Excellence in Business Communication has long been a well-respected business communication textbook, successfully demonstrating how business communication works in the world, and helping stu-

dents to understand the concepts behind effective communication while they develop and refine their own skills.

Description. For courses in Business Communication and Business Writing in the department of business. This text presents the dynamics of business communication with a lively, conversational writing style that takes students inside leading companies to (1) learn the basic principles of business communication, (2) understand important communication issues, and (3) profit from up-to-date ...

In this Twelfth Edition of Bovee and Thill's Excellence in Business Communication, the most significant and recent technology-related changes affect-

ing the business world are thoroughly discussed. Not to be forgotten, the text continues to emphasize fundamental skills and principles, including the importance of writing, listening, presenting, and other components of business communication.
