Start with these five tips to downsizing your home, which include decluttering tricks, specific downsizing tips, and ideas to clean up and clear out.

### 33 Genius Tips for Downsizing Your Home After 50 | Best Life

**Financial opportunities when downsizing or selling your ...** It's a rite of passage almost no one will escape: the difficult, emotional journey of downsizing your or your aging parents' home. Here, nationally syndicated home columnist Marni Jameson sensitively guides readers through the process, from opening that first closet, to sorting through a lifetime's worth of possessions, to selling the homestead itself.

Disposal options discussed include selling the house; storage; working with bulk buyers; navigating online sales; selling goods at flea markets, secondhand, pawn, and consignment shops; rehoming and donating goods; and holding estate sales. Websites listed in the bibliography are current as of this review.

Downsizing and dismantling a home filled with possessions from

the past 20 or 30 years can be emotionally difficult, experts say. "Items can be sentimental or there can be some other important meaning to them," says David Mischoulon, director of the Depression Clinical Research Program at Massachusetts General Hospital.

Building on the award-winning Downsizing the Family Home, this guide—part journal, part workbook, part scrapbook—gently walks downsizers through their profound journey. It's just stuff! Maybe so, but sorting through it all and quieting the emotions that downsizing stirs up is difficult—whether you're going through your own or your parents' home.
