English Grammar in Use | DrillPal.com

The late Paul Roberts was an outstanding educator and grammarian. I studied his school texts when I was in grammar school and have gone back to him again to gain mastery of English grammar. As the author himself states, this book was written primarily for high school students but it is also appropriate for adults.

I or me. This can cause some problems and again, is easily sorted. If we can get a little grammatical here, I should be used when it is the subject of the sentence, that is the person doing the verb. Me should be used for the object of the sentence either direct or indirect.. A good test as to which one to use is to think which one would be used if the other person were not included in the ...
