Economic Analysis Moral Philosophy And

ments in economic analysis, they argue instead that such inclusion is practically unavoidable. Their aim is not to purge from economics all traces of moral philosophy, but to debunk the pretense that economists make their pronouncements from a purely objective, value-free vantage point. Recognizing the moral judgments that are

Economic Analysis and Moral Philosophy, David M. Hausman and Michael S. McPherson. Cambridge University Press, Cambridge, 1996, Xii + 249 Pages. [REVIEW] Geoffrey Brennan - 1998 - Economics and Philosophy 14 (2):339.

Economic Analysis, Moral Philosophy, and Public Policy shows through argument and numerous policy-related examples how understanding moral philosophy can improve economic analysis, how moral philosophy can benefit from economists' analytical tools, and how economic analysis and moral philosophy together can inform public policy.

Understanding moral philosophy can lead to better economics. Conversely, economic insights and analytical tools can help philosophers. This book draws these two ideas together. Part I focuses on rationality and argues that, in defending their model of rationality, economists find themselves espousing fragments of a highly contestable moral theory.

Economic Analysis and Moral Philosophy - Daniel M. Hausman ...
