"The Yellow Wallpaper" is a short story by American writer Charlotte Perkins Gilman, first published in January 1892 in The New England Magazine.[1] It is regarded as an important early work of American feminist literature, due to its illustration of the attitudes towards mental and physical health of women in the 19th century. Narrated in the first person, the story is a collection of journal entries written by a woman whose physician husband (John) has rented an old mansion for the summer. Forgoing other rooms in the house, the couple moves into the upstairs nursery. As a form of treatment, the unnamed woman is forbidden from working, and is encouraged to eat well and get plenty of air, so she can recuperate from what he calls a "temporary nervous depression - a slight hysterical tendency", a diagnosis common to women during that period

A modern cult classic, a major motion picture and a timeless best-seller, The Perks of Being a Wallflower is a deeply affecting coming-of-age story. Charlie is not the biggest geek in high school, but he's by no means popular. Shy, introspective, intelligent beyond his years, caught between trying to live his life and trying to run from it, Charlie is attempting to navigate through the uncharted territory of high school. The world of first dates and mixed tapes, family dramas and new friends. The world of sex, drugs, and music - when all one requires to feel infinite is that perfect song on that perfect drive. Standing on the fringes of life Charlie has a unique perspective of the world around him, but there comes a time to stop being a wallflower and see what it looks like from the dance floor. This haunting novel about the dilemma of passivity vs. passion has become a modern classic. Charlie's letters are singular and unique, hilarious and devastating and through Charlie, Stephen Chbosky has created a deeply affecting story that will spirit you back to those wild and poignant roller coaster days known as growing up. 'Chbosky captures adolescent angst, confusion and joy... Compelling.' Booklist 'This wistful, sensitive novel perfectly captures the uncertainty and excitement of adolescence, and has become a deserving modern classic.' Scottish Book Trust 'A coming-of-age tale in the tradition of THE CATCHER IN THE RYE and A SEPARATE PEACE... [Chbosky's] poignant reflections on life, love and friendship are often inspirational and always beautifully written.' USA Today

'Prepare to be dazzled' Paula McLain, author of The Paris Wife 'One of the essential reads of the year' The Times London, 1905. The city is alight with change and the Stephen siblings are at the forefront. Vanessa, Virginia, Thoby and Adrian are leaving behind their childhood home and taking a house in the leafy heart of

avant-garde Bloomsbury. There they bring together a glittering circle of brilliant, artistic friends who will come to be known as the legendary Bloomsbury Group. And at the centre of the charmed circle are the devoted, gifted sisters: Vanessa, the painter and Virginia, the writer. Each member of the group will go on to earn fame and success, but so far Vanessa Bell has never sold a painting. Virginia Woolf's book review has just been turned down by The Times. Lytton Strachey has not published anything. E. M. Forster has finished his first novel but does not like the title. Leonard Woolf is still a civil servant in Ceylon, and John Maynard Keynes is looking for a job. Together, this sparkling coterie of artists and intellectuals throw away convention and embrace the wild freedom of being young, single bohemians in London. But the landscape shifts when Vanessa unexpectedly falls in love and her sister feels dangerously abandoned. Eerily possessive, charismatic, manipulative and brilliant, Virginia has always lived in the shelter of Vanessa's constant attention and encouragement. Without it, she careens toward self-destruction and madness. As tragedy and betrayal threaten to destroy the family, Vanessa must choose whether to protect Virginia's happiness or her own.

Coloring books for confident girls who love scrunchies and want to save the turtles. 26 pages to color.

We have reached a pivotal moment for fishing, with seventy-five percent of the world's fish stocks either fully exploited or overfished. If nothing is done to stop the squandering of fish stocks the life of the oceans will face collapse and millions of people could starve. Fish is the aspirational food for Western society, the healthy, weight-conscious choice, but those who eat and celebrate fish often ignore the fact that the fishing industry, although as technologically advanced as space travel, has an attitude to conservation 10,000 years out of date. Trawling on an industrial scale in the North Sea takes 16 lbs of dead marine animals to produce just 1lb of sole. Regulation isn't working, fishermen must cheat or lose money, dolphins and other wildlife (seabirds, turtles, sharks) are killed unnecessarily and fish stocks are collapsing despite the warnings. The End of the Line looks at the problem and proves that we, as consumers, have to change if the situation is to improve.

GETTING RICH IS NOT JUST ABOUT LUCK; HAPPINESS IS NOT JUST A TRAIT WE ARE BORN WITH. These aspirations may seem out of reach, but building wealth and being happy are skills we can learn. So what are these skills, and how do we learn them? What are the principles that should guide our efforts? What does progress really look like? Naval Ravikant is an entrepreneur, philosopher, and investor who has captivated the world with his principles for building wealth and creating long-term happiness. The Almanack of Naval Ravikant is a collection of Naval's wisdom and experience from the last ten years, shared as a curation of his most insightful interviews and poignant reflections. This isn't a how-to book, or a step-by-step gimmick. Instead, through Naval's own words, you will learn how to walk your own unique path toward a happier, wealthier life.

Mrs. Chopin's most ambitious work, and that by many regarded as her greatest achievement, is 'The Awakening'. It was written in the belief that in this larger form she could best develop the qualities of her talent. The book shows breadth of view, sincerity, art of the finest kind, a deep knowledge of the woman soul, and accurate individualized character delineation. Edna, the wife of Leonce Pontellier, and mother of two children, is aroused by the simple love of a young Creole to the knowledge of demands in her rich passionate nature that cannot be satisfied by her wifely and maternal duties. Without a fitting education she tries to realize her self at the expense of her functions. Meeting with insurmountable obstacles in society and in her own soul, she surrenders life rather than her new independence.

In the village of Giant's Hand Jack's grandfather has been pushing him to find a princess and get married, so when a young lady falls out of the sky wearing a shirt that says "Punk Princess," and she tells Jack that her grandmother, who looks suspiciously like the long-missing Snow White, has been kidnapped, Jack decides to help her.

Nobel prize winner and author of *One Hundred Years of Solitude* Gabriel Garcia Marquez tells a tale of an unrequited love that outlasts all rivals in his masterpiece *Love in the Time of Cholera*. 'It was inevitable: the scent of bitter almonds always reminded him of the fate of unrequited love' Fifty-one years, nine months and four days have passed since Fermina Daza rebuffed hopeless romantic Florentino Ariza's impassioned advances and married Dr Juvenal Urbino instead. During that half-century, Florentino has fallen into the arms of many delighted women, but has loved none but Fermina. Having sworn his eternal love to her, he lives for the day when he can court her again. When Fermina's husband is killed trying to retrieve his pet parrot from a mango tree, Florentino seizes his chance to declare his enduring love. But can young love find new life in the twilight of their lives? 'The most important writer of fiction in any language' Bill Clinton 'An exquisite writer, wise, compassionate and extremely funny' *Sunday Telegraph* 'An amazing celebration of the many kinds of love between men and women' *The Times*

"The idea is inspired and the treatment piercingly beautiful . . . Two formidable artists have shown respect for the integrity of each other's work here and the result is magnificent." —*Independent* "Bob Dylan's back catalogue is used to glorious effect in Conor McPherson's astonishing cross-section of hope and stoic suffering . . . It is the constant dialogue between the drama and the songs that makes this show exceptional." —*Guardian* "Beguiling and soulful and quietly, exquisitely, heartbreaking. A very special piece of theatre." —*Evening Standard* "A populous, otherworldly play that combines the hard grit of the Great Depression with something numinous and mysterious." —*Telegraph* Duluth, Minnesota. 1934. A community living on a knife-edge. Lost and lonely people huddle together in the local guesthouse. The owner,

Nick, owes more money than he can ever repay, his wife Elizabeth is losing her mind, and their daughter Marianne is carrying a child no one will account for. So when a preacher selling bibles and a boxer looking for a comeback turn up in the middle of the night, things spiral beyond the point of no return . . . In *Girl from the North Country*, Conor McPherson beautifully weaves the iconic songbook of Bob Dylan into a show full of hope, heartbreak and soul. It premiered at the Old Vic, London, in July 2017, in a production directed by the author. Conor McPherson is an award-winning Irish playwright. His best-known works include *The Weir* (Royal Court; winner of the 1999 Olivier Award for Best New Play), *Dublin Carol* (Atlantic Theater Company) and *The Seafarer* (National Theatre). Bob Dylan, born in Duluth, Minnesota, in 1941, is one of the most important songwriters of our time. Dylan was awarded the Nobel Prize for Literature in 2016. He released his thirty-ninth studio album, *Triplicate*, in April 2017, and continues to tour worldwide.

A graceful, contemplative volume, *Camera Lucida* was first published in 1979. Commenting on artists such as Avedon, Clifford, Mapplethorpe, and Nadar, Roland Barthes presents photography as being outside the codes of language or culture, acting on the body as much as on the mind, and rendering death and loss more acutely than any other medium. This groundbreaking approach established *Camera Lucida* as one of the most important books of theory on the subject, along with Susan Sontag's *On Photography*.

In this story we meet a girl. She used to be happy. But as she grew things did not feel quite right. She felt more like a boy than a girl. What would happen if she told people? Would they understand? Would they help? This illustrated children's story explains what it feels like to be a child who isn't happy in their own body. It is aimed at young children to share what it means to be transgender without using the term itself. The story could also be used in discussion with young children about what it feels to be different. *This Is Me* is inspired by a real story and a former teacher's desire to reach out to young children in schools to talk naturally and openly about gender identity and gender transitioning. How do you talk about sexual identity to a young child who does not yet know about sex? Is it right and appropriate to discuss sexual topics with young children? That's the point, this book is not about sex it is about self-esteem, self-awareness and self-identity: gender identity. With this understanding comes diversity and accep-

tance. This book easily finds a home at Your Stories Matter, alongside other diversities including dyslexia, dyspraxia, ADHD and autism. By sharing this book with young children, the aim is to make gender diversity no big deal and no different to accepting and respecting ethnic diversity, religious diversity and forms of neurodiversity. As with all of its books, the publisher - Your Stories Matter - aims to help people know they are not alone with what makes them different. If a young person or adult can relate to a story, it gives them hope and encourages them to share their concerns. The publisher aims to provide free teaching resources for all of its books that can be used in schools, to help improve understanding and celebrate differences.

On her tenth birthday, Leah receives a surprise gift from glamorous Aunt Olivia, Mama's only sister, who lives in Los Angeles. It is a red rose box. Not many people in 1958 Louisiana have seen such a beautiful traveling case, covered with red roses, filled with jewelry, silk bedclothes, expensive soaps...and train tickets to California. Soon after, Leah and her sister, Ruth, find themselves in Hollywood, far away from cotton fields and Jim Crow laws. To Leah, California feels like freedom. But when disaster strikes back home, Leah and Ruth have to stay with Aunt Olivia permanently. Will freedom ever feel like home?

Photos are not just shots that have been taken spontaneously. They are also an interesting way which can tell us several things, or explain the feelings of the photographer. The photos in this book can be a mirror image of our lives, the situations we deal with and the problems that we all have to face. Insightful messages and interesting ideas arise from these unique photos by Achraf Baznani, a very perceptive and intuitive photographer that certainly knows how to bring life to reality with his excellent shots.

Sad Birds Still Sing is a highly anticipated book of poetry from anonymous author Faraway. In less than a year, he has become one of the most recognizable figures on the platform where he writes: Instagram (@farawaypoetry). In this book of selected poems and writings, Faraway takes the reader on a journey of discovery, with a message of hope running as the main artery through the pages. Sad Birds Still Sing fearlessly dives into the depths of the human condition, tackling topics such as new and old love, heartbreak, loss, anxiety, self-love, dreaming, and much more. With an emphasis on short-form poetry, worlds and ideas, emotions and thoughts are woven together on the pages.

"Shiva does not spell religion. Shiva spells responsibility -- our ability to take our very life process in our hands." -- Sadhguru 'Shi-va' is 'that which is not', a primordial emptiness; Shiva is also the first-ever yogi, Adiyogi, the one who first perceived this emptiness. Adiyogi is symbol and myth, historic figure and living presence, creator and destroyer, outlaw and ascetic, cosmic dancer and passionate lover, all at once. A book like no other, this extraordinary document is a tribute to Shiva, the Adiyogi, by a living yogi; a chronicle of the progenitor of mysticism by a contemporary

mystic. Here science and philosophy merge seamlessly, so do silence and sound, question and answer--to capture the unspeakable enigma of Adiyogi in a spellbinding wave of words and ideas that will leave one entranced, transformed.

Winner of the Pulitzer Prize "The book is a form of meditation, written with headlong urgency, about seeing. . . . There is an ambition about her book that I like. . . . It is the ambition to feel." — Eudora Welty, New York Times Book Review Pilgrim at Tinker Creek is the story of a dramatic year in Virginia's Roanoke Valley, where Annie Dillard set out to chronicle incidents of "beauty tangled in a rapture with violence." Dillard's personal narrative highlights one year's exploration on foot in the Virginia region through which Tinker Creek runs. In the summer, she stalks muskrats in the creek and contemplates wave mechanics; in the fall, she watches a monarch butterfly migration and dreams of Arctic caribou. She tries to con a coot; she collects pond water and examines it under a microscope. She unties a snake skin, witnesses a flood, and plays King of the Meadow with a field of grasshoppers. The result is an exhilarating tale of nature and its seasons.
