Catalogue Brewery utilities: manual of good practice. Brewery utilities: manual of

good practice. Benson, J. T; European Brewery Convention; EBC Technology and Engineering Forum. Book. English. Published Nurnberg: Getranke-Fachverlag Hans Carl, 1997. Available at O'Reilly Library.

Please follow the link below to attempt the EBAss/EBC European Certified Hyperbaric Chamber Operator (ECHCO) practice examination; once the examination is complete (it is only 15 questions) we would very much value your feedback using the form that is available on completion of the test.

In practice, however, the opposite is true; the finer the grind, the more the mash will clump and become sticky, the malt husks having been pulverized along with the starchy endosperm. Pulverized husk cannot not serve to "fluff up" the grain bed for

the proper rinsing of sugars out of the mash by the sparge water.
