Reinforce understanding throughout the course with clear topic summaries and sample questions and answers to help students target higher grades. Written by experienced subject experts Cameron Dunn and Michael Witherick, this Student Guide is divided into two key sections - content guidance, and sample questions and answers. Content guidance will: - Develop understanding of key concepts and terminology in key physical geography topics tectonic processes and hazards, landscape systems, processes and change (glaciated and coastal), the water cycle and water insecurity, and the carbon cycle and energy security. - Consolidate knowledge with 'knowledge check questions' at the end of each topic and answers in the back of the book. Sample questions and answers will: - Build understanding of the different question types, so that students can approach each question with confidence. - Enable students to target top grades in their exam paper with

sample answers and commentary explaining exactly why marks have been awarded.

A student-friendly and engaging textbook for Year 2 of the Edexcel GCE A Level specification. Written to match the demands of the new spec, this Student Book motivates your students with accessible, interesting content and up-to-date case studies, while retaining the required rigour.

There is much public concern about threats to global biodiversity. Industrial pollution, changes in agricultural practices and climate change, are all having a direct impact on biodiversity. In this book the Editors provide a broad view of the many pressures imposed by human-induced changes and the many threats to global biodiversity and of the policy responses required to combat them. This excellent text includes the work of some 44 authors and offers a solid description of the current understanding of threats to biodiversity with a range of illustrative examples - a valuable point of reference for ecologists, environmental scientists, and students as well as, policymakers and all other environmental professionals.

Reinforce students' geographical understanding throughout their course; clear topic summaries with sample questions and answers help students improve their exam technique and achieve their best. Written by teachers with extensive examining experience, this guide: - Helps students identify what they need to know with a concise summary of the topics examined at AS and A-level - Consolidates understanding through assessment tips and knowledge-check questions - Offers opportunities for students to improve their exam technique by consulting sample graded answers to exam-style questions - Develops independent learning and research skills - Provides the content students need to produce their own revision notes

Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements, summarises the relevant unit content and includes a series of specimen questions and answers. A Content Guidance section combines an overview of the specific unit or module and the key terms and concepts, with an examiner's interpretation so that students understand precisely what they need to understand and learn, the skills required and the potential pitfalls. A Question and Answer section provides graded answers, typically A and C, to questions which have been set to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses, giving students an insight into the mind of the examiner.

A revision guide specifically written to meet the requirements of the first unit in the AQA AS Accounting exam. It includes commentary on key points and concepts, with specimen questions and answers, together with examiners' comments.

With GCSE Edexcel B Geography My Revision Notes you can aim for your best grade with the help of relevant and accessible notes, activities and examiner advice for each key topic. Please note this title is suitable for any student studying:Exam Board: EdexcelLevel: A Level Year 1 and ASSubject: GeographyFirst teaching: September 2016First exams: June 2018A student-friendly and engaging textbook for the Edexcel GCE A Level Year 1 and AS specifications. It has been specially written to match the demands of the 2016 specifications and has been endorsed for Edexcel.

The coverage of key geographical concepts and processes is accessible and clear, and all students will be engaged by the interesting, up-to-date examples and case studies - while the rigour, detail, and depth required by the specifications is retained throughout. Clearly-written objectives open each section, setting out for students what they need to learn, and high-quality photos, maps, and diagrams aid explanations. Motivating activities, exam-style questions, and coverage of the required skills are strong features. The book is completed with a glossary for each chapter and a full index. Answer guidance for the activities is available on Kerboodle (school purchase only).

Exam Board: AQA Level: AS/A-level Subject: Geography First Teaching: September 2016 First Exam: June 2018 AQA approved Encourage every student to develop in-depth knowledge and advanced geographical skills with this Student Book from the leading A-level Geography publisher\*, fully updated for 2016 with detailed content coverage, fascinating case studies and assessment preparation materials. - Enables students of all abilities to increase, apply and revise their subject knowledge as they work through clear explanations of key terms and topics - Brings geographical theory to life by providing a rich source of up-to-date case studies for each physical and human topic - Builds the core, cartographic, graphical, statistical and ICT skills that students need to maximise their potential through a dedicated skills section tailored to AQA's 2016 specification - Helps students engage with challenging concepts, reflect on their learning and map their progress with pointer questions throughout and end-of-chapter review questions - Allows AS and A-level students to approach their exams with confidence by undertaking a variety of practice questions written by subject specialists with examining experience - Supports you in planning relevant and exciting fieldwork projects that meet the changed fieldwork and investigation requirements \*Taken from Educational Publishers Council statistics

Motivate pupils to develop their geographical skills, knowledge and understanding as they become engaged and accomplished geographers, ready for the demands of GCSE. Specifically designed to provide a solid foundation for the 2016 GCSE specifications, this Student Book takes an enquiry-based approach to learning within each unit and lesson. - Easily and cost-effectively implement a new KS3 scheme of work: this coherent single-book course covers the latest National Curriculum content, providing 150 ready-made lessons that can be used flexibly for a two or three-year KS3 - Build and improve the geographical knowledge and skills that pupils need: every double-page spread represents a lesson, with rich geographical data and place contexts for pupils to interpret, analyse and evaluate - Lay firm foundations for GCSE: key vocabulary, command words and concepts are introduced gradually, preparing pupils for the content and question types they will encounter at GCSE, with a particular focus on analysis and evaluation questions - Effectively assess, measure and demonstrate progress: formative assessments throughout each lesson and summative end-of-unit reviews include questions that show whether pupils are 'working towards', 'meeting' or 'exceeding' expectations - Encourage pupils to check and drive their own progress: learning objectives and end-of-unit learning outcomes help pupils reflect on their learning and make connections between key concepts and skills throughout the course

Written by senior examiners, Cameron Dunn and Sue Warn, this Edexcel AS Geography Student Unit Guide is the essential study companion for Unit 1: Global Challenges. This full-colour book includes all you need to know to prepare for your unit exam: clear guidance on the content of the unit, with topic summaries, knowledge check questions and a quick-reference index, examiner's advice throughout, so you will know what to expect in the exam and will be able to demonstrate the skills required and exam-style questions, with graded student responses, so you can see clearly what is required to get a better grade.

Edexcel (A) Advanced Geography meets the specific needs of AS and A2 students by providing comprehensive and accessible coverage of the Edexcel (A) specification. Printed in full colour and

highly illustrated throughout, the textbook will guide students through the specification, helping them to develop the required knowledge and understanding of the core topics in physical and human geography examined in each unit. Written by Andy Palmer and Nigel Yates, both experienced authors and senior examiners, the textbook comprises 17 chapters, each covering in detail the subject content of one of the three sub-sections to each AS and A2 unit. Key terms are clearly explained and geographical processes and topics illustrated with up-to-date case studies and full-colour maps, graphs, diagrams and photographs. Regular examiner's advice explains the important points about a topic that students need to understand and apply correctly in the exam. Each chapter concludes with sample examination-style questions written to reflect the demands placed on students by the examination papers, and synoptic links to show how the topics relate to other parts of the specification.
