Enform Course Guide 2017 by Energy Safety Canada - Issuu

PREREQUISITES »» A valid Enform Second Line Supervisor's Well Control Certificate (can be expired but not exceeding one year), with a minimum score of 85% on the written exam »» Completion ...

AER

Minutes 0-40: The first 40 minutes or so of the exam was going over the "instructions" to the driller as well taking the slow pump rates (SPR) and choke line friction (CLF) values. Minutes 40-70: During this time frame, the driller starts actually drilling the well and the supervisor (Level 4 candidate) is actually out of the simulator room. The blue line represents the drill pipe pressure ...

The role guide establishes key "Criteria" which should be considered in identifying second-line supervisors, as well as important "Attributes". To clarify what the Criteria and Attribute mean, a "Definition" is provided. Candidates for second-line supervisory positions should be classified as "Currently Possesses" or "Potential to
