chance. She couldn't lie if her life depended on it—and it did. Cherry's body was found on the side of a Texas road, after being doused with lighter fluid and set aflame. Attractive, manipulative, and violent, mother of four Kim Cargill had a wealth of dirty secrets she'd do anything to keep hidden. This in-depth account by bestselling investigative journalist M. William Phelps takes you inside Cargill's shocking trial—and into the mind of one of the most conniving female psychopaths in recent history—and on death row. Praise for M. William Phelps “One of America's finest true-crime writers.” —Vincent Bugliosi, New York Times bestselling author of Helter Skelter “Phelps is the Harlan Coben of real-life thrillers.” —Allison Brennan, New York Times bestselling author of Tell No Lies “Anything by Phelps is an eye-opening experience.” —Suspense Magazine “Phelps is the king of true crime.” —Lynda Hirsch, Creators Syndicate columnist Includes sixteen pages of shocking photos

NEW YORK TIMES BESTSELLER Based on a decade of research and reporting—as well as access to the Replacements' key principals, Paul Westerberg and Tommy Stinson--author Bob Mehr has fashioned something far more compelling than a conventional band bio. Trouble Boys is a deeply intimate portrait, revealing the primal factors and forces that shaped one of the most brilliant and notoriously self-destructive rock 'n' roll bands of all time. Beginning with riveting revelations about the Replacements' troubled early years, Trouble Boys follows the group as they rise within the early '80s American underground. It uncovers the darker truths behind the band's legendary drinking, showing how their addictions first came to define them, and then nearly destroyed them. A roaring road adventure, a heartrending family drama, and a cautionary showbiz tale, Trouble Boys has deservedly been hailed as an instant classic of rock lit.

When her sister is found dead under mysterious circumstances, Lena strikes a gruesome deal with the Norse gods to bring her back and finds herself in the middle of an impending doomsday—all while discovering dangerous secrets about her sister's identity.

Melanie Stryder refuses to fade away. The earth has been invaded by a species that takes over the minds of their human hosts while leaving their bodies intact, and most of humanity has succumbed. Wanderer, the invading 'soul' who has been given Melanie's body, knew about the challenges of living inside a human: the overwhelming emotions, the too-vivid memories. But there was one difficulty Wanderer didn't expect: the former tenant of her body refusing to relinquish possession of her mind. Melanie fills Wanderer's thoughts with visions of the man Melanie loves - Jared, a human who still lives in hiding. Unable to separate herself from her body's desires, Wanderer yearns for a man she's never met. As outside forces make Wanderer and Melanie unwilling allies, they set off to search for the man they both love.

Stay up all night with this modern day Rebecca! Perfect for fans of Truly Devious--a haunting story about a new girl in an old town filled with dark secrets . . . that might just kill her. People say the house is cursed. It preys on the weakest, and young women are its favorite victims. In Louth, they're called the Dead Girls. All Bram wanted was to disappear--from her old life, her family's past, and from the scandal that continues to haunt her. The only place left to go is Louth, the tiny town on the Hudson River where her uncle, James, has been renovating an old mansion. But James is haunted by his own ghosts. Months earlier, his beloved wife died in a fire that people say was set by her daughter. The tragedy left James a shell of the man Bram knew--and destroyed half the house he'd so lovingly restored. The manor is creepy, and so are the locals. The people of Louth don't want outsiders like Bram in their town, and with each passing day she's discovering that the

rumors they spread are just as disturbing as the secrets they hide. Most frightening of all are the legends they tell about the Dead Girls. Girls whose lives were cut short in the very house Bram now calls home. The terrifying reality is that the Dead Girls may have never left the manor. And if Bram looks too hard into the town's haunted past, she might not either.

Annotation A decade after the publication of his highly acclaimed book Soul Murder, Dr. Leonard Shengold reflects anew on the circumstances and the consequences of willful abuse and neglect of children. With compelling examples from literature and from clinical cases, Dr. Shengold describes techniques of adaptation and denial by victims, the psychopathology of soul murder, and therapy techniques for restoring the capacity to love.

Invites readers to forge a greater connection to God and a better understanding of one's faith through writing exercises, sharing the story of the author's recovery from an abusive relationship and the divine connection and clarity she experienced while writing.

No one will listen. No one will help. To survive, you must save yourself... The haunting saga of a little girl betrayed, and the strength and hope she needs to find a happy ending, from the hugely popular author of No One's Girl, Mothering Sunday and The Little Angel, Rosie Goodwin. Perfect for fans of Lindsey Hutchinson and Shelia Newberry. 'Powerful and harrowing' - Peterborough Evening Telegraph When a mysterious fire kills her adoptive parents, Madeleine's worst fear comes true - she and her beloved brother Oliver are separated. Worse still, Maddie is blamed for starting the fire and, labelled a difficult child, she is sent to a children's home. Far from idyllic, and buried deep in the countryside, the home well conceals the misery of its young occupants. Subjected to a harsh regime of abuse and degradation, Maddie makes a brave attempt to escape. But her brief weeks of freedom are thwarted when she is caught and taken back to River House. Maddie clings to her determination to one day be reunited with Oli, and it is this which gives her the strength to endure what lies ahead. For she knows she can rely only on herself - there is no one else to keep her safe... What Amazon readers are saying about The Lost Soul: 'I loved this book. I read it in three days, it made me cry and smile. It is a little dark in places but at the same time it is pure genius. Hats off to Rosie Goodwin. Curl up with this book and a chocolate bar and you would be in pure heaven. It is a long time since I read a book as good as this. I can't wait to read her next novel. She has become one of my favourite authors' 'Rosie has yet again created another excellent story, a page turner and I have to say I think it is her best book yet. The story flows effortlessly and there's plenty of twists and turns at the most unexpected places, none of which are obvious. Each character is well developed and you get a real feel for them all'

In this timeless and profound inquiry, Aristotle presents a view of the psyche that avoids the simplifications both of the materialists and those who believe in the soul as something quite distinct from body. On the Soul also includes Aristotle's idiosyncratic and influential account of light and colors. On Memory and Recollection continues the investigation of some of the topics introduced in On the Soul. Sachs's fresh and jargon-free approach to the translation of Aristotle, his lively and insightful introduction, and his notes and glossaries, all bring out the continuing relevance of Aristotle's thought to biological and philosophical questions.

On a remote island off Cornwall, a man persuades his illegitimate son to masquerade as his half-sister in order to get their hands on her inheritance. The story revolves around the effect this has on the boy and how it leads him to a bold exploration of his sexuality in the context of a repressed Victorian society, and the repercussions that follow for all who cross his path ...

In The Soul of Anime, Ian Condry explores the emergence of anime, Japanese animated film and television, as a global cultural phenomenon. Drawing on ethnographic research, including interviews with artists at some of Tokyo's leading animation studios—such as Madhouse, Gonzo, Aniplex, and Studio Ghibli—Condry discusses how anime's fictional characters and worlds become platforms for collaborative creativity. He argues that the global success of Japanese animation has grown out of a collective social energy that operates across industries—including those that produce film, television, manga (comic books), and toys and other licensed merchandise—and connects fans to the creators of anime. For Condry, this collective social energy is the soul of anime.
