"La Kabbalah trata acerca de cómo obtener el control sobre el mundo físico, incluyendo nuestras vidas personales, en el nivel más fundamental de la realidad. Trata sobre alcanzar y extender el poder de la mente sobre la materia, así como desarrollar la habilidad para crear plenitud, alegría y felicidad a través del control de todas las cosas en el nivel más básico de la existencia. De esta forma, la Kabbalah precede y presagia la última y más apasionante tendencia del desarrollo científico y tecnológi-

co más reciente: la aplicación de la nanotecnología en todas las áreas de nuestra vida con el fin de crear resultados mejores, más poderosos y eficientes. En Nano, uno de los kabbalistas más relevantes de nuestra era, desmitifica la antigua sabiduría de la Kabbalah mostrando su conexión con el pensamiento científico más actual y revelándonos cómo la unión de ambos dará lugar al fin del caos en un futuro cercano. Comparte el entusiasmo que Rav Berg expresa en este libro, y encuentra las respuestas a la vida que estás

buscando."--Back cover.

So what exactly fuels the popularity of the Red String, seen on the left wrists of so many celebrities? With the official Red String provided in the back of The Red String Book we offer everyone the opportunity to discover it for themselves. Rooted in the ancient, timeless wisdom of Kabbalah, this simple tool holds the power of protection. No matter what race, religion, faith, or gender, anyone can experience transformation and ignite self-fulfillment as a result of reading The Red String Book. Is it possible to turn that rush that comes from closing a business deal or having a brief, passionate affair into an enduring sense of wholeness and peace? Kabbalah, according to its increasingly large group of practitioners, is the path from that fleeting feeling of pleasure that most people settle for to the lasting fulfillment that is their birthright as human beings. In *El poder de la Cabal*, renowned teacher Yehuda Berg shows how to view and navigate through life by tapping Kabbalistic truths. He explains the key process of transforming from a reactive to a proactive being that will in turn trigger increased creative energy, greater personal power, and a stronger and more satisfying sense of life. These

teachings include embracing rather than avoiding problems and obstacles as true opportunities for spiritual development; making miracles through positive thinking; and accepting responsibility for what happens in one's life.

Yehuda Berg's new book puts power back in the hands of the people. Taking into account the urgency of our times, Berg used the immediacy of social networking to engage the public in this book's creation, helping draft a new reality where everyone benefits. Each section focuses on a topic of concern to global citizens, from the environment and healthcare to the ongoing financial crisis. A special section shows how readers can use the principles of Kabbalah to effect positive change in themselves and in the world.

Those who suffer from depression know that their desire to experience the world is severely compromised by their condition, and although several prescription drugs exist to ameliorate these symptoms, none offer a hard-and-fast cure. In his thoughtful new book, Yehuda Berg describes the wisdom to be found in Kabbalah and this wisdom's specific application to those who

suffer from depression. Including case histories from people who have relieved depression through using Kabbalah's techniques, this book offers assistance to those who truly need it."

In the words of Michael Laitman, "It is beyond human comprehension to understand the essence of such spiritual qualities as total altruism and love. This is for the simple reason that human beings cannot comprehend how such feelings can exist at all, as everyone seemingly requires an incentive to perform any act; without some personal gain, people are not prepared to extend themselves. That is why a quality such as altruism can only be imparted to a person from Above, and only those who have experienced it can understand it." *Attaining The Worlds Beyond* is a first step toward discovering the ultimate fulfillment of spiritual ascent in our lifetime. This book reaches out to all those who are searching for answers, who are seeking a logical and reliable way to understand the world's phenomena. This magnificent introduction to the wisdom of Kabbalah provides a new kind of awareness that enlightens the mind, invigorates the heart, and moves the reader to the depths of

their soul.

From best-selling author and noted teacher and speaker Yehuda Berg comes a thought-provoking call to action on our current global crisis. Positing that our collective abdication of responsibility — in every

facet of our lives, including business and the economy, the environment, government and politics, healthcare, education, and religion — has contributed to the problems and challenges we face, Berg asserts that taking responsibility for our actions (or lack thereof) and their consequences is the key to achieving change for the better. Berg urges readers to access the power within each of us, using the principles of Kabbalah, in order to create the consciousness shift required for lasting positive change.

By explaining the Tree of Life and the principles of the four worlds within every human being, this exhaustive guide goes beyond a simple introduction to kabbalah and examines in-depth how human personality fits into kabbalistic thought. By investigating the relationship between the laws of biology and its process and analyzing of the psyche's anatomy, this study demonstrates how to undertake an exploration of the soul and subsequently develop the conscious. Explicando el Árbol de la Vi-

da y los principios de los cuatro mundos presentes en cada ser humano, esta guía exhaustiva va más allá de proveer una simple introducción a la kabbalah y examina a profundidad cómo la personalidad humana cuadra con el pensamiento kabbalístico. Investigando la relación entre las leyes de la biología y su proceso y analizando la anatomía de la psique, este estudio demuestra como llevar a cabo una exploración del alma y posteriormente desarrollar la conciencia.

In this memoir, Rav Berg illuminates the profound bond between teacher and student, painting a beautiful portrait of one of the greatest kabbalists of our time—Rav Yehuda Brandwein. Set in Israel during the tumultuous days before and after the Six Day War, this book traces the development of their special relationship and shares the wisdom gleaned from it. Within its pages, we sense their passion for bringing the ancient wisdom of Kabbalah to the contemporary world. This is the spiritual journey that ultimately resulted in Rav Brandwein passing the responsibility of leadership of The Kabbalah Centre to Rav Berg.

“Absence of desire” or “lack of interest” are often listed as symptoms of depression, a medical condition that affects nearly 20 million Americans. A myriad of drugs, herbal remedies, and therapies are now available to treat this condition, and although they may ease the symptoms, none have managed to cure this devastating affliction. In his clear, strong, and heartfelt new book, noted scholar and author Yehuda Berg offers a new “prescription” for those who suffer from depression: the healing energies of Kabbalah. This simple yet profound treatment allows depression sufferers to take back their lives. Readers learn to use Kabbalah’s ancient tools to reconnect with desire, reemerge from the debilitating darkness, and overcome depression once and for all. Berg suggests specific Kabbalistic tools for readers to use on the path to recovery, while case histories provide further illumination and inspiration.

The power of The 72 Names of God operates strictly on a soul level, not a physical one. It's about spirituality, not religiosity. Instead of being limited by the differences that divide people, the wisdom of the Names transcends humanity's age-old

quarrels and belief systems to deal with one common bond that unifies all people and nations as one -- the human soul.

Kabbalists state that there is no reality at all, but something called His Essence, the Upper Force, and this is what we perceive as our world. As uncanny as it sounds, this notion hides in its wings the very prospect of freedom, for every person, for every nation, and for the entire world. The structure and the perception of reality are the surface of this book. But the story of humanity, or more accurately, of the human soul, is the undercurrent that drives the reader forward in this book. It is about you, about me, about all of us. This book is about the way we were, the way we are, the way we will be, and most importantly, it is about the best way to get there. In this neatly structured composition, every part speaks of a different aspect of Kabbalah. It starts with our perception of reality, our perception of the Creator, and the evolution of our soul in the spiritual worlds (including explanatory drawings). The book also clears up misconceptions about Kabbalah and explains, in plain words, how to experience the spiritual realm of our lives.

"Si has estado buscando a tu alma gemela sin éxito, quizá sea el momento de probar un nuevo enfoque: Reglas espirituales de las relaciones. La Kabbalah nos enseña que no estamos solos, y que estamos destinados a ser felices. Descubre cómo las Leyes del universo trabajan a tu favor, una vez que empiezas a entenderlas y a reconocer el pleno potencial para amar y compartir de verdad que hay en el interior de todos nosotros. Si estás dispuesto a hacer este esfuerzo espiritual, verás cómo la verdadera conexión, tanto con la luz como con otro ser humano, es una cuestión de conciencia y certeza. El poder está en tus manos."--Back cover.

"Elizabeth Clare Prophet's book is a masterpiece. The rich tradition of the Kabbalah comes to life in a language that is accessible even to those unfamiliar with this ancient and classic tradition."--Caroline Myss, Ph.D., author of "Anatomy of the Spirit."

Since the beginning of time, God had a clear image of how He wanted His children to live. Although that plan has been altered by both humans and the great deceiver, Satan, God still has a plan to bring prosperity to His people through the power of multiplication. Now author Celeste

Perez, building on a biblical foundation, demonstrates that God is the originator of the power of multiplication and that humans have the ability to use it for His glory. Today, there are promises that Christians can tap into through the power of multiplication. God does not want His people to live all their lives depending only on humankind or government assistance. Instead, He seeks to introduce them to a land where they can sow and reap. There is a blessing with your name on it, if you are willing to claim it. Your works should not be in vain; driven by purpose, they can change not only your life but also the lives of those around you and of generations to come. Inspiring and uplifting, this study and guide presents ways to use God's power of multiplication in your life to prosper and grow more each day in Him.

Reflecting on forty years of matrimony, John Piper exalts the biblical meaning of marriage over its emotion, exhorting couples to keep their covenant for all the best reasons. Even in the days when people commonly stayed married "'til death do us part," there has never been a generation whose view of marriage was high enough, says Pastor John Piper. That is all the more

true in our casual times. Though personal selfishness and cultural bondage obstruct the wonder of God's purpose, it is found in God's Word, where his design can awaken a glorious vision capable of freeing every person from small, Christ-ignoring, romance-intoxicated views. As Piper explains in reflecting on forty years of matrimony: "Most foundationally, marriage is the doing of God. And ultimately, marriage is the display of God. It displays the covenant-keeping love between Christ and his people to the world in a way that no other event or institution does. Marriage, therefore, is not mainly about being in love. It's mainly about telling the truth with our lives. And staying married is not about staying in love. It is about keeping covenant and putting the glory of Christ's covenant-keeping love on display." This Momentary Marriage unpacks the biblical vision, its unexpected contours, and its weighty implications for married, single, divorced, and remarried alike.

Kabbalah—the secret is out! From Madonna's controversial conversion to the Dalai Lama's acknowledgment and support, this mystical tradition is gaining unprecedented-

ed recognition. But how do we put this powerful and esoteric worldview into practice? With *The Ecstatic Kabbalah*, Rabbi David Cooper—author of bestseller *God Is a Verb* (Riverhead, 1998) and a renowned leader of the Jewish meditation movement—provides practical exercises on the path toward "mending the soul," the fundamental Jewish experience that brings union with the Divine. With meditation techniques for both beginning and advanced practitioners, *The Ecstatic Kabbalah* guides listeners into awareness of the presence of light with experiential practices for touching the four worlds of mystical Judaism: Physical—breath work and mind-body harmonization Emotional—tone the divine names as an expression of devotion Mental—learn the histories of these techniques Spiritual—stabilize your connection with divine presence Finally, the long-sequestered doors of Kabbalah are open to all listeners, as they are invited to dwell in the embrace of the Divine with *The Ecstatic Kabbalah's* practices of daily renewal.

According to the teachings of Kabbalah, angels are the infrastructure of the universe, the invisible conduit that moves energy along. Some have existed forever: archan-

gels, angels of the days of the week and the zodiac, guardian angels, the angels of death and judgment. Other angels, both positive and negative, are created through our actions. *Inteligencia angelical* reveals the power behind these unseen forces and shows how, through Kabbalah, readers can harness that power, transform their lives, and find greater fulfillment.

More than a decade after the runaway bestseller *The Rules* advised women on how to land "Mr. Right," it's time for a new set of rules that takes a more spiritual approach. These rules are based on the timeless wisdom of Kabbalah and the very nature of the Universe itself. *The Spiritual Rules of Engagement* describes how Kabbalah views relationships and what makes them work (or not work); and reveals that it is the woman who holds the power to determine the outcome. The book explains the spiritual reasons behind the way in which men and women think and act differently. Although not a book of dating tips, its rules do work. They have to work: They are the Laws of the Universe. You'll learn the true meaning of the term "soul mate;" and why it is that your soul mate has to find you, not the other way around. Writ-

ten by a kabbalistic teacher who regularly provides counsel to hundreds of individuals and couples, and who is happily married himself, the book will resonate with people of all backgrounds. These are more than just rules of engagement; they're rules for creating a happier, more fulfilling life.

An introduction to the kabbalah for analytical-minded seekers, this valuable guide begins with an overview of kabbalah as a living tradition, diagramming all aspects of spiritual growth through the Tree of Life. The allegorical and metaphysical meanings of various biblical stories and Jewish themes and how these apply to the spiritual inner life are also explored. The focus then shifts to the three main approaches to the spiritual path—action, devotion, and contemplation—and advises readers on the merits of each. Una introducción a la kabbalah para los individuos analíticos pero espirituales, este guía valioso empieza con un análisis general de la kabbalah como una tradición viva, diagramando todos los aspectos de crecimiento espiritual con el Árbol de la Vida. Se exploran los significados alegóricos y metafísicos de varios relatos bíblicos y temas judíos cómo estos apli-

can a la vida espiritual interior. El enfoque luego cambia a los tres acercamientos al camino espiritual--acción, devoción, y contemplación--y aconseja a los lectores sobre los méritos de cada uno.

Ancient Kabbalistic mysticism and the search for meaning by looking to the stars are related in ways that may surprise readers. Kabbalah, in fact, offers arguably the

oldest and wisest application of astronomy and astrology known to humankind. Kabbalistic Astrology is a tool for understanding one's individual nature at its deepest level and putting that knowledge to immediate use in the real world. A natural addition to Berg's many writings on spirituality, the book explains why destiny is not the same as predestination and shows that we have many possible futures and can become masters of our fate. They say that the greatest trick the Devil ever pulled was convincing us that he doesn't exist. In this book, Yehuda Berg uses the device of an as told to autobiography to explain the concept of The Adversary, which plays a major role in Kabbalistic wisdom. Readers learn that Satan exists within everyone, manifesting as a recurrent little voice of uncertainty and negativity, and that that is how havoc is wreaked throughout the world. By doing the spiritual work that Kabbalah teaches, readers banish doubt and evil influences from their lives and eliminate chaos from the world. Although author Berg takes creative license with the narrative, he presents a truthful representation of Kabbalah's view on the force of evil in the physical uni-

verse.

A dynamic exposition of the powerful, ancient Sephardic tradition of dreaming passed down from the renowned 13th-century kabbalist Isaac the Blind • Includes exercises and practices to access the dream state at will in order to engage with life in a state of enhanced awareness • Written by the close student of revered kabbalist Colette Aboulker-Muscat In Kabbalah and the Power of Dreaming Catherine Shainberg unveils the esoteric practices that allow us to unlock the dreaming mind's transformative and intuitive powers. These

are the practices used by ancient prophets, seers, and sages to control dreams and visions. Shainberg draws upon the ancient Sephardic Kabbalah tradition, as well as illustrative stories and myths from around the Mediterranean, to teach readers how to harness the intuitive power of their dreaming. While the Hebrew Bible and our Western esoteric tradition give us ample evidence of dream teachings, rarely has the path to becoming a conscious dreamer been articulated. Shainberg shows that dreaming is not something that merely takes place while sleeping--we are dreaming at every moment. By teaching the conscious mind to be awake in our sleeping dreams and the dreaming mind to be manifest in daytime awareness, we are able to achieve revolutionary consciousness. Her inner-vision exercises initiate creative and transformative images that generate the pathways to self-realization.

Our familiar reality is the physical 1 Per-

cent Realm in which we live. Here we face challenges and obstacles 24/7. Yet there is another world called the 99 Percent Realm. According to Kabbalah everything we truly desire: love, joy, peace of mind, freedom, is available to us when we connect with this dimension beyond our five senses. When we reactively deal with our problems through anger, jealousy, fear, and insecurity we inadvertently disconnect ourselves from the source of lasting fulfillment. Imagine if we could use our difficulties as steppingstones to constantly access the 99 Percent Utilizing kabbalistic tools we can rise above the limitations of this physical world and make a connection to this highest source of energy. The 13 principles found in this book are culled from teachings that are more than 4000 old. When applied, these principles can help us to remove chaos, personal struggle, and despair and reconnect us to a destiny of lasting happiness. This is the

power of Kabbalah.

As Yehuda Berg revealed in *The 72 Names of God*, hidden beneath the surface of ancient texts are powerful technologies that can transform one's life. In this book, as in his other works, Berg reveals the practical application of a methodology that was once dismissed as superstition. *The Red String Book*, the second entry in the *Technology for the Soul* series, reveals the antidote to the negative effects of the "Evil Eye." The Evil Eye is a very powerful negative force transmitted through unfriendly stares and unkind glances. The sages of Kabbalah understood that seemingly harmless envious eyes and looks of ill will are, in fact, anything but harmless. They can actually stop a person from realizing his or her full potential in every area of life. In this authoritative book, Berg takes readers to the source of the cure for the Evil Eye, the Red String, and shows how to utilize this surprisingly simple technology for life-changing results.
