"Washington University is very established on the continent," Akande said. "Some of these engagements go back 20 to 25 years, and they are spread across the university's seven schools. There is huge opportunity and significant

potential for Washington University moving forward. Additionally, we hope to identify and engage key partners and supporters for the Initiative in the United States and Africa."

Engaging Africa&#58; Washington and the Fall of Portugal's Colonial Empire tells the story of how successive administrations-Kennedy, Johnson, Nixon and Ford-tried to maintain the confidence of their NATO ally, Portugal, while facilitating the process of decolonization in Angola and Mozambique....

Washington University in St. Louis is committed to engaging with its global partners to help address our biggest challenges together. This spirit of collaboration was evident at the inaugural meeting of the Africa initiative, held April 23 on the Danforth Campus. "We're building relationships that will strengthen Washington University and also bring important benefits to the people who live in Africa," Chancellor Mark S. Wrighton said.

This book, a must-read for anyone interested in decolonization or Cold War diplomacy, is the definitive diplomatic history of U.S.-Portuguese relations in the 1960s and 1970s, in the context of Portugal's 1974 revolution and the end

of its African empire. The 1974 military coup was motivated by unhappiness in the army over seemingly endless war in Portugal's African colonies, so rapid ...
