SGN.The Ebook NVS-PGT English-Navodaya Vidyalaya Samiti PGT Exam Covers English Objective Questions From Various Competitive Exams With Answers.

This book has been written with one principle in mind: Simplicity and clarity. Countless grammar books have so far been written

for “exam preparation purposes.” Almost all of these books have one thing in common: as much information as possible crammed into the pages of the book and the topics not being covered in the order of importance. This leads to serious confusion for the exam takers in their preparation process, since they cannot know what parts to learn and feel overwhelmed due the density of the material to be learned. Like I said above, this book has been written with one principle in mind: simplicity and clarity. You will see that you will have really high scores from English grammar exams thanks to this reader-friendly and easy-to-follow book.

These simple and easy-to-use books use everyday situations to teach language structures. Grammatical points are presented using illustrations, clear explanations, and numerous examples. Thorough practice exercises enable students to develop and test their language skills. How the books work-- Two-page units have grammar on the left-hand side and practice exercises on the right.-- Four-page units deal with larger grammar areas in more detail. Two pages of grammar are followed by two pages of practice exercises.-- Special appendix sections give additional information about irregular verbs, spelling rules, punctuation, numbers, days, dates and times.

Comprehensive course divided into 20 units, each focusing on a different grammar point. With glossary of grammar points, various exercises, illustrations, examples, and answers. Suitable for self-study, building vocabulary, and developing grammar skills.

"CD-ROM provides over 200 extra exercises to help you practice the grammar presented"--P. [3] of cover.
