A common framework used by business experts like those at McKinsey is the purpose, importance, preview (PIP) approach to presentation introductions. Following this approach, the speaker first states the purpose of the presentation,...

Good communication builds good teams. When team leaders are effective communicators, they inspire workers to reach for a common goal. They make sure everyone knows their responsibilities and how to perform them. With an open dialogue, employees pitch in when others in the organization need their help, and know when to ask for help, in return.
