Execution - The Discipline of Getting Things Done clearly defines just what is execution and how to achieve it in order to have competitive advantage. The authors provided many practical examples from cooperate businesses in order to illustrate just how to achieve an effective culture of execution. Execution is the meeting point between what a leader wants to achieve and the ability of an organizations to make that happen- Execution: The Discipline of Getting Things Done is an indispensable guide that offers the tools and advice on how to reach that point quickly and successfully.

Execution & The Discipline of Getting Things Done is centered on revealing that &execution& is the critical discipline for getting things done. Doing this requires that one find out what is really &real& and then help others see what is &real&. A leader or CEO does this by behaving as a &coach&.

The discipline of execution means understanding how to link together people, strategy, and operations, the three core processes of every business. Leading these processes is the real job of running a business, not formulating a "vision" and leaving the work of carrying it out to others. Bossidy and Charan show the importance of being deeply and ...
