Ludwig Feuerbach - Wikipedia

A digital divide is any uneven distribution

in the access to, use of, or impact of Information and Communication Technologies (ICT) between any number of distinct groups. These groups may be defined based on social, geographical, or geopolitical criteria, or otherwise. Because of ICT high cost, its adoption and utilization is highly uneven across the globe.

Essence Of Anthropology 3rd Edition

Euhemerism is a rationalizing method of interpretation that was named after the Greek mythographer (compiler of myths) Euhemerus. Euhemerism is the idea that a

real person can become a deity or a supernatural immortal being through the constant telling and re-telling of their stories that leads to the distortion of the actual story.
