The New Quick Facts for NCLEX® 2019 - 2022 is for both RN & LPN nursing students ! The Five-Star Edition features the best content for Pharmacology, newly added Clinical Skills section, and case studies. Every nursing student needs Quick Facts! It's the perfect tool to build your core nursing content from day one of school all the way through beginning your NCLEX Prep. If you don't know Quick Facts you're not ready for NCLEX. Students love to call this their 'Nursing Bible' because they take it everywhere they go! Quick Facts is your starting place for NCLEX Prep and the foundation of the ReMar NCLEX Virtual Training System!

A thorough examination and explanation of cyclic price movements and how they can be applied to trading and investing. Summarizes the main points of the work of J. M. Hurst and explains each aspect thoroughly. Authored by a prominent British financial writer, whose earlier work, Channel Analysis, was eagerly sought by U. S. investors, but was not readily available in this country. This book updates, expands, and revises the concepts in Channel Analysis. Explains how price channels may be drawn around price action and combined with cyclical analysis to determine effective buying and selling points. Shows and explains methods that make it possible to predict some turning points months before they are due to occur.

CliffsNotes NCLEX Cram Plan is the perfect way to review for your RN or PN nursing exam whether you have two months, one month, or even one week left to prepare! CliffsNotes NCLEX-RN Cram Plan uses calendars to create a specific study plan for test-takers depending on how much time they have left before they

take the test. Also included is a specialized NCLEX-PN study plan, meaning that NCLEX-PN test-takers can use this book to pass their nursing exam, too! The NCLEX-RN test is taken by individuals who want to become a registered nurse; the NCLEX-PN test is taken by those who want to become a practical nurse. Features of this plan-to-ace-the-test product include: Timed, boxed calendars for preparing to take the test—2-month study calendar, 1-month study calendar, and 1-week study calendar Diagnostic test that helps test-takers pinpoint strengths and weaknesses so they can focus their review on topics in which they need the most help Subject reviews that succinctly cover need-to-know topics on the tests in a list format Model practice test with answers and explanations Administered by appointment year round, more than 230,000 candidates take the NCLEX-RN test annually, and almost 65,000 candidates take the NCLEX-PN. The average passing rate for each test is only 70%.

Ace your Pathophysiology course with the help of nursing review pioneer Marlene Hurst Use Marlene's "no cram, pass with what you already know" system to slash your study time in half Based on Marlene Hurst's popular nursing seminars that train over 30,000 students annually, this innovative review is loaded with the author's time-tested strategies - all designed to help you excel in your Pathophysiology course exams. Pathophysiology Review is unlike any other resource as it explains how to apply critical thinking and test-taking skills rather than how to re-learn course content. Marlene shows you how to "think on your feet" in order to succeed on your Pathophysiology exams. Features: A complete Pathophysiology course toolkit - from the world's most sought after speaker on nursing exam preparation Skill-building

questions, answers, and explanations at the end of each chapter Concise, easy-to-remember strategies that cut study time in half Eye-catching full-color format Marlene Moments - Marlene's humorous anecdotes of common student mistakes that offer a light-hearted look at how new nurses learn to succeed What the NCLEX Lady Thinks - tips that reveal the rationale behind various NCLEX pathophysiology questions and how to adjust your strategy accordingly

All of the ingredients for NCLEX-RN® success are here! Just follow Sally Lambert Lagerquist's study plan and you'll join the thousands who have passed their exams with her guidance.

Prioritization, Delegation, and Assignment: Practice Exercises for the NCLEX(R) Examination is the only review book on the market with a focus on prioritization and management of care-just like the current NCLEX Examination itself! The workbook's unique approach establishes your foundational knowledge and then provides exercises of increasing difficulty to help you build confidence in your prioritization, delegation, and patient assignment skills. It offers unique preparation for the NCLEX Examination and effectively equips you to practice in today's fast-paced healthcare environment. The only workbook available that provides in-depth practice with prioritization, delegation, and assignment questions similar to those you'll see on the NCLEX Examination, including questions in alternate item formats Unique three-part organization that (1) equips you with foundational skills to make sound decisions, then helps you apply those skills (2) in straightforward scenarios and (3) then in complex health scenarios In-depth Answer Key at the back of the book that provides not only the correct answer but also a detailed rationale and an indication of the focus of

the question, whether prioritization, delegation, supervision, or patient assignment. Expanded content focus to include psychiatric/mental health, OB/maternity, and pediatrics along with med-surg areas New chapters on infection control and obstetrics and maternity Greater emphasis on questions involving core body systems and related health problems, such as diabetes and cancer, to best prepare you for the conditions you are most likely to encounter on the NCLEX Examination and in clinical practice Four new unfolding cases addressing long-term care, pediatrics, psychiatric/mental health nursing, and OB/maternity Additional emphasis on medication safety equips you to take appropriate actions to prevent or remediate medication errors Multiple-select questions revised to include at least 5 response choices each, keeping you up to date with the full range of NCLEX Examination item formats

Written by a distinguished educator and nursing text author, this rigorous review for the NCLEX-RN exam reflects the latest changes in the focus of the exam and mimics the exam structure. The author incorporates the new emphasis on client needs throughout the traditional course framework, giving students a unique, step-by-step path toward understanding and applying this key concept.

This is a unique case study reference for students in the medical surgical nursing core course and a review/workbook for students about to embark on the NCLEX-RN exam. Unlike other reviews, the book embeds required information into compelling, unfolding case studies—studies that evolve over time—in order to promote active learning and facilitate knowledge retention. These unfolding case studies are of particular value because they closely mimic real-life situations in nursing and provide situational mental models that assist students with problem-solving and critical thinking techniques. The unfolding case study method also assists in the development of skills that are important for NCLEX-RN success in assessment, planning, intervention, and evaluation of patient care. All content areas required for NCLEX-RN success—safe and effective care, health promotion, physiological and psychological integrity—are interwoven in an enjoyable format that dispels the drudgery of straightforward memorization. A variety of NCLEX-style question formats are used throughout the book to help students assess their own learning. Additionally, eResource links to additional information are included throughout the book. Key Features: Uses unique unfolding case study method to present medi-

cal-surgical concepts Promotes active learning and knowledge retention Develops problem-solving and critical thinking skills Provides all of types of NCLEX-style questions for exam preparation Offers eResources throughout the Review for enhanced learning opportunities

For anyone pursuing a career in practical or vocational nursing, this book can help you achieve an important milestone. It reviews all the important information that is likely to be on the NCLEX-PN license exam, from the nursing process to the physical and emotional conditions that nurses encounter. Each subject is presented concisely and thoroughly in outline format, for easier review. Anatomy, physiology, and pharmacology topics are integrated throughout the book to improve understanding. Practice tests help readers gain confidence and familiarity with material and with the new NCLEX style of questions. Key Features: *Written in a clear and concise outline form for better understanding *Practice tests have questions in the new NCLEX style to help you get ready for the exam *Nursing procedures are emphasized to sharpen skills and knowledge *NANDA nursing diagnosis are consolidated in tables throughout the book for easy access *Includes software with 200 sample test questions (LPN/LVN, Licensed Practical Nursing, Licensed Vocational Nursing, Practical Nurse, Vocational Nurse, exam prep, multimedia, NCLEX, nursing review)

A classic resource that has helped nurses pass the NCLEX exam for over 60 years, Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination, 20th Edition is fully updated to reflect the newest NCLEX-RN test plan. Content review is presented in a concise and full-color outline format organized by the core areas of medical-surgical, pediatric, maternity/women's health, and mental health nursing, with a practice test following each unit. More than 4,200 practice questions and rationales -- including more than 600 questions in the newest alternate item formats -- are written by a team of trusted NCLEX experts led by author Patricia M. Nugent. This title includes additional digital media when purchased in print format. For this digital book edition, media content may not be included.

A Davis's Notes book. Content review plus Q&A...perfect every time, every place, everywhere! Prepare for the NCLEX wherever you are—at home, in the library, or on the bus. Here are the tips, strategies, techniques, and content you need—all in one pocket-sized resource. You'll review all major content areas while you

hone your test-taking techniques. An access code inside unlocks 850 questions online at DavisPlus, with answers and rationales for correct and incorrect responses. See what students are saying about the previous edition...YES, YOU NEED THIS!!!! "This item was AWESOME, compact, and perfect for my studying. I passed on my first attempt! I highly recommend this little goody for all the soon to be RNs who are freaking out over their NCLEX appointment dates!" I found this to be a very useful pocket guide to keep in my purse. "I found this to be a very useful pocket guide to keep in my purse, and used it to study when I had down time. There was great information in there and I would recommend it." "Overall, very useful. Was able to get thru most of it before my NCLEX. I passed and am thankful to this book. Good luck!"

Let Marlene Hurst show you the fastest – and most efficient way -- to learn Medical-Surgical Nursing 98% of Marlene Hurst's students pass the NCLEX® That's because Marlene knows that just memorizing facts isn't enough – you need a strategy. In Medical-Surgical Nursing Review Marlene shows you how to apply critical thinking and test-taking skills rather than endure endless hours of memorization. With this proven, common sense approach, you'll slash your study time and focus on what you really need to know in order to excel on this important course. Medical-Surgical Nursing Review includes practice questions at the end of each chapter, complete with answers and explanations, and access to a download with an additional 300 practice questions and MP3 audio tips from the author. Marlene's helpful icons make it easy and fun for you to learn medical-surgical nursing: Marlene Moments: Tell you humorous stories of common student situations and mistakes Deadly Dilemmas: Alert you to situations that could affect patient safety Here's the Deal: Gives you an understanding of complex nursing and pathophysiology concepts Hurst Hint Helps you to understand core nursing content Factoids Teach you important clinical nursing facts and important points you need to know

Thoroughly revised and updated, the fifth edition of this prize-winning title retains the high level of illustration and accessibility that has made it so popular worldwide with medical students and trainees approaching clinical specialty exams. Illustrated Textbook of Paediatrics has been translated into eight languages over its life. Case studies. Summary boxes. Tips for patient education. Highly illustrated with 100s of colour images. Diseases consistently presented by Clinical features; Investigations; Management; Progno-

sis; and, where appropriate, Prevention. Separate chapters on Accidents Child protection Diabetes and endocrinology Inborn Errors of Metabolism New chapter on Global child health New co-editor, Will Carroll, Chair of MRCPCH Theory Examinations.

Provides students with a thorough grounding in those aspects of cardiovascular physiology that are crucial to understanding clinical medicine. A perfect review for the USMLE Step 1, the Fifth Edition features updated sections on muscle contractile processes and membrane potential, a new appendix with normal values for major cardiovascular variables, and updated study questions and case presentations.

Sandra Smith's Review for NCLEX-RN(r), Thirteenth Edition is a comprehensive and current evidence-based RN content review. Following the latest NCLEX-RN exam blueprint, it features 2,500 NCLEX(r) formatted practice questions with detailed answers and rationales that stimulate critical thinking. The reader-friendly approach includes a clear and concise outline format with study guidelines and test-taking strategies. It also covers all of the latest trends, evidence-based treatment guidelines, and additional updated information needed for safe clinical practice and patient care. New to this edition is an expanded emphasis on patient safety, the National Patient Safety Goals and NCLEX(r) examination preparation, ties to QSEN competencies, and a greater focus on evidence-based clinical practice. Please note, Navigate TestPrep must be purchased separately

This comprehensive NCLEX® review program is designed for indi-

vidual student NCLEX® review. The popular NCLEX® 4000 study software provides more than 4,000 NCLEX®-quality review questions covering all 29 topics in five major content areas, including fundamentals, pediatrics, psychiatric-mental health, maternal-neonatal, and medical-surgical nursing. The software delivers NCLEX®-style multiple-choice questions and alternate-format questions. Three study modes—pretest, review, and test—give correct and incorrect answers with rationales and new supporting references. NCLEX® 4000 includes important new questions on prioritizing and delegation, a key topic on the NCLEX® exam. Updated to reflect the National Council of State Boards of Nursing's latest test plan, including all forms of alternate-format questions.

Pass the NCLEX-RN! Passing the NCLEX-RN exam is not just about what you know—it's about how you think. With expert critical thinking strategies and targeted practice, Kaplan's NCLEX-RN 2016 Strategies, Practice & Review with Practice Test shows you how to leverage your content knowledge to think like a nurse. Features: * 10 critical thinking paths to break down what exam questions are asking * 8 end-of-chapter practice sets to help you put critical thinking principles into action * Streamlined content review, organized along the exam's "Client Needs" framework * Review of all question types, including alternate-format questions * Full-length practice test * Detailed rationales for all answer choices, correct and incorrect * Techniques for mastering the computer adaptive test With expert strategies and the most test-like questions anywhere, Kaplan's NCLEX-RN 2016 Strategies, Practice & Review with Practice Test will make you assured and confident on test day.

The thoroughly updated edition reflects the current NCLEX test plan and contains more than 5,000 test questions to help students practice taking the exam. The book contains more questions than any other NCLEX-RN review and includes more pharmacology-related questions.

NCLEX-RN AudioLearn is a complete audio review for the NCLEX-RN. This audio course helps you study for this challenging test in three powerful ways: You can study anytime, anywhere. On your commute to work or school, at the gym or while shopping, and before you go to sleep. You will remember the key points tested on the NCLEX-RN like the lyrics to your favorite song. You will greatly increase your study time efficiency allowing you to do other things important to you. NCLEX-RN AudioLearn covers all sections

of NCLEX-RN including: Safe, effective care environment Health promotion and maintenance Psychosocial integrity Physiological integrity And much, much more! Each topic is thoroughly discussed then followed by a question and answer and definitions session to reinforce the material reviewed in the context of the actual NCLEX Test. This is followed by a complete comprehensive test.

Nursing exam review for students preparing for the NCLEX. Uses cartoon-type illustrations, mnemonics, coloring exercises, and other alternative techniques. -- from Product Description

Ace the NCLEX-RN--with the help of nursing review pioneer Marlene Hurst! Use Marlene's unique "no cram, pass with what you already know" system and slash your study time in half Based on Marlene Hurst's phenomenally popular nursing seminars that train over 30,000 students annually, this innovative review is loaded with the author's time-tested strategies--all designed to help you pass the NCLEX certification and course exams the first time around! NCLEX-RN Review breaks the mold of other review books by explaining how to apply critical thinking and test-taking skills, rather than how to re-learn course content. Marlene shows you how to effectively work with the "think-on-your-feet" philosophy of the NCLEX-RN, not against it. Features: A complete NCLEX-RN toolkit--from the world's most sought-after speaker on passing the NCLEX Over 1,000 skill-building NCLEX-style questions, complete with answers and rationales Full of concise, easy-to-remember strategies that cut study time in half! An eye-catching four-color

format "Marlene Moments"--Marlene's humorous anecdotes of common student mistakes that offer a light-hearted look at how new nurses learn to succeed "What the NCLEX Lady Thinks"--valuable tips that reveal the rationale behind certain types of NCLEX questions and how to adjust your strategy accordingly Chapter-ending NCLEX practice questions that solidify important information and show you how it will be tested on the NCLEX examination Downloadable material includes 300 additional NCLEX-style questions, plus downloadable MP3 audio tips from Marlene Hurst's award-winning NCLEX reviews

Up to date and easy to navigate, Fischbach's A Manual of Laboratory and Diagnostic Tests, 11th Edition, details an extensive array of laboratory and diagnostic tests to prepare nurses and health professionals to deliver safe, effective, informed patient care. This proven manual is organized the way nurses think — by specimen, function, and test type— and provides current, comprehensive, step-by-step guidance on correct procedures, tips for accurate interpretation, and expert information on patient preparation and aftercare.
