A human born into a breeding manor never has a choice...I am a slave, but at least I am alive. When the man with wings and scales gave me a second choice--I took it. The others of his kind pin me with hungry eyes, but I'll do what I must to survive. I'll preside over their Draken Games--and choose a winner every night to share my bed. The alternative is death. Traded from one prison to the next I have but one hope left--the Lost Siren. I must find her before the demon hordes come if these men---Drakens--have any chance of escaping their mountainous prison, and me along with them. Perfect for fans of Jennifer L. Armentrout, *The Lost Siren* is the exhilarating introduction to the *Rise of the Drakens* series.

Blithe Li is a wellspring—a vessel containing magic that can only be used by a magi. The only problem is, women aren't supposed to be wellsprings. In a world where powerful female magic workers rule, and vulnerable male wellsprings must follow the rigid social norms meant to keep their magic pure from corruption, Blythe doesn't fit in anywhere. She can't actually use magic, the way a woman should. Wellsprings can't own property and have very little in the way of basic rights. And Blythe has no hope of making a fortuitous match and becoming a magi's favored lover and pet, the way a male wellspring would. Instead, she's an embarrassment and burden to her parents, who already have a house full of normal boy wellsprings to marry off. Blythe's world is turned upside down when a commission for a clockwork dragon ends with a proposal she never could have imagined—and leaves her bonded to the future queen of the Imperial American States. But this is no Cinderella story. Blythe's future wife, Raina, is engaged in a quiet, deadly battle of politics and power with the current regent as she

approaches her coming of age and her ascension to the throne. Blythe soon finds herself fighting alongside Raina for every freedom she's ever dared dream of, as they try to completely remake a kingdom. But will Raina's efforts to gather the support of a misfit court with the magic of only a pair of newly bonded wellsprings be enough to save them all from accusations of treason, murder, and all-out war? *Clockwork Dragon* is an "outside the box" romance of monarchy and mayhem. It is set against a rich steampunk regency backdrop in an alternate world where magic has influenced the development of technologies and nations, and where Regency and Victorian era gender norms are reversed. It features a clockwork dragon guard dog, an irreverent and intimidating future queen, a metal-worker-turned-consort, and a poly relationship with a vessel of fire and air. Oh, and airships...plenty of airships. This story includes diverse characters and LGBTQIA elements, including lesbian, bisexual, and poly romance, as well as reversed and fluid gender norms. Author's Note: This isn't your usual reverse harem. It isn't your usual steampunk book. And these aren't your usual victorian/regency gender norms.... *99,000 words without any extra "fluff" at the end. *This book is not a serious historical book. It is a fantasy and liberties have been taken! *The initial/main romance in this book is F/F, however it later develops into a poly relationship with M/F, F/F, M/M, and M/F/F scenes. *There may be mentions of trauma, though this isn't explicit on the page stuff. *There is some mild-moderate violence. *No, I can't send you your own Sparrow. Sorry. *This book is intended to be a stand-alone story. Whether there are any more books in this world will depend entirely upon demand and the graces of the writer muse.

Magic Bonded is the second book in this

dystopian romance series. This action-packed, heart-wrenching ride gives you a kickass heroine, three irresistible shifters, a steamy romance with no choosing required, and evil enemies like you've never seen before in each book. I'm captured by dragon shifters. They say I'm their fated mate. If they discover I'm magical, I'll be put to death. I reject them, but they don't take no for an answer. It doesn't matter how they soften my heart or make my body sing. The rule of The Six is absolute. If I don't keep my secret, then Drisella will kill them. I can't let that happen. I have to get back to the wolf shifters who've protected me all my life. I've learned what The Six are planning to do and I must warn them. Ancient Fae magic has awoken inside me. A little piece of the fabled Fae King's grimoire demands to be let loose and I can't control it. The secret of my past is remembered. A decades long plan has started that the parents I never knew died for. The Six are coming for us. My dragon mates are in danger. I must control the untameable magic locked inside me and take down the most powerful beings to ever have lived.

One last chance to end the suffering, Sophia and her mates risk it all! After learning of the existence of her half-sister, Sophia had to rethink her whole life, who she is and wants to be. Leading to her finally taking the antidote against the anti-shifting elixir and connecting with the dragon inside her. Now Sophia and her hoard are ready for the final step, find the research centre hidden in the mountains, free the missing earth dragons and take out anyone who stands in their way. The plan is as effective as it's simple. But when they arrive at the research centre, things don't exactly go as planned. The handful of guards outside the place are easy enough to take down, but when they're about to enter the building, they realise they've walked right into a trap. A trap meant to catch them and take them out so that the renegade fae can take over the area. Can they survive, or will this be the end of their journey? This is the sixth and final novella in the Guarding Their Dragon Mate serial, a six episodes long reverse harem #WhyChoose story. This novella may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story takes place in the same world as the Lughnasadh Elite Academy and happens after the events from the other series. Both series can be read stand-alone, they are about different characters, but they are connected.

Couldn't her first week of new responsibilities have ended at least a little less... bloody? Sophia and her men have barely left the safety of the Academy grounds when they're faced with the first big obstacle, a group of renegade fae soldiers set on killing them before they reach their destination. But the fae soldiers obviously underestimated the group of highly trained fighters, from fire dragons to werewolves and even an assassin, and the five manage to survive the attack with minimal losses. Minimal losses, but a very real sense of the danger ahead of them. Can they reach the dragon town without more attacks or trouble, and what will they find

once they're there? Maybe more importantly, what happens between Sophia and her men now they've put their lives in each other's hands? This is the second novella in the Guarding Their Dragon Mate serial, a six episodes long reverse harem #WhyChoose story. This novella may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story takes place in the same world as the Lughnasadh Elite Academy and happens after the events from the other series. Both series can be read stand-alone, they are about different characters, but they are connected.

Just when Sophia thinks she's got a handle on things going on in the dragon town, her whole world is rocked, quite literally. While Sophia, Gale and Topaz 'get to know' each other more intimately, things are the school they're camping out at have taken a turn for the worse. A group of dragon rebels were supposed to arrive today, but they never did, making everyone worry that they might have been caught by the deserter fae soldiers roaming the area. As Sophia makes it back to the school, she finds out that the parents of Gaia, the little earth dragon orphan, went missing last full moon and it's another full moon tonight... Then more bad news reaches her, another two sets of parents have gone missing... Sophia and her men try everything in their power to find out why earth dragons are going missing, what's happening to them. Why can Gaia still sense her parents when they're not there? And what does a magically locked room at the local library have anything to do with it? This is the fourth novella in the Guarding Their Dragon Mate serial, a six episodes long reverse harem #WhyChoose story. This novella may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story takes place in the same world as the Lughnasadh Elite Academy and happens after the events from the other series. Both series can be read stand-alone, they are about different characters, but they are connected.

It's time for the dragon marked to rise... Jessa Lebron doesn't have a lot to complain about. doned her, returns to the pack bearing secrets that change everything. The biggest secret of all: Jessa is dragon marked, a designation that places her in grave danger. For a thousand years, every supernatural child born with the mark was eliminated to prevent the rise of the dragon king, a fearsome ancient warmonger. Braxton Compass, the most feared of the dragon shifters, is right there with her. Together they'll have to survive long enough to free themselves and the other dragon marked. Before the king rises. *Note from author: this story was previously published by Skyscape. There are no changes to this version.

Now a complete series What do a heartless Dragon Shifter, a cold-blooded Basilisk, an arrogant Lion Shifter and a brooding, tattooed Harpy have in common...? Me. Elise Callisto. Vampire. Angel of vengeance. And a girl on a mission to destroy one of them for murdering my brother. I just don't know which one did it yet. When I interrogated/accidentally killed a Werewolf who was high on a new and dangerous drug called Killblaze, his final words painted a dark reality for me. The King of Aurora Academy killed my brother. The trouble is, there's four kings at the academy and each of them have motive and bloodthirsty natures. Aurora Academy isn't a place for the faint of heart. To put it lightly, my town is the cesspit of Solaria where the most cutthroat Fae in the kingdom reside. The school itself is divided by the two gangs who run this city. The Lunar Brotherhood and the Oscura Clan. And guess what? Two of the kings run the gangs at the academy, their hatred for each other so fierce I hear a day doesn't

go by without blood being spilled in the halls. I might be a petite, lilac-haired girl who looks like I couldn't hurt a fly, but they haven't been introduced to my fangs yet. And they don't know why I'm really here. Or that I'll do whatever it takes to bring down the Fae who took my flesh and blood from me. I don't believe in fate, but I do know this... the King who killed my brother is a dead man walking. And I'm prepared to sacrifice my heart, body and soul to ensure I get my revenge.

One dragon going insane, six loved ones fighting for a future. When Litha finally saw her parents again, they brought with them information about the prophecy that had been mis-interpreted for nearly two decades, changing everything Litha, Phoenix and the princes thought they knew about their fate. Rune and Bane are getting worse and worse, the venom from the fae blades shutting their bodies down as they're waiting for an antidote to stop and hopefully reverse the damage. Everyone's emotions are running high, the trauma and stress from the last days pushing them to their limits. Will the antidote be on time? Will their love and friendship survive even more strain? This is the fifth novella in the Lughnasadh Elite Academy serial, a reverse harem #WhyChoose story. This novella may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story includes MF, MM and also FF scenes, but everyone is primarily focused on Litha and there are no sexy scenes between the guys and the other girl.

Dragon shifters have a horrific habit of kidnapping human children to sacrifice to their goddess. They miscalculated when they took expert thief Yara Parmstone's little brother, though. Now, Yara is out for revenge—after she finds the final key that will allow her to save him. But the three scorching hot, mysterious men who hold that key have a message for Yara—the dragon goddess has something important in store for her. Too bad it's not as fun as a forked dragon tongue. Soon, Yara's racing against time to steal back her brother before his fate—and hers—are sealed.

It takes more than blood to be a dragon. You have to fight for everything you want in this world, then fight to keep it because there will always be someone that tries to take it away from you. In a world of nothing but predators, the only way to the top is to claw your way there. You have to be the monster other monsters fear. Ezra's spent her life in hiding, but that all comes crashing down when three men fleeing for

their lives bring the very trouble her family has protected her from to her door. Fight or flight, it all comes down to one very important question. Why settle for something as mundane as simply existing when you have the potential to be so much more? Contains: *Overprotective brothers *brutal fun and games *Men that adore her *Multi POV *HFN standalone This is a humorous, HFN standalone, 18+ Reverse Harem dragon shifter romance. While the book contains copious amounts of humor, it does allude to a few situations that people may find triggering, so please read the note in the beginning of the book if you are concerned before reading. I do intend to write another book or so in this universe, but any books will be HFN standalones that can be read completely independently. This means that I will wrap things up with our main characters' story, but leave a little opening into bigger world problems that affect the characters in another book, as well as some cameos.

Sophia's family turns out to be even more... complicated, than she originally knew. When Sophia and her men finally make it into the magically locked room in the library, the room that has as far as they know been closed off for decades, they not only find out how long Sophia's father's side of the family has been in the area, but that they've secretly been doing research for the fae the whole time. The five's nosing around in the room triggered some alarm and Sophia's half-sister shows up to check out what's going on. Her half-sister, who Sophia had no idea existed and who has a fae mother... Things should have become easier now that Sophia and the others have found her family's research in the library and can use it to their advantage, but more than answers, it throws up questions for Sophia. Questions about her father, about who she really is, who the rest of her family are and what they've done to the people from the town where she grew up. Most of all, it throws up questions for her about what it means to be a half-dragon, now that the connection she felt with her witch side of the family has gotten so tainted. One sassy pyromaniac thief, three sexy-as-sin monsters, and a paranormal conspiracy of epic proportions. It was an ordinary job. Another night, another asshole collector of the supernatural. I free some poor little beasties from their cages, pocket a few trinkets to pay my bills, and burn the place down on my way out. Just call me the Robin Hood of monster emancipation. I didn't count on three manly monsters following me home like lost puppies. Stunningly hot lost puppies, but still. Now I've got a seductively cheeky incubus, a sweetly enthusiastic demon, and a grimly stoic angel camped out in my kitchen. They're determined to repay me for my help, and they won't get out of my apartment until they're satisfied we're even. To be fair, they've got no place else to go. A covert band of hunters captured their boss, and the trail is ice-cold. I'll lend a hand if it means I can send them packing... and when it looks like we're up against the same creeps who murdered the person I loved most, you'd better believe I'm all in. Track down the baddies. Steal back the boss. Don't get killed along the way. Oh, and maybe hook up with a monstrous hottie or two. Piece of cake. I'm so going to regret this. *Shadow Thief is the first book in a new urban fantasy series from bestselling author Eva Chase. If you love kick-ass heroines with sass to spare, drool-worthy monsters who have their own sense of morality, and steamy romances where there'll be no choosing required, dive in now!*

Six men, one woman, a curse threatening to tear them all apart. I've never really believed in the idea of soulmates, but if I had, I suppose I might've seen it through the pink lenses of the romance movies that I enjoy more than I would like to admit. But movies aren't reality, and my luck has only ever been of one type--rotten. It stands to reason that my supposed love story and whirlwind soulmate romance

turns out to be anything but rosy. It takes one single wrong decision, one night of reluctant clubbing, for my life to turn to hell. Suddenly I'm surrounded by shape-shifting assassins, vampires who say they want to devour me, and immortal princes who claim they can't feel. For some reason, more than one of them seems to think that I'm their soulmate, and that because of that, they need to die. To protect me from some awful, ancient curse, apparently, as if I'd ever ask for my life to be kept safe at the cost of their own. It's up to me to change their minds, because nobody else seems to have any sense whatsoever. Between having to wrangle suicidal soulmates, the mysterious voice that has suddenly popped up in my head and a strange power I hadn't even been aware I had, my hands are more than a little full. FML. Honestly, I really wish I'd stayed home and just watched a movie. How is this my life? Awakening Angel is a 84.000 words reverse harem dark paranormal romance that contains M/M content, cussing, violence and dark themes. Some readers may find certain elements disturbing. But if you're in the mood for something edgier, by all means, join my insanity!

An urban fantasy, dragon reverse harem romance. When I became a dragon, my magic evolved. The shift unlocked something other. Something far more dangerous—and deadly—than anyone expected. There's an entirely new depth to my magic, and for the first time, I truly have no limits. There are no boundaries to what I can do—and that terrifies everyone who has been trying so desperately to control me. The fact is, I'm a diamond dragon—the only one of my kind. The only other diamond dragons in history were the gods themselves. So... what does that make me? A war is brewing, and try as I might, I can't help but be in the center of it. The Knights want to use me as propaganda to fuel their anti-dragon message. The Bosses want to break me until I bow before them. Harper needs my help to stop this war before it destroys her entire family. It's me and my men against the world, and thank the gods I have them—because in the blink of an eye, everything I ever believed in is destroyed. Because, even from beyond the grave, my former mentor might have found a way to kill me. One act of desperation, two princes in dire situations. The first day of the new academic year started pretty normal for Litha, between hanging out with the princes and Phoenix and going to her first class it all seemed perfectly simple, but it ended horrifically wrong with Litha, Kit and Rune locked in a room at the succubi cafe, surrounded by fae soldiers. As they broke free, Litha sacrificed herself to save the woman she'd always thought of as her grandma. In the fallout after Litha's magnificent magical attack, things become even more grim as Litha, Phoenix and the princes are surrounded by the rest of the fae army, who are now slowly closing in on them through the thick smoke. They can't see the soldiers, but they can hear them come closer. The five have to stand their ground, protect Litha and her grandma, and try not to get killed before backup reaches them. But when the fae soldiers reveal their new weapons, things get even more dicey. Will they make it out? And in what condition? This is the fourth novella in the Lughnasadh Elite Academy serial, a reverse harem #WhyChoose story. Sophia thought she'd be fighting the fae army, not her attraction to four handsome rebels... Orphaned at twelve, half-blood Sophia, part witch, part water dragon, spent most of her life as a member of the secretive dragon rebel army, trying to protect kids like her. But now the war against the fae is won, the new kings have chosen her to rebuild the war-torn dragon lands. First problem? She has no experience leading anyone. Second problem? The area is dangerous, filled with renegade fae soldiers, still loyal to the old fae king. Third problem? Or should that be her first problem? The team assigned to help her might be more of a distraction than an asset. One spoiled fire dragon who won't take orders from anyone. One broody air element witch carrying a lot of pain from his past. One soft-spoken werewolf with hidden strength. And one mysterious fae... Four very hot sources of trouble. Can she save her people, rebuild what was lost, and protect her heart all at the same time? This is the first novella in the Guarding Their Dragon Mate serial, a six episodes long reverse harem #WhyChoose story. This novella may include any of these elements: steamy scenes, 'I need tis-

I'm surrounded by dragons, and they're all afraid of me. At the age of nine, I mistakenly touched someone else, giving him excruciating pain. Through that awful experience, I found out that a graze of my fingertips could torment any being with dragon blood. Because I was surrounded by them in my kingdom, my ability labelled me as cursed. And with that, my family lost everything. I promised myself to never be shunned away again. That I had to be someone important for people to look up to. A crucial vote was coming up and I would do anything to win it. Then I met them. Four hidrae princes, dragon-shifters of the most powerful kind, who were immune to my abilities. Being able to touch someone else was intoxicating. Associating with them was killing my chances of winning the vote, but the princes drew me in--Rylan with his regal demeanor, Micah with his mystery, Kael who threw all care to the winds... and Gaius?
